2014 Program Descriptions

Program	Program Description	Type of Funding	Resources Available
	New York State Council on the Arts (Arts)		
Arts Grant Program (Arts CHPG; TIP; APCE; WIP)	Funds are available under Article 3 of the Arts and Cultural Affairs Law for the study of and presentation of the performing and fine arts; surveys to encourage participation in the arts; to encourage public interest in the cultural heritage of the state, and to promote tourism by supporting arts and cultural projects. Culture & Heritage Project Grant (CHPG); Workforce Investment Program (WIP); Artistic Program Capital Equipment (APCE); Technology Improvements Program (TIP)	Grant	Up to $5 million
	NYS Canal Corporation (Canals)		
Canalway Matching Grant Program (Canals)	The Canalway Grants Program is a competitive matching grant program available to eligible municipalities and 501(c)(3) non-profit organizations along the New York State Canal System. Funding is for Capital Projects that meet the objectives of the Regional Economic Development Councils and the NYS Canal Recreationway Plan.	Grant	Up to $1 million
	Department of Environmental Conservation (DEC)		
DEC/EFC Wastewater Infrastructure Engineering Planning Grant Program (DEC EPG)	The New York State Department of Environmental Conservation (DEC), in conjunction with the New York State Environmental Facilities Corporation (EFC), will offer grants to municipalities to help pay for the initial planning of eligible Clean Water State Revolving Fund (CWSRF) water quality projects. Up to $2 million has been made available for this program. The NYS DEC/EFC Wastewater Infrastructure Engineering Planning Grant (EPG) will assist municipalities facing economic hardship with the engineering and planning costs of CWSRF-eligible water quality projects.	Grant	Up to $2 million
	Department of Labor (DOL)		
Workforce Development Grants (DOL EET, NHT, UWT)	Grant funding is available to private sector for-profit and not-for-profit businesses, training providers and local workforce investment boards to upgrade the skills of the workforce. Classroom instruction will be provided to existing employees who are at risk of being laid off without the training; newly-hired workers who were long-term unemployed will be trained on-the-job to perform their required job duties; and long-term unemployed individuals will be trained in a classroom setting for positions that are open in the region, with a commitment by businesses to interview individuals who successfully complete the training. Existing Employee Training (EET); New Hire Training (NHT); Unemployed Worker Training (UWT)	Grant	Up to $5 million
	Department of State (DOS)		
Local Government Efficiency Grants (DOS LGE)	For the 2013-2014 program year, $4 million is available under the Local Government Efficiency (LGE) Grant program to assist local leaders reduce municipal expenditures, limit the growth in property taxes and increase efficiencies in local service delivery. Projects can include local government reorganization, functional or service delivery consolidation, city or county charter revisions that include functional consolidation, cooperative service agreements, and establishment of regional service delivery mechanisms.	Grant	Up to $4 million
Community Services Block Grant (DOS CSBG)	Provides grants on a competitive basis for the following priority areas: Job Creation and Placement; Workforce Education and Development; Soft Skill Development; and Entrepreneurial Development.	Grant	Up to $1 million
Local Waterfront Program (DOS LWRP)	The Local Waterfront Revitalization Program provides matching grants on a competitive basis to revitalize communities and waterfronts.	Grant	Up to $11.75 million
	Environmental Facilities Corporation (EFC)		
Green Innovation Grant Program (EFC GIGP)	The Green Innovation Grant Program (GIGP) provides grants on a competitive basis to projects that improve water quality and demonstrate green stormwater infrastructure in New York. GIGP is administered by NYS Environmental Facilities Corporation (EFC) through the Clean Water State Revolving Fund (CWSRF) and is funded with a grant from the US Environmental Protection Agency (EPA).	Federal Grant	Up to $12.6 million

Program	Program Description	Type of Funding	Resources Available
	Empire State Development (ESD)		
Excelsior Jobs Program (EJP)	Refundable tax credits are available for strategic businesses such as high tech, bio-tech, clean-tech and manufacturing that create or retain jobs or make significant capital investments. Businesses meeting the eligibility criteria may apply for assistance at locations throughout New York State.	Tax Credit	Up to $70 million
ESD Grant Funds (ESD Grants)	ESD has several grant programs that together make available $150 million of capital grant funding for the Regional Economic Development Council Initiative. Capital grant funding is available for capital-based economic development projects intended to create or retain jobs; prevent, reduce or eliminate unemployment and underemployment; and/ or increase business or economic activity in a community or Region.	Grant	Up to $150 million
Market New York (ESD MNY)	The Market New York Grant program supports regionally-themed New York-focused projects that promote tourism destinations, attractions, special events and other travel-related activities that help achieve the Regional Councils' long term strategic goals for economic growth, which include attracting more visitors to New York State.	Grant	Up to $10 million
Innovation Hot Spot Support Program (ESD IHSSP)	Designated Innovation Hot Spots will be eligible for operating grants from ESD. Designation as an Innovation Hot Spot brings another benefit for the start-up companies within the Hot Spot. These companies will be eligible for significant state income and sales tax benefits for a period of five years.	Grant	Up to $1.25 million
Strategic Plannaing and Feasibility Study Project Grants (ESD SPFS)	Through ESD's Economic Development Purposes Fund, funding of up to $1 million is available for working capital grants of up to $100,000 each to support 1) technical assistance to local businesses and 2) training and career development opportunities to local workers. Projects should focus on economic development purposes, and preference shall be given to projects supporting Regional Economic Development Council Opportunity Agenda priorities and located in highly distressed areas.	Grant	Up to $1 million
	Homes and Community Renewal, Office of Community Renewal (HCR and HCR/OCR)		
New York State Community Development Block Grant Program (CDBG)	The Community Development Block Grant (CDBG) Program is a federally funded program authorized by Title I of the Housing and Community Development Act of 1974. The CDBG Program is administered by the Office of Community Renewal (OCR) under the direction of the New York State Housing Trust Fund Corporation (HTFC). NYS CDBG funds provide eligible small communities and non-urban counties in New York State with an opportunity to undertake activities that focus on community development needs such as creating or expanding job opportunities, providing safe affordable housing, and/or addressing local public infrastructure and public facilities issues. The primary statutory objective of the CDBG program is to develop viable communities by providing decent housing and a suitable living environment by expanding economic opportunities, principally for persons of low and moderate income. Six CDBG program applications were available for 2014: Economic Development, Small Business, Microenterprise, Public Infrastructure, Public Facilities, and Community Planning.	Grant	Up to $25 million
New York Main Street Program (HCR NYMS, HCR NYMS-TA)	The New York Main Street (NYMS) program was formally established in Article 26 of New York State Private Housing Finance Law. The NYMS program is administered by the Office of Community Renewal (OCR) under the direction of the Housing Trust Fund Corporation (HTFC). NYMS funds are awarded to units of local government and not-for-profit organizations that are committed to revitalizing historic downtowns, mixed-use neighborhood commercial districts, and village centers. NYMS grants are available for targeted improvements such as facade renovations, interior commercial and residential building renovations, and streetscape enhancement projects. Two NYMS Program applications were available for 2014: Traditional NYMS and NYMS Technical Assistance (NYMS-TA).	Grant	Up to $4.2 million

Program	Program Description	Type of Funding	Resources Available
	Office of Parks, Recreation and Historic Preservation (Parks)		
EPF Municipal Grants (Parks HAS-A; HAS-D; HAS-P; HP-A; HP-D; HP-P; PKS-A; PKS-D; PKS-P)	The EPF provides matching grants on a competitive basis for the acquisition, planning, development, and improvements of parks, historic properties, and heritage areas located within the physical boundaries of the State of New York. Parks (PKS) is for the acquisition (A), development (D) and planning (P) of parks and recreational facilities to preserve, rehabilitate or restore lands, waters or structures for park, recreation or conservation purposes and for structural assessments or planning for such projects. Historic Preservation (HP) is to improve, protect, preserve, rehabilitate, restore or acquire properties listed on the State or National Register of Historic Places and for structural assessments or planning for such projects. Heritage Areas System (HAS) is for projects to acquire, preserve, rehabilitate or restore lands, waters or structures, identified in the approved management plans for Heritage Areas designated under sections 33.03 and 33.05 of the Parks, Recreation and Historic Preservation Law, and for structural assessments or planning for such projects.	Grant	Up to $15.5 million
	New York State Energy Research and Development Authority (NYSERDA)		
Energy Efficiency Programs	NYSERDA's Commercial and Industrial (C&I) programs offer businesses in New York State solutions to improve energy efficiency and save money through design, new construction, renovation, and process improvements to commercial and industrial buildings. The New Construction Program and the Existing Facilities Program can help building owners make informed decisions about designing and renovating sustainable buildings. The FlexTech Program offers energy-saving opportunities through consultation and cost-shared studies. The Industrial and Process Efficiency Program can help organizations increase manufacturing output and data processing efficiency.	Incentive	Up to $50 million
Cleaner, Greener Communities Phase II Implementation Grants (NYSERDA CGC)	NYSERDA's Cleaner, Greener Communities (CGC) Program encourages communities to develop and implement regional sustainable growth strategies. Phase I of CGC provided funding to the 10 Regional Economic Development Council (REDC) regions in New York State (NYS) for the development of Regional Sustainability Plans. Through Phase II of CGC, NYSERDA is offering competitive grants for the implementation of innovative, community-based projects that reduce greenhouse gas emissions and create more resilient, sustainable communities. Projects will stimulate environmentally sustainable economic growth consistent with the Phase I Regional Sustainability Plans and REDC Strategic Plans. Project types include large-scale sustainability projects as well as local planning and zoning efforts intended to enhance environmental, economic, and social well-being across the state.	Grant	Up to $30 million
	Industrial Development Bond Cap (IDB CAP)		
Industrial Development Bond Cap (IDB Cap)	Up to $350 million from the Federal IDB Cap allocation will be available for State and local government issuers to sell tax exempt bonds for private projects that demonstrate a public purpose.	Tax Exempt Bond	Up to $350 million

