### **Addendum #3**

December 14, 2009

To: Interested parties regarding Schoharie County's RFP 2009-01

From: Cassandra R. Ethington, Personnel Officer

## **RFP DEADLINE is extended to February 5, 2010**

Through emails and the meetings that were held on the 9th of December. To date the biggest question and/or concern from interested parties the need for more detail on the County's census information from NYSHIP in order to give the best possible quotes.

At this time, the only information that the County can obtain from NYSHIP is what was presented in the RFP. It was the decisions of the Health Committee to have the County Attorney submit a FOIL request to NYSHIP requesting our census information in much more detail.

I am hoping to receive the requested information no later than January 15th.