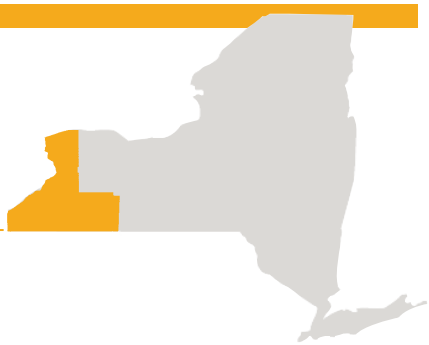
WESTERN NY



$58.6 million awarded to 69 projects

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
41056	Allegany	Allegany County Community Opportunities and Rural Development ACCORD Corporation	Employment Training Program	Allegany County will provide training services and activities focused on training and creating sustainable employment opportunities for residents. ASSET project participants will have access to high quality case management, workforce development, supportive services, on-the-job training, and the opportunities to participate in professional development training and attain professional credentials.	DOS CSBG	$100,000
41052	Allegany	Town of Bolivar	Municipal Pool Improvements	The Village of Bolivar, in partnership with the Town of Bolivar, will make make major renovations and improvements to the Moore Memorial Pool and grounds. The pool is the only public swimming pool in Allegany County, an impoverished county with very limited recreational opportunities. Major renovations and improvements are now needed to ensure its continued existence for future generations.	Parks PADP	$240,156
41533	Allegany	Town of Caneadea	New Park Acquisition and Planning	The Town of Caneadea will acquire property owned by Houghton College for development as a Town Park. The 20-acre parcel of property for the proposed Caneadea Town Park extends along New York State Route 19 on the bank of the Genesee River.	Parks PADP	$82,491
39929	Allegany	Village of Andover	Drinking Water Feasibility Study	The Village of Andover will use $50,000 in CDBG Community Planning funds and $2,632 in local funds to complete an Engineering Study focused on the feasibility of providing the Village with municipal drinking water service.	HCR CDBGCP	$50,000
42659	Allegany	Village of Wellsville	Wastewater Treatment Plant Engineering Planning Grant	The Village of Wellsville will complete an engineering report to evaluate the capacity of the Village wastewater treatment plant considering State Pollution Discharge Elimination System (SPDES) permit limit changes and the ability of the plant to accept landfill leachate.	DEC EPGP	$30,000
40102	Allegany, Cattaraugus, Chautauqua	Jamestown Community College	Machinist Training Program	Jamestown Community College will train 22 long-term unemployed workers as machinists including math and reading, lean manufacturing, engineering drawing and AutoCAD, machine theory and operation, mathematics for machinists, OSHA 10 hour, computerized numerical control (CNC), manufacturing drawings and geometric dimensioning and tolerancing, and machine tool technology 2.	DOL UWT	$99,998

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
40043	Cattaraugus	Cattaraugus Empire Zone Corporation	Olean Business Incubation Center	An existing building in downtown Olean will be renovated to make way for a new business incubator.	ESD Grants	$400,000
41460	Cattaraugus	City of Olean	Allegheny River Public Access and Recreation Plan	The City of Olean, in partnership with the City of Salamanca; Towns of Portville, Olean, and Salamanca; Villages of Portville and Allegany, will establish a plan for a multi-use recreation trail system along the Allegheny River. The project will explore strategies to improve waterfront access, promote the underutilized river corridor, and attract recreation-based businesses to strengthen the tourism economy.	DOS LWRP	$38,785
39780	Cattaraugus	City of Olean	North Union Street Green Revitalization	This project will incorporate green infrastructure into a larger $8.85 million reconstruction project that addresses failing roadway infrastructure in the City of Olean's Central Business District. Green infrastructure practices will include bioretention, stormwater street trees, and porous pavement.	EFC GIGP	$854,000
41655	Cattaraugus	Village of Allegany	Town-Village Sanitary Sewer Planning Study	The Village of Allegany with the Town of Allegany will complete an engineering report to evaluate the existing sanitary sewer collection systems within the Village and Town of Allegany and study the viability of expanding the collection system to currently unsewered areas in the Town of Allegany.	DEC EPGP	$30,000
42710	Chautauqua	1891 Fredonia Opera House	Seamless Movie Screen, 16-Channel Sound Board & LED Color Lighting Instruments	The 1891 Fredonia Opera House will purchase a seamless movie screen, a new 22-channel sound board and six new LED color lighting instruments. All of the equipment will serve to enhance the quality of the artistic programs presented.	Arts APCE	$11,800
39191	Chautauqua	Chautauqua County	Regional Water Supply System Construction and Installation	The North Chautauqua County Regional Water Supply System project will consist of constructing a new two-million gallon water storage tank and installing a new water interconnection with a pump station between Village of Fredonia and City of Dunkirk.	ESD Grants	$1,000,000
40124	Chautauqua	CODE, Inc.	Appleyard Greenway Recreation Project	The project consists of acquiring property and developing safe recreation space. There will be playground equipment for small children, open space for older children and basketball for teens and adults. This project will provide the only walkable recreational facilities to local residents.	Parks PADP	$338,886
39185	Chautauqua	Jamestown Renaissance Corporation	STRIVE Jamestown 2014	The Jamestown Renaissance Corporation will use $250,000 in New York Main Street funds to assist in the renovation of the former M&T Bank Building. The building will be renovated to accommodate a technology-based business, grocery, and a business banking unit. Total cost of the project is $4.3 million with funds expected from historic tax credits, the property owner, and Jamestown Renaissance Corporation.	HCR NYMS	$250,000

Western New York

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
41643	Chautauqua	National Comedy Center, Inc.	Expansion of National Comedy Center	The National Comedy Center in Jamestown will launch a construction project to create an interactive guest experience and improved access to the Comedy Center Park and patio along the riverfront.	ESD Grants	$1,500,000
41741	Chautauqua	Town of Ripley	Public Sewer Extension Planning Study	The Town of Ripley will complete an engineering report to evaluate extending public sewer to the New York State Thruway interchange area and the evaluation of the existing collection system.	DEC EPGP	$30,000
39938	Chautauqua	Village of Brocton	Main Street Market Assessment	The Village of Brocton will use $20,000 in New York Main Street Technical Assistance funds to conduct market analyses and develop building renovation cost estimates for 13 buildings on the Village's main street. The total project cost will be $27,250, with $7,250 from the Village and CHRIC in the form of cash and in-kind contributions.	HCR NYMSTA	$20,000
41387	Chautauqua	Village of Sinclairville	Water Tank Replacement Project	The Village of Sinclairville will use $600,000 in NYS CDBG funds to replace an existing water tank and approximately 33,100 LF of water lines. The total cost of the project is $5,000,000 and includes $4,250,000 from the Environmental Facilities Corporation.	HCR CDBGPI	$600,000
37830	Erie	Alix Rice Peace Park Foundation	New Skatepark Development	Alix Rice Peace Park Foundation will create a 10,000 square foot skateboard facility in Amherst, expected to draw 10,000 - 30,000 visitors a year. The plan includes beginners' learning programs, skate camps, as well as host capabilities for professional competitions which can draw sponsorship, competitors and visitors from across the state.	ESD MNY	$5,000
37830	Erie	Alix Rice Peace Park Foundation	Alix Rice Peace Park Skatepark	The Alix Rice Memorial Skate Park will be a 10,000-square-foot state-of-the-art "California" style skateboard park with bowls and rolling flow. The facility will be built at the North Town Center in Amherst, in the northern parking lot adjacent to the football field and bike path. NYS OPRHP funds will be used for construction of the skate facility and electrical installation.	Parks PADP	$123,888
39510	Erie	Blessed Trinity Catholic Church	Restoration of a Community Anchor and Tourism Product	The project will restore a quality tourism product, Blessed Trinity Roman Catholic Church, through major repairs to its front entrance, roof and windows. The building is renowned as one of the finest examples of Lombard Romanesque architecture in the US. Restoration will complement other construction projects in the Fillmore-Leroy neighborhood. Restoration will employ local craftsmen and contribute to the burgeoning heritage tourism movement in the Buffalo-Niagara region.	Parks HPADP	$329,643
42493	Erie	Buffalo Arts and Technology Center, Inc.	Pre-Training Literacy Program	Buffalo Arts and Technology Center, Inc. of Buffalo will train 140 long-term unemployed workers in pre-training literacy.	DOL UWT	$100,000

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
41428	Erie	Buffalo Fine Arts Academy	AK Innovation Lab	The AK Innovation Lab is a flexible framework for diverse initiatives of varying scale and duration, the first two of which have begun. Project 1 is art games 2.0, a complete overhaul of a first-of-its-kind online art game for kids. Project 2 seeks to revitalize museum education with new methods of access and engagement. AK Innovation Lab is an agent of transformative change for the Albright-Knox, for communities in Western NY, and for the museums sector more broadly.	Arts CHPG	$76,000
42714	Erie	Buffalo Niagara Medical Campus, Inc.	Pedestrian Bridge Construction	The Buffalo Niagara Medical Campus will construct two above-ground pedestrian bridges connecting the new University at Buffalo (UB) School of Medicine and Biomedical Sciences; the new Coventus Medical Office Building; and UB Research Institute on Addictions.	ESD Grants	$650,000
41713	Erie	Buffalo Niagara Riverkeeper	Scajaquada Creek Paddlesport Launch	Buffalo Niagara Riverkeeper will complete Phase 2 of the Paddlesport Micropark.	Canals	$150,000
43510	Erie	Buffalo Sewer Authority	Buffalo Green Site Restoration Demonstration Project	This project will implement a green infrastructure program on vacant lots in the City of Buffalo. Bioretention practices will be installed and inspected to confirm their compliance with post construction protocols developed through an EPA Technical Assistance Grant in 2014. The outcome of this project will identify any barriers and opportunities associated with the full extension of bioretention treatments to the City's typical annual 500+ site demolition program.	EFC GIGP	$1,800,000
41302	Erie	Burchfield Penney Art Center	Traveling Exhibitions Program	The Burchfield Penney Art Center will use the funding to support the development and dissemination of marketing materials related to its new traveling exhibitions program to market Western New York arts and artists to national and international audiences. The overall impact on the Buffalo community is to solidify Western New York as a world-class destination for arts and culture audiences, supporting the WNYREDC goals of increasing tourism.	ESD MNY	$36,000
40477	Erie	Burchfield Penney Art Center	Front Yard Project High-Luminosity Projectors	Burchfield Penney launched a groundbreaking public art project, Front Yard Project (FYP) - the world's first environmentally-responsive, interactive, 3-channel, outdoor audio/video, multimedia installation - in October 2013. The museum will replace the current three projectors with higher-luminosity projectors, providing a more engaging and enjoyable experience for audiences while presenting artists' video works in the manner in which they were intended to be seen and experienced.	Arts APCE	$49,500
41656	Erie	Catholic Charities of Buffalo	Hospitality and Tourism Training	Catholic Charities of Buffalo will train 48 long-term unemployed workers in hospitality and tourism-specific customer service, communication/housekeeping/ maintenance, food and beverage/ SERVSAFE, pre-job placement and workplace readiness, on-the-job training, and debrief.	DOL UWT	$99,600

Western New York

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
40277	Erie	City of Tonawanda	Ives Park Improvements	Ives Park is a recreation destination for organized baseball and soccer, tennis, hockey, an outdoor skate park, winter ice-skating rink, and playground equipment. Amenities are outdated, unsafe for users and need to be replaced and expanded to meet the growing demands of the community. Enhancements will include improving tennis and hockey courts; a new basketball court; playground safety surfaces; new bleachers; and a warming hut for the winter skate rink. Park enhancements will foster greater community participation in outdoor recreation and organized sports year-round and improve amenities for spectators.	Parks PADP	$78,567
39255	Erie	City of Tonawanda	Main Street Development Program	The City of Tonawanda, in partnership with the Western Erie Canal Alliance (WECA), will establish a Main Street Program for the City's downtown commercial area in accordance with the National Trust for Historic Preservation's Main Street Program. Grant funding will support two years of salary for the WECA Coordinator and a Tonawanda Main Street Program Manager and provide professional consulting and training to spur economic development.	DOS LWRP	$187,225
42713	Erie	County of Erie	Bethlehem Steel Acquisition and Redevelopment	Erie County will acquire, remediate, and develop modern infrastructure at a former Bethlehem Steel brownfield to create shovel-ready land in the City of Lackawanna.	ESD Grants	$500,000
42218	Erie	El Museo Francisco Oller Y Diego Rivera	Program Expansion	El Museo Francisco Oller Y Diego Rivera will employ a new Assistant to the Director, who will assist the Director/Curator in day-to-day operations of the organization and act as a liaison to the broader community. With this new employee, the Gallery's programming will be able to meet the demands of the communities served.	Arts WIP	$24,700
38733	Erie	Erie 1 BOCES	Maintenance Mechanic Training	Erie 1 BOCES of West Seneca will train 28 long-term unemployed workers as electromechanical maintenance mechanics in safety; blueprint reading; trade math; welding; machining; hydraulics; pneumatics; sheet metal; pipefitting; mechanical drives; basic/ industrial electricity; programmable logic controls; and as machinists in blueprint reading, trade math, machine tool setup, speed/feeds, lathes/mills, grinders/saws/ drill presses, precision measurement instruments, and computer numerical controls.	DOL UWT	$100,000
41069	Erie	Erie Community College	Advanced Manufacturing Training	Erie Community College of Buffalo will train 20 long-term unemployed workers in computer numerical control (CNC) mill programming/operations; technical communications/graphics; machine tools; industrial inspection/metrology; CNC lathe programming/operations; SolidWorks; Mastercam; biomanufacturing/food processing; quality control; regulatory compliance; lean manufacturing; food safety/sanitation; facility operations; biology/chemistry; computer literacy; human interaction; composition; and math.	DOL UWT	$100,000

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
40859	Erie	Erie County	Erie County Sustainability Plan	The Erie County Sustainability Plan will create a combined Climate Action and Sustainability Plan to address greenhouse gas emissions and sustainability County-wide. The Plan will specifically target energy use, transportation, and waste generation, and will incorporate smart growth principles, LEED for Sustainable Neighborhoods, complete streets, and green infrastructure. This project will identify pollution and greenhouse gas emission sources within the County and will propose solutions to these problems.	NYSERDA CGC2	$250,000
41223	Erie	Erie County	Seneca Bluffs Natural Habitat Park	The grant will fund the purchase of a half acre of vacant frontage at 1270 Seneca Street, Buffalo. The parcel adjoins 11 acres of Seneca Bluffs Natural Habitat Park owned by the County. The park is located in a disadvantaged neighborhood, and the parcel is an eyesore to the community in its current condition. The acquisition will allow Erie County to improve the curb appeal of its habitat park, clean up a neighborhood eyesore and expand its existing 3-car parking lot.	Parks PADP	$75,000
38923	Erie	Erie-Niagara Area Health Education Center, Inc.	Medical Billing and Coding Training	Erie-Niagara Area Health Education Center, Inc. of Buffalo will provide on-the-job training to 4 newly-hired workers in medical billing and medical coding.	DOL NHT	$20,000
41063	Erie	Frontier Science & Technology Research Foundation, Inc.	Research Associate Training	Frontier Science & Technology Research Foundation, Inc. of Amherst will train 10 workers in the fundamentals of clinical research, a Clinical Research Associate (CRA) certificate program.	DOL EET	$30,000
40389	Erie	Gerard Place Housing Development Company, Inc.	New Employment Training Space	The Gerard Place Education and Community Center has offered transitional housing, education and linkage to employment skills training since 2000 for homeless mothers and their children. The Center will establish extensive training space in the former St. Gerard Parish Hall and School adjacent to its residential facility in Buffalo complete with new classrooms, a simulation room, and other capital improvements and renovations needed for the new training facility.	ESD Grants	$250,000
39294	Erie	Goodwill Industries of Western New York, Inc.	Manufacturing, Medical and Office Training	Goodwill Industries of Western New York, Inc. of Buffalo will train 250 long-term unemployed workers in electromechanical maintenance; machining; medical office assistants; office and account clerks; and Certified Nursing Assistants.	DOL UWT	$99,200
42268	Erie	HealthNow New York Inc. (dba Blue Cross/Blue Shield of Western New York and Blue Shield of Northeastern New York)	Office Operations and Information Technology Training	HealthNow New York Inc. (dba Blue Cross/Blue Shield of Western New York and Blue Shield of Northeastern New York of Buffalo) will train 71 workers in setting goals, delegating, giving feedback, inspiring innovation, managing change, influencing others, handling resistance, leading teams, working virtually, Certified Information Security Manager (CISM), Certified Information Systems Security Professional (CISSP), fundamental and advanced SQL querying, and the Certified Software Quality Program.	DOL EET	$99,725

Western New York

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
43424	Erie	Just Buffalo Literary Center	JB40	JB40 will capitalize on Just Buffalo Literary Center's 40th Anniversary through an integrated program expansion and marketing effort that achieves the goals of its Strategic Business Plan. The project is focused on providing a robust platform to support, inspire and develop WNY's next generation of writers.	Arts CHPG	$60,000
42826	Erie	People United for Sustainable Housing (PUSH) Buffalo	Buffalo Community Sustainability Initiative	The Community Sustainability Initiative project consists of a Green Development Zone (GDZ) Enhancement Project, strengthening People United for Sustainable Housing (PUSH)'s community-driven, nationally recognized sustainability district on Buffalo's West Side. The project includes renewable energy projects on three sites and a Community Solar Aggregation Project that will build on the Green Jobs/Green NY program to generate 250 solar photovoltaic (PV) installations in low-to-moderate income communities across Western New York.	NYSERDA CGC3	$902,980
39137	Erie	Research Foundation for the State University of New York on behalf of Buffalo State	Advanced Manufacturing Technician Training	SUNY Buffalo State will train 24 long-term unemployed workers in orientation to manufacturing industries; introduction to OSHA safety training; wellness and conditioning; manufacturing environment skills; tools that are used in manufacturing; blueprint reading; shop math; introduction to lean manufacturing; materials properties; precision machining processes; numeric control systems; and provide internship opportunities.	DOL UWT	$100,000
40589	Erie	Research Foundation for the State University of New York on behalf of University at Buffalo	Dental Assistant Training	University at Buffalo will train 20 long-term unemployed workers in dental assisting; clinical skills/cardiopulmonary resuscitation (CPR); dental materials; dental office procedures; clinical patient care; pre-clinical technology lab studies; preventative dentistry; dental radiology; dental lab studies; dental sciences; chair side skills; customer service; basic Spanish for healthcare workers; medical billing/coding; medical insurance; and Microsoft Word and PowerPoint.	DOL UWT	$52,710
39668	Erie	Roycroft Campus Corporation	New Visitor Center Development	This project will enhance the Roycroft Visitor Center in 2015 through increased staffing, the addition of an electronic informational display, and increased marketing efforts. The Visitor Center will serve as an information center not only for the benefit of the Campus, but also local businesses and similar cultural organizations.	Arts CHPG	$30,000
43421	Erie	Squeaky Wheel/ Buffalo Media Resources, Inc.	Program Expansion	In response to a continued increase in demand for its education programs, Squeaky Wheel will transition its part-time Youth Education Coordinator into a full-time Education Director. This expansion addresses the need to unite education programming under the jurisdiction of one full-time position to manage programmatic growth and maximize efficiency and impact of the organization's educational programming.	Arts CHPG	$11,500

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
42135	Erie	The Center for Exploratory and Perceptual Art (CEPA) Gallery	Expand Artistic & Educational Programming	The Center for Exploratory and Perceptual Art will hire a full-time, salaried Development Associate. This new position is essential to the continued growth and stability of CEPA's artistic and educational programming and to achieving its strategic goals. The Associate will support CEPA's Executive Director and Board by driving its annual campaign and special events fundraising and overseeing all donor relations, recognition and stewardship activities.	Arts WIP	$49,500
40552	Erie	Torn Space Theater	The Calling: Torn Spaces Site Specific Performance	The Calling is a performance designed for a complex of grain elevators in Buffalo NY. The project will involve several performance areas throughout the site and surrounding landscape. The Calling continues Torn Space's efforts in adaptive reuse within the cultural sector and the staging of civic rituals for the community.	Arts CHPG	$15,200
42761	Erie	Town of Amherst	Smart Growth and Sustainability Planning	The Town of Amherst will revise its existing Comprehensive Plan and Zoning Code to incorporate smart growth and sustainability principles into all planning and development efforts. The benefits of this project will include green infrastructure components and improved energy efficiency of Town municipal buildings.	NYSERDA CGC2	$161,250
43090	Erie	Town of Concord	Sewer District Engineering Study	The Town of Concord will complete an engineering report to evaluate constructing a new wastewater treatment plant to serve both the Craneridge Sewer District #1 and Kissing Bridge Sewer District #2.	DEC EPGP	$30,000
39378	Erie	Town of Tonawanda	Lincoln Park Green Pathway	The Town of Tonawanda will replace an impervious concrete sidewalk with a porous pavement path designed to drain adjacent fields in Lincoln Park. The porous pavement path and rain gardens will be installed to capture, filter, and infiltrate stormwater before it enters Ellicott Creek.	EFC GIGP	$700,000
42393	Erie	TriMain Development	Green Infrastructure Retrofit	The project will enhance a mixed use, commercial and art center, and business incubator. Green infrastructure practices include a green roof, a stormwater harvest and reuse sytem, and porous pavement. These practices will be used to reduce runoff and mitigate combined sewer overflows that contaminate the receiving waters of the Niagara River.	EFC GIGP	$930,000
42465	Erie	Trinity Church	Antique Window Protection and Visibility Project	Trinity Church in Buffalo is internationally renowned for its collection of architecturally-significant stained glass windows, including the largest collection in the world of LaFarge and Tiffany windows in one place. This project aims to remove the existing, decades old, exterior coverings, replacing them with vented, aluminum framed, lexan storm windows. The clear lexan windows will increase exterior visibility, drawing visitors inside.	Parks HPADP	$193,590
39521	Erie	Village of Akron	Town-Village Wastewater Infrastructure Engineering Report	The Village of Akron with the Town of Newstead will complete an engineering report to evaluate documented sanitary sewer overflows, State Pollution Discharge Elimination System (SPDES) permit requirements, system upgrades and possible expansion of sewer service to unsewered areas.	DEC EPGP	$30,000

Western New York

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
42463	Erie	Village of Williamsville	Long Street Green Infrastructure Project	The Long Street Green Infrastructure Project will entail installation of green infrastructure in the Village of Williamsville. The Village will incorporate bioretention and porous pavement to reduce runoff and erosion, enhance the visual and pedestrian environment, and improve overall sustainability in the area.	EFC GIGP	$1,093,000
42673	Erie	Western New York Book Arts Collaborative	Program Expansion	Western New York Book Arts Collaborative board will increase the organization's stability by expanding the Interim Executive Director's hours (along with a title upgrade to Executive Director), thereby increasing focus on fundraising, development, and administration.	Arts WIP	$35,200
43021	Erie	Young Audiences of Western New York	ArtWorks: Hired to Create, Inspired to Succeed	ArtWorks is a youth development initiative utilizing the power of the arts to transform young lives and enrich the community. Buffalo high school students will intern with professional artists to gain arts and employment skills as well as college readiness. The program creates a positive, safe and educational environment for high school students addressing core competencies required to succeed today.	Arts CHPG	$50,200
39134	Erie, Niagara	The WNY Women's Foundation, Inc.	Medical Worker Training	The WNY Women's Foundation, Inc. of Buffalo will train 100 long-term unemployed workers as nurses, radiological technicians, surgical technicians, physical therapists, physical therapist assistants, medical assistants, bakers, culinary workers, gaming and casino managers, event planners, computer aided designers and drafters, mechanical technicians, and medical billers and coders.	DOL UWT	$100,000
42560	Erie, Niagara	Visit Buffalo Niagara	Canadian Marketing Initiative	Visit Buffalo Niagara will use funds to implement the third phase of the Canadian Marketing Initiative, which is intended to build awareness of the shopping market in the Western NY region though increased advertising and market presence in key Southern Ontario markets.	ESD MNY	$250,000
39702	Niagara	City of Lockport	Flight of Five Restoration	The Restoration of the Flight of Five, the historic Erie Canal locks built in the mid-1800s in Lockport, is the centerpiece of a comprehensive economic development and downtown revitalization strategy called the Locks District Redevelopment Plan. The completion of the Restoration of the Flight of Five is expected to annually draw 230,000 visitors and generate $17 million in spending.	ESD Grants	$700,000
42065	Niagara	Greater Lockport Development Corporation	Main Street Program	The Greater Lockport Development Corporation will use $250,000 in NYMS funds to assist in the renovation of mixed-use buildings within Lockport's Central Business District. The estimated total project cost is $600,000 with $315,000 from property owners.	HCR NYMS	$250,000
39712	Niagara	Enhance Development Activity	Program Expansion	This new part-time position of Director of Development will be responsible for the Carousel Society of the Niagara Frontier's fundraising activities. This position will help ensure the sustainability of the museum into the future.	Arts WIP	$6,300

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
41968	Niagara	Niagara County Community College	Customer Service Training	Niagara County Community College of Sanborn will train 80 long-term unemployed workers in front desk operations, customer service, Training for Intervention ProcedureS (TIPS), restaurant serving, and Serve Safe.	DOL UWT	$63,375
40750	Niagara	Niagara County Community College	Culinary Institute Marketing and Community Education	Niagara County Community College will use Tourism Marketing funding for its Niagara Falls Culinary Institute Project. Funds will be used to market a special event, an annual life-size Gingerbread House construction, as well as the community education classes in an effort to attract tourists into the region. Additionally, funding will be used to design and purchase interactive "Niagriculture" signage.	ESD MNY	$99,930
40994	Niagara	Town of Newfane	Newfane Wastewater Plant Engineering Study	The Town of Newfane will complete an engineering report to consider consolidating the Town and Village of Wilson wastewater treatment plants.	DEC EPGP	$30,000
40050	Niagara	Town of Niagara	Belden Center Stormwater Project	The Town of Niagara will use $599,854 in NYS CDBG funds for the replacement of failing stormwater drainage systems in the Town's residential Belden Center area. The total project cost is $662,627, which includes $62,773 in local funds.	HCR CDBGPI	$599,854
43050	Niagara	Village of Lewiston	Shoreline Improvements	The Village of Lewiston will continue improvements at Lewiston Landing. The project will include design and installation of shoreline stabilization; construction of walkway improvements; enhancement of navigation; and installation of power pedestals at Lewiston Landing docks.	DOS LWRP	$177,500
		Excelsior Jobs Credits		Excelsior Jobs Program tax Credits will be reserved for future projects including business investments in targeted industries that are within the region and that create or retain jobs, create capital investment and are consistent with the Strategic Plan.	ESD EJP	$6,000,000
		Low Cost Economic Development Financing		Federal Industrial Development Bond (IDB) Cap will be made available for state and local government issuers to sell tax-exempt bonds for eligible economic development, infrastructure and community revitalization efforts.	ESD IDBC	$35,000,000
		NYSERDA Energy Efficiency Projects	485 Energy Efficiency Projects	NYSERDA's Commercial and Industrial (C&I) programs offer New York businesses solutions to improve energy efficiency and save money through design, new construction, renovation, and process improvements to commercial and industrial buildings. The New Construction Program and Existing Facilities Program help building owners make informed decisions to design and renovate sustainable buildings. The FlexTech program can offer energy saving opportunities through consultation and cost-sharing studies.

39866	Onondaga	The DCC, LLC	New Facility Development	Build and equip a facility on the OCC Campus as part of the StartUp NY program in order to serve the growing demand from retail customers including Costco, Barnes and Noble, and Proflowers.	ESD Grants	$400,000
39774	Madison	Twenty East, LLC	Building Redevelopment for Agri-tourism based Destination	Twenty East will feature the extensive renovation of a commercial building and transform them to into a unique agri-tourism based destination.	ESD Grants	$30,000
39729	Cortland	City of Cortland	City Wide Pedestrian and Bicycle Improvement Plan	The Cortland City Wide Pedestrian and Bicycle Improvement Plan project will inventory current infrastructure and programs, identify opportunities, and recommend options for improving the pedestrian/bike system in terms of infrastructure, programming, and education. Ultimately, vehicle miles traveled will be reduced and alternative modes of transportation will be promoted.	NYSERDA CGC2	$39,000
39724	Cortland	City of Cortland	Downtown Market Analysis	The City of Cortland will use $50,000 in CDBG Community Planning funds and $3,000 in local funds to undertake a detailed market analysis on its Central Business District, documenting existing economic conditions and research demographic and economic trends.	HCR CDBGCP	$50,000
39512	Cayuga	US Intercorp, LLC	CES Heating Systems Business Creation	Start up manufacturing company that will produce energy efficient heating systems on a worldwide basis.	ESD Grants	$1,000,000
39396	Oswego	Altmar Genesee, LLC	Tailwater Barn Banquet Facility	Tailwater Barn will be a full-service banquet facility designed to complement the newly opened Tailwater Lodge.	ESD Grants	$200,000

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
39358	Cayuga, Cortland, Herkimer, Madison, Oneida, Onondaga, and Oswego	CNY Arts, Inc.	Arts Economic Development	CNY Arts will promote arts and cultural events in the region through print, broadcast, web, billboard and public relations. Packaging arts and culture through a coordinated, collaborative campaign supports both the tourism and cultural sectors: attracting cultural tourism dollars, increasing tax revenues, and retaining talent in the region.	ESD MNY	$100,000
39018	Madison	Colgate University	Center for Art and Culture	Relocation of two Colgate University museums to a newly constructed a Center for Art and Culture in downtown Hamilton.	ESD Grants	$750,000
38968	Onondaga	Town of DeWitt	Willis Carrier Recreation Center	The goal of this project is to build an all-inclusive outdoor multi-sports complex to be enjoyed by all residents and visitors of Central New York. The facility will provide a home to the Syracuse Challengers Little League Baseball Division, which offers children with physical and developmental disabilities the opportunity to play baseball.	Parks PADP	$500,000
38896	Cayuga	Village of Weedsport	Main Street Program Renovations	The Village of Weedsport will assist in the renovation of mixed-use buildings in the Village's downtown core.	HCR NYMS	$250,000
38834	Onondaga	George Rebecca Barnes Foundation	Facility Upgrades	The project is to completely restore the roof system and decorative elements of the historic Barnes Hiscock Mansion located at 930 James Street, Syracuse. Once the roof is restored, the integrity of the building will be secure and will allow subsequent interior and exterior restoration with complete confidence that such projects will not be compromised due to weather and water damage.	Parks HPADP	$300,000
38746	Cayuga	VG Rentals, Inc.	Auburn Floors and Piccirillo Building Redevelopment	Mixed-use development project involving rehabilitation of two historic buildings in Downtown Auburn, the Auburn Floors and Piccirillo buildings.	ESD Grants	$700,000
38740	Onondaga	Home HeadQuarters, Inc.	Smart Regrowth Sustainable Corners for Neighborhood Revitalization	Revitalization of an intersection in the Near Westside at Ontario and Otisco Streets in the City of Syracuse.	ESD Grants	$260,000
38740	Onondaga	Home HeadQuarters, Inc.	Syracuse Smart Regrowth Sustainable Corners	The Syracuse Smart Regrowth Sustainable Corners Project will accelerate revitalization in the Near Westside neighborhood in the City of Syracuse. As envisioned in the LEED for Neighborhood Development Plan, the project will implement changes in land use that will convert an underutilized parking lot, a vacant building, and multiple vacant parcels on three corners of an intersection into a mixed-use development.	NYSERDA CGC3	$1,555,000
37541	Cayuga	Stonewell Bodies & Machine, Inc.	Prototype Facility Development	Expand facility and add additional high technology equipment and CNC machines.	ESD Grants	$300,000
37541	Cayuga	Stonewell Bodies Machine Inc.	Prototype Facility Development	Expand facility and add additional high technology equipment and CNC machines.	ESD EJP	$400,000
42277	Madison	The Brewster Inn	Banquet Hall and Inn Expansion	Acquire two residential properties on an adjoining plot of land that will be converted to a banquet hall and 11 hotel rooms.	ESD Grants	$300,000
35685	Onondaga	Euphony, Inc.	Research and Software Development	Develop a language and speech data processing system to automate data analysis to add voice, language and context to text-to-speech technologies.	ESD EJP	$150,000

Central NY

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
39512	Cayuga	US Intercorp, LLC	Manufacturing Expansion Project	Start up manufacturing company that will produce energy efficient heating systems on a worldwide basis.	ESD EJP	$750,000
		Excelsior Jobs Credits		Excelsior Jobs Program tax Credits will be reserved for future projects including business investments in targeted industries that are within the region and that create or retain jobs, create capital investment and are consistent with the Strategic Plan.	ESD EJP	$6,300,000
		Low Cost Economic Development Financing		Federal Industrial Development Bond (IDB) Cap will be made available for state and local government issuers to sell tax-exempt bonds for eligible economic development, infrastructure and community revitalization efforts.	ESD IDBC	$35,000,000
		NYSERDA Energy Efficiency Projects	171 Energy Efficiency Projects	NYSERDA's Commercial and Industrial (C&I) programs offer New York businesses solutions to improve energy efficiency and save money through design, new construction, renovation, and process improvements to commercial and industrial buildings. The New Construction Program and Existing Facilities Program help building owners make informed decisions to design and renovate sustainable buildings. The FlexTech program can offer energy saving opportunities through consultation and cost-sharing studies.		

Mohawk Valley

MOHAWK VALLEY

$59.6 million awarded to 59 projects

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
40338	Fulton, Schoharie, Albany, Hamilton, Madison, Schenectady,	Schenectady County	Phase II Implementation Mohawk River Watershed Management Plan	Schenectady County will implement recommendations of the Mohawk River Watershed Management Plan. The project will install boat wash stations at Caroga, Canada and Peck Lakes, and a portable unit for other Fulton County lakes to address aquatic invasive species; restore the headwaters of Oriskany Creek to mitigate flooding and sediment loading; revegetate roadside ditches in Albany, Schenectady, Schoharie, and Hamilton Counties to reduce sedimentation, erosion, and nonpoint source pollution.	DOS LWRP	$332,480
42105	Herkimer	City of Little Falls	Veterans Memorial Park Economic Improvement Project	The project will replace unsafe and inefficient lighting and re-surface the tennis and basketball courts at Veterans Memorial Park. The project will include new aluminum light poles and energy efficient fixtures for the baseball field and new efficient lighting and paved court surfaces for adjacent tennis and basketball courts. The project will enable the Mohawk Valley Diamond Dawgs amateur baseball team and the Little Falls School District to use the park for nearly 40 baseball games, attracting hundreds of residents and visitors to the city.	Parks PADP	$484,000
41195	Herkimer	Town of German Flatts	Fulmer Creek Greenplain Resiliency Project	The Town of German Flatts, in cooperation with the Village of Mohawk, will implement recommendations of the Herkimer County New York Rising Community Reconstruction Plan to improve community resiliency, enhance water quality, and promote tourism and recreation. The project includes preparing designs for floodplain restoration and public recreation amenities along the Fulmer Creek corridor from West Main Street in Mohawk, upstream to the Leatherstocking Mobile Home Park in German Flatts.	DOS LWRP	$200,000
41195	Herkimer	Town of German Flatts	Leatherstocking Mobile Home Park Property Recovery Project	GIGP funding will support the stream and floodplain restoration components of the Leatherstocking Mobile Home Park Property Recovery Project. The larger project will remove residential structures from the floodplain and create a linear park along Fulmer Creek to permanently preserve the floodplain function of the site.	EFC GIGP	$466,000

Mohawk Valley

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
41195	Herkimer	Town of German Flatts	Leatherstocking Mobile Home Park Recovery Project	The acquisition of the Leatherstocking Trailer park by the Town of German Flatts for use as a flood mitigation practice and public park will ensure open access to the property and protect environmentally significant structures down stream, most notably erosion control and transportation infrastructure in the stream corridor. The project will encourage businesses to reopen or locate within the previously impacted area, and will encourage tourism and recreation through the creation of a community park with ADA-accessible restrooms, parking area, picnicking and fishing access.	Parks PADP	$277,000
41009	Herkimer	Village of Frankfort	Village of Frankfort Inflow and Infiltration Study	The Village of Frankfort will complete an engineering report to identify sources of inflow and infiltration within the existing sewer collection system and develop recommendations for rehabilitation.	DEC EPGP	$30,000
39795	Herkimer	Village of Herkimer	Herkimer Municipal Pool Improvement Project	The project will make critical repairs to the 50-year old pool, including addressing code violations and making the pool more accessible to seniors and people with disabilities. The Village of Herkimer is the last community in Herkimer County operating a municipal pool, serving 5,000 swimmers a year and drawing people into the central business district.	Parks PADP	$412,500
43531	Montgomery	City of Amsterdam	City Hall Restoration	The grant will fund urgently needed repairs to Amsterdam City Hall (Sanford Mansion) in Amsterdam, New York, to preserve the building façade and fabric of this over 145-year-old structure listed on the National and State Registers of Historic Places, and to prevent further, more severe, and more expensive repairs at a later date.	Parks HPADP	$224,625
39744	Montgomery	City of Amsterdam	Mohawk Valley Gateway Overlook	The City of Amsterdam will fabricate and install public art on the Mohawk Valley Gateway Overlook, a pedestrian bridge across the Mohawk River connecting Bridge Street on the south shore with the north shore waterfront.	DOS LWRP	$325,000
39513	Montgomery	City of Amsterdam	City of Amsterdam Phase 5 Sewer Improvements	The City of Amsterdam will use $600,000 in NYS CDBG funds to implement the Storm Sewer Separation Phase 5 project and eliminate storm and sanitary cross connections. The total project cost is $620,000 and includes $20,000 in local funds.	HCR CDBGPI	$600,000
40636	Montgomery	Village of Fultonville	Village of Fultonville Water System Improvements	The Village of Fultonville will use $600,000 in NYS CDBG funding assistance to make upgrades and improvements to the Village water system. The total project cost is $600,000 and is proposed to be funded in full with CDBG funds.	HCR CDBGPI	$600,000
43465	Montgomery	Village of Nelliston	Nelliston Wastewater	The Village of Nelliston will complete an engineering report to identify sources of inflow and infiltration to the Village's sanitary sewer collection system, Montgomery County Sanitary Sewer District No. 1 (MCSSD#1).	DEC EPGP	$30,000
42546	Oneida	City of Rome	Bicentennial and Beyond	The City of Rome will construct new facilities at the new Canalside Navigation Center.	Canals	$125,000

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
42546	Oneida	City of Rome	Bicentennial and Beyond	The City of Rome will remove several deteriorated timber dock pilings from the Erie Canal adjacent to the Terminal Building in Bellamy Harbor Park, repair the existing concrete and sheet piling bulkhead, and install new boat docks. The improvements are expected to attract charter, transient and excursion boats, driving economic development.	DOS LWRP	$75,000
41325	Oneida	City of Utica	Utica Harbor Marina Bulkhead and Infrastructure Improvements	The City of Utica will advance the Utica Harbor Master Plan through design of bulkhead, infrastructure, and site improvements; construction of infrastructure improvements; and implementation of a developer selection program.	DOS LWRP	$750,000
40774	Oneida	City of Utica	CODE GREEN: City of Utica Zoning Update	CODE GREEN: City of Utica Zoning Update will include a Zoning Ordinance update in the City of Utica in order to provide opportunities for innovative approaches to development, enabling the City to be a more economically viable and sustainable community. The new Ordinance will incorporate sustainable design and smart growth principles while promoting mixed-use, pedestrian friendly, dense, urban infill development that will attract new residents to Utica's urban core. Overall, this Project will result in increased, sustainable development in distressed areas, increased use of green technology in local businesses and projects, and an increased number of job opportunities.	NYSERDA CGC2	$168,750
38974	Oneida	City of Utica	Kemble Park Project	The City of Utica will develop a plan to re-purpose the former Kemble School site into a community park that will serve the recreational needs of Cornhill district residents, who have limited options for recreation/physical activity beyond their front porches and paved streets.	Parks PADP	$500,000
40957	Oneida	Mohawk Valley Community College	Heating and Welding Training	Mohawk Valley Community College of Utica will train 33 long-term unemployed workers in residential and commercial heating, and electric arc welding.	DOL UWT	$98,967
40861	Oneida	Mohawk Valley Community College Foundation	Mohawk Valley Innovation Hot Spot	The thINCubator, a project of Mohawk Valley Community College, will offer a unique incubator for entrepreneurs (the name thINCubator stands for “the home for innovative new companies”) is to tap into the creativity of all segments of the regional opulation. The thINCubator works with a broad coalition of partners, with support from the Community Foundation, the Workforce Development Institute and MVCC – as well as in-kind partnerships from local colleges and expert advice and support from similar, more established projects in Syracuse.	ESD HSSP	$250,000
39256	Oneida	Mohawk Valley EDGE	Marcy NanoCenter - Time to Market Site Improvements Project	Third major phase of site development bringing the Marcy Nanocenter site to near shovel-ready status.	ESD Grants	$1,000,000

Mohawk Valley

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
39012	Oneida	Munson-Williams-Proctor Arts Institute	Monet to Matisse Exhibit	Monet to Matisse, an exhibition of French & American Impressionism, will bring artworks to the region that cannot be viewed in NYS outside of New York City. MWPAI will generate interactive programs and/or cross promotion with music, visual and performing arts organizations, the city's school district, the Mohawk Valley Resource Center for Refugees and local businesses to make the exhibition relevant to the broadest possible audience.	Arts CHPG	$60,000
39012	Oneida	Munson-Williams-Proctor Arts Institute	Monet to Matisse	Through an exhibition of 55 major paintings by the leaders of French Impressionism such as Claude Monet and Pierre-Auguste Renoir, as well as by America's most noted Impressionist painters Mary Cassatt and John Singer Sargent, the Munson-Williams-Proctor Arts Institute seeks funding to engage audiences, unite regional arts organizations and small businesses, and advance cultural tourism. Monet to Matisse (May 16 to November 15, 2015), from the collection of the Dixon Gallery and Garden, Memphis Tennessee, is a rare opportunity to bring to the region artworks by renowned artists that cannot be viewed in New York State outside of New York City.	ESD MNY	$20,000
40213	Oneida	Northeast UAS Airspace Integration Research Alliance, Inc.	UAS Test Range Instrumentation	Install Surveillance & Airport Surface Radar at the FAA-designated Griffiss International Airport test range and in the North Country.	ESD Grants	$2,000,000
42484	Oneida	Oneida County Department of Water Pollution	Nanocenter Wastewater Treatment System	Oneida County will complete an engineering report to further investigate the feasibility of building a county-owned wastewater treatment system to treat general rinse water from semiconductor fabrication in Marcy, NY.	DEC EPGP	$50,000
42964	Oneida	Oneida County Tourism	Brew Central Marketing Campaign	Brew Central is a comprehensive regional tourism marketing campaign positioning the Central NY Vacation Region and Mohawk Valley as New York's premier Craft Brew Destination to compliment the TASTE NY program. Specific target marketing with focused messaging to stimulate day tripper and overnight leisure travel from domestic markets across NY, PA, NJ, CT, VT, MA. International marketing will target Canada, UK and Germany aligning and partnering with ILNY and BrandUSA programs.	ESD MNY	$500,000
39400	Oneida	Primo Property Management, LLC	Utica Landmarc Project	2nd phase of rehabilitation of a vacant 3-story building in downtown Utica.	ESD Grants	$800,000
40300	Oneida	Sculpture Space	Expand Development Capabilities	Sculpture Space will hire a part-time Development Associate professional to assist in identifying donors, creating state of the art database, and cultivating these donors in advance of Sculpture Space's 40th Anniversary as outlined in our 2013-2015 Strategic Plan.	Arts WIP	$18,700
39812	Oneida	Tabernacle Baptist Church of Utica	Tabernacle Baptist Church Masonry and Tower Restoration Project	The Tabernacle Baptist Church project will stabilize, rehabilitate and restore the National Register of Historic Places-listed building in the heart of the City of Utica.	Parks HPADP	$373,590

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
41298	Oneida	The Fountainhead Group Inc.	Production Expansion	Purchase of new production equipment expanding the companies global market.	ESD EJP	$300,000
41042	Oneida	The Nehemiah Fund LLC	121 Hotel Street Project	Renovate downtown Utica warehouse to a mixed use space with offices and loft style apartments.	ESD Grants	$200,000
41767	Oneida	Town of Annsville	Town of Annsville Taberg Drinking Water System Engineering Report	The Town of Annsville will use $21,850 in CDBG Community Planning funds and $1,150 in local funds to complete an engineering report for the Taberg Drinking Water system.	HCR CDBGCP	$21,850
41854	Oneida	Town of Marcy	Marcy Smart Growth Update and Implementation	Marcy Smart Growth Update and Implementation Project will involve updating the Master Plan and developing new land use regulations for the Town of March in order to address smart growth and sustainable economic development. The project will incorporate the following components: walkable communities; sprawl management; a green stormwater program; green power planning; and the draft zoning and implementation measures required to put the plan in place.	NYSERDA CGC2	$150,000
38993	Oneida	Trenton Technology Inc.	Facility renovation	Renovate existing vacant space for a high-tech company to expand.	ESD Grants	$1,000,000
38993	Oneida	Trenton Technology Inc.	Facility Renovation	Renovate existing vacant space for an high tech company to expand.	ESD EJP	$500,000
42654	Oneida	Utica Zoological Society	Utica Zoo Foundation Project	The Utica Zoo will plan and develop a new marketing campaign focusing on specific components of the Zoo's mission of fostering education, conservation, and recreation throughout NYS. This will be accomplished by developing a multi-platform marketing plan to increase admission to the zoo, therefore increasing traffic to the Mohawk Valley Region.	ESD MNY	$21,450
40138	Oneida	Village of Oriskany Falls	V. Oriskany Falls NYMS 2014	Oriskany Falls will use $250,000 in NYMS Street funds to renovate downtown mixed-use buildings as part of its Downtown Revitalization Program. The Village expects to leverage over $130,000 in private funds.	HCR NYMS	$250,000
40780	Oneida	Village of Vernon	Wastewater Treatment Plant Evaluation	The Village of Vernon will complete an engineering report to evaluate the Village's wastewater treatment plant.	DEC EPGP	$30,000
37964	Oneida, Herkimer, Hamilton	Vincent's Heating and Fuel LLC	Vincent's Pellet Hub	The Vincent's Pellet Hub Project will implement the concept of a 'Pellet Hub' in two phases in the Mohawk Valley and North Country regions. Phase One will include the installation of three 70-ton silos to store pellets and stabilize the market. Phase Two will focus on the installation of pellet boiler systems within eight municipal and commercial buildings, as well as smaller systems for five residential homes. Use of wood pellets replaces fossil fuels with sustainable locally generated wood fuel.	NYSERDA CGC3	$1,337,625
39479	Otsego	City of Oneonta	City of Oneonta Market Street Entertainment District	The City of Oneonta will use $19,000 in CDBG Community Planning funds and $1,000 from the IDA to conduct a market study to determine the demand for an additional hotel and hotel rooms in downtown Oneonta.	HCR CDBGCP	$19,000

Mohawk Valley

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
39476	Otsego	City of Oneonta	City of Oneonta Microenterprise Assistance Program	The City of Oneonta will use $200,000 in NYS CDBG Microenterprise Program funds to assist in the establishment of the Oneonta Microenterprise Assistance Program. The program proposes to assist 7 microenterprises, 3 of which will be owned by low- to moderate-income persons. In addition, the program proposes to create 10 full-time equivalent jobs.	HCR CDBGME	$200,000
42215	Otsego	County of Otsego County Industrial Development Agency	Cooperstown Comprehensive Plan and Revitalization Strategy	Comprehensive Plan and Downtown Revitalization Strategy for the Village of Cooperstown.	ESD SPFS	$58,000
43317	Otsego	Glimmerglass Opera Theatre	Glimmerglass Festival 40th Anniversary Marketing	A 3-pronged programming and marketing initiative, emphasizing the richness of the Glimmerglass setting and regional attributes, is planned for the Festival's 40th Anniversary. These funds will assist specifically with marketing.	Arts CHPG	$64,600
40116	Otsego	National Baseball Hall of Fame and Museum	Collection Digitization	The NBHOF will continue the expansion of the Baseball Hall of Fame's digital marketing campaign by engaging online visitors with meaningful content thereby encouraging visits to Cooperstown and the region, and the preservation of the priceless collection of artifacts in a digital format. The Museum has partnered with Google and will be featured on their Cultural Institute and Hangout platforms allowing fans to virtually connect with the BHOF and interact with baseball celebrities and enthusiasts. This project will complete the digitalization process and further develop the website in an effort to strengthen the newly formed relationship with Google and ensure maximum worldwide exposure.	ESD MNY	$750,000
40621	Otsego	Otsego County	Otsego County Springbrook Residential Facility Improvements	Otsego County will use $400,000 in NYS CDBG funds to make several improvements to the Springbrook community residential facilities. These improvements will address state requirements, improve safety, and address accessibility and energy efficiency issues.	HCR CDBGPF	$400,000
40847	Otsego	State University of New York College at Oneonta	SUNY Oneonta Green Retrofit	The project will install green infrastructure, including bioretention and porous pavement, to manage stormwater runoff from a 21-acre area with a high-density mix of dormitories, classroom buildings, roads, parking lots and lawn surface.	EFC GIGP	$910,000
41286	Otsego	Town of Oneonta	Town of Oneonta Improvements to Southside Water System	The Town of Oneonta will use $600,000 in NYS CDBG funds to construct a municipal water supply and distribution system to serve the Southside Water District 1. The total project cost is $6,000,000 with $5,400,000 from USDA Rural Development and NYS Environmental Facilities Corporation Drinking Water State Revolving Loan Fund.	HCR CDBGPI	$600,000
41998	Otsego	Village of Unadilla	Unadilla Downtown Planning Study	Unadilla will use $20,000 in NYMS-TA funds for its Unadilla Downtown Planning Study. The study will lay the groundwork for downtown revitalization and position it for future building renovation grant funding.	HCR NYMSTA	$20,000

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
40619	Otsego County	Otsego County	Otsego County Rail Yards Development Plan	Otsego County will use $47,500 in CDBG funds and $2,500 in local funds to undertake a development plan for a 200 acre industrial site located in the City of Oneonta known as the Rail Yards.	HCR CDBGCP	$47,500
40615	Otsego County	Otsego County	Otsego County Agricultural Microenterprise Program	Otsego County will use $200,000 in NYS CDBG Microenterprise Program funds to assist in the establishment of the Otsego Agricultural Microenterprise Program. The program proposes to assist 10 microenterprises, 5 of which will be owned by low- to moderate-income persons. In addition, the program proposes to create 8 full-time equivalent jobs. Arts CHPG	$60,000
39726	Albany, Schenectady	Capital Repertory Theatre	Next Act New Play Summit	The Next Act New Play Summit is a new, annual year-long project to create a pipeline between emerging playwrights and the only professional producing theatre in the Capital Region. The Summit begins with a three-day event highlighting the work of the playwrights and culminates with a world premiere theatrical production at Capital Repertory Theatre.	Arts CHPG	$32,200
39730	Albany, Schenectady, Troy	Proctors Theatre	We Are Broadway Promotional Campaign	Proctors will conduct the multi-platform "We Are Broadway" campaign for its presentation of Touring Broadway theatre shows, growing the theatre and arts center as a tourism destination across multiple regions and states in the northeast. These marketing activities showcase the attractions of Schenectady and the Capital Region with an economic impact of over $45 million per year. The marketing campaign consists of television, radio and print advertisements as well as social media, direct mail, and other strategies to engage new patrons.	ESD MNY	$150,000
40443	Columbia	City of Hudson	Stormwater Separation Project	The City of Hudson will use $600,000 in NYS CDBG funding assistance to replace 525 linear feet of 24”-42” sanitary and stormwater lines along Front Street in the City. The total project cost is estimated at $600,000.	HCR CDBGPI	$600,000
39561	Columbia	Columbia County	Hudson North Bay Recreation and Natural Center	The project is to design a recreational and natural trail within walking distance of downtown Hudson on lands that include the former Hudson Landfill.	Parks PADP	$131,250

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
41871	Columbia	Friends of Clermont	Enhance Development Capabilities	The Friends of Clermont will hire a Development and Marketing Associate. This position will enhance the organization's member relations, increase its capacity to develop new funding streams, communicate its activities more effectively, raise awareness and build new audiences.	Arts WIP	$48,000
41347	Columbia	Friends of Taconic State Park	Copake Iron Works Furnace Cornerstones Stabilization	The Friends of Taconic State Park will re-build the four cornerstones of the 19th century blast furnace at Copake Iron Works. The cornerstones will be fabricated to replicate the original cornerstones which were removed after a 1938 hurricane. The replacement of the cornerstones is the last remaining item of a multi-phase program to save this centerpiece of the Copake Iron Works historic site.	Parks HPADP	$50,000
40499	Columbia	Premier Personal Products Corporation	Premier Capital Region Infrastructure Improvements	Purchase of machinery and equipment to install and construct the necessary infrastructure improvements for 5 product lines to bring in-house what is currently outsourced.	ESD Grants	$200,000
40309	Columbia	Shaker Museum and Library	Mount Lebanon Shaker Great Stone Barn Preservation and Tourism Development	The proposed project for the iconic Great Stone Barn at Mount Lebanon, the world's most important Shaker historic site, will be used to reconstruct the ground level flooring, known as the Stable Floor, to permit public access to a monumental 5,200 square-foot open-air space to host museum visitors, tours, special events and programming and make the building accessible for Heritage Tourism.	Parks HPADP	$500,000
43204	Columbia	The Olana Partnership	River Crossing Creative Marketing	Olana and the Thomas Cole National Historic Site are partnering to launch a joint exhibition of contemporary art, entitled "River Crossing". The project's primary goal is to attract new visitors to the region through a comprehensive multi-media marketing plan, and the creation of a documentary film.	ESD MNY	$200,000
41507	Columbia	Town of Ancram	Sewer Study	The Town of Ancram will complete an engineering report to evaluate sewer service to fifty properties in the Hamlet of Ancram.	DEC EPGP	$30,000
39694	Columbia	Town of Germantown	Wastewater Treatment Plant Improvement Project	The Town of Germantown will complete an engineering report to evaluate the Town of Germantown wastewater treatment plant.	DEC EPGP	$30,000
42899	Columbia, Dutchess, Greene	Hudson Opera House	Market Hudson NY	The Hudson Opera House will commission a Visitor Demand Study based on primary market research, to survey frequent travelers and conduct in-depth interviews to assess the needs of the growing tourism market within a 20 mile radius of Hudson and create a plan for developing and promoting the area and region to meet its growing needs.	ESD MNY	$60,000
42432	Columbia, Dutchess, Greene, Putnam, Ulster	Children's Media Project	Mobile Media Lab	The Mobile Media Lab is designed to utilize the creative programming of Children's Media Project and the important community resources of public libraries to serve youth. Youth will gain skills in the art making tools, digital literacy and workforce development while regional librarians gain digital fluency and technological resources to better serve the public.	Arts CHPG	$47,700

Capital Region

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
43238	Columbia, Greene	Thomas Cole Historic House	River Crossing: Contemporary Art at the Thomas Cole Site and Olana	The Thomas Cole National Historic Site and Olana are partnering to present a first-of-its-kind exhibition of contemporary art entitled 'River Crossing'. The curators have selected artists and artworks that illuminate the connections between 19th-century American art and contemporary times and that specifically speak to the historic environments of both sites.	Arts CHPG	$60,000
40688	Columbia, Greene, Rensselaer	Rensselaer-Columbia-Greene Board of Cooperative Educational Services, dba Questar III	Licensed Practical Nurse Training	Rensselaer-Columbia-Greene Board of Cooperative Educational Services dba Questar III will train 55 long-term unemployed workers in Licensed Practical Nursing, including promoting success in professional nursing, human growth and development through the life cycle, community world health/microbiology, pharmacology, anatomy and physiology, fundamentals of nursing, behavioral health, medical-surgical nursing, pediatrics, and obstetrics.	DOL UWT	$99,426
38756	Essex, Fulton, Hamilton, Rensselaer, Saratoga, Warren, Washington	Town of Horicon	Upper Hudson River Watershed Revitalization Plan	The Town of Horicon and the Upper Hudson River Watershed Coalition will prepare a plan to improve water quality and promote revitalization in the Upper Hudson River Watershed. The Plan will develop strategies to protect waterways, natural resources, and agriculture to promote tourism and a strong economy that attracts residents, visitors and businesses vital to Upstate New York.	DOS LWRP	$255,500
42248	Essex, Warren, Washington	Village of Lake George	Watershed Management Priority Action Plan Implementation	The Village will advance the Plan for the Future of the Lake George. Projects include quantifying the value of Lake George as an economic engine to the region and state and studying the effectiveness of the West Brook storm water management demonstration project.	DOS LWRP	$535,250
41626	Fulton, Montgomery, Schenectady, Saratoga, Rensselaer	City of Schenectady	The Shared Code Enforcement Information Resource Pilot Project - Leveraging Cross City Collaborations to Fight Blight	The Cities of Schenectady, Amsterdam, Troy and Gloversville will pilot a shared regional code-enforcement repository. The project will determine what data is most critical to share across governments; build on systems already in place; and implement the most appropriate platform from which to share this data.	DOS LGE	$558,002
40813	Greene	Field Goods, LLC	Local Food Distribution Expansion	Construction of a new facility adjacent to existing facility to help expand the distribution of fresh local food.	ESD Grants	$100,000
40974	Greene	Greene County	Assistance to Zoom Flume Water Park, LLC	Greene County will use $50,000 in NYS CDBG Economic Development funds to assist in the expansion of Zoom Flume Water Park, LLC. The project proposes the creation of 8 full-time equivalent jobs, of which 5 full-time equivalent jobs will benefit low- and moderate-income New Yorkers.	HCR CDBGED	$50,000
39625	Greene	Greene County	Microenterprise Assistance Program	Greene County will use $200,000 in NYS CDBG Microenterprise Program funds to assist in the establishment of the Greene County Microenterprise Assistance Program. The program proposes to assist 8 microenterprises, 5 of which will be owned by low- to moderate-income persons. In addition, the program proposes to create 11 full-time equivalent jobs.	HCR CDBGME	$200,000

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
38640	Greene	Greene County Council on the Arts	Mainly Greene American Masquerade	The Catskill Mountain Foundation, Greene County Council on the Arts, Masters on Main Street, the Prattsville Art Center & Residency and the Zadock Pratt Museum will partner to create "American Masquerade" bringing residents from Catskill Mountain towns together with hundreds of visual and performing artists in a yearlong project exploring connections between masked identity through regional history, music, and contemporary art.	Arts CHPG	$60,000
38891	Greene	Greene County Economic Development Tourism and Planning	Infrastructure Inventory and Development Project	Inventory and map all existing water and wastewater treatment districts in the County. Total system capacity for economic development purposes will be catalogued.	ESD SPFS	$37,500
38854	Greene	Town of Prattsville	Hurricane Irene Storm Recovery Program	The Town of Prattsville will advance priority projects from its NY Rising and Long Term Community Recovery plans by designing and constructing Phase 2 of the Schoharie Creekside Trail by extending the trail to connect with the Historic Arnold House and Big Loop trail network, building local capacity through staff support to create a more resilient and revitalized community.	DOS LWRP	$231,000
39622	Greene	Windham Area Recreation Foundation	Windham Mountain Bike World Cup	Windham Area Recreation Foundation will complete the development of a comprehensive promotion and marketing plan for the 2015 Windham Mountain Bike World Cup, an event that is part of the most elite bike series in the world. The goal of the project is to increase participation by international elite riders and US amateur riders, expo and vendor participants, and spectators in 2015. Increased attendance to the event will help to strengthen the Windham region and all of New York as a premier cycling destination by improving awareness of the region.	ESD MNY	$247,875
39282	Rensselaer	Castleton Paperboard LLC	New Production Facility	Development of a state-of-the-art light weight high performance recycled paperboard mill on a tax foreclosed brownfield site.	ESD EJP	$500,000
41631	Rensselaer	City of Rensselaer	Kiliaen's Landing	Kiliaen's Landings, an 18-acre site located on the Hudson River, is the subject of a Market Study and Master Plan for redevelopment. The Plan will incorporate LEED for Neighborhood Development guidelines and include mixed use development, water management, and green technologies to create a sustainable, economically viable regional destination. This Project will not only result in sustainable economic development, but is expected to create jobs and attract investment into the area.	NYSERDA CGC2	$187,500
40807	Rensselaer	City of Troy	Riverfront Park North Riverwalk	The City of Troy will provide continuous waterfront access behind the Dinosaur Bar-B-Que Restaurant along the Hudson River by designing and constructing a walkway extending public access from Riverfront Park north to the marina district.	DOS LWRP	$214,560

Capital Region

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
43403	Rensselaer	Contemporary Artists Center	Strengthen Organizational Leadership	The Contemporary Artists Center will expand its Executive Director position from a part-time contractor to a full-time, salaried staff member. The core responsibilities include leadership, management, fundraising, marketing, programming, financial oversight and board support among others.	Arts WIP	$49,500
41133	Rensselaer	Ithos Global, Inc.	Information Technology Training	Ithos Global, Inc. of Troy will provide on-the-job training to 3 newly-hired workers in professional sales for information technology implementation for account executives.	DOL NHT	$15,000
41409	Rensselaer	Media Alliance, Inc.	Green Screen Troy Employment Training	"Green Screen Troy" is a community arts, education, training and employment initiative to bring teenagers and creative professionals together on multi-media projects addressing neighborhood development and environmental issues in North Central Troy.	Arts CHPG	$45,000
42397	Rensselaer	Monument Square, LLC	Troy Waterfront Farmers Market Mixed Use Development	Construction of a mixed use facility on the site of the former Troy City Hall. The Phase I facility will include retail, residential and a public plaza combined with a farmer's market.	ESD Grants	$1,500,000
39046	Rensselaer	Town of Hoosick	Facility Improvements	The Town of Hoosick will rehabilitate the regional community pool's 50-year-old bathhouse and filtration system located in the Village of Hoosick Falls. It is the second and final phase of investment in the renovation. The rehabilitation project will provide proper access for people with mobility challenges, and safe and sanitary conditions for over 200 daily users.	Parks PADP	$123,625
41130	Rensselaer	Village of Castleton-on-Hudson	Inflow and Infiltration Study	The Village of Castleton-on-Hudson will complete an engineering report to identify sources of inflow and infiltration to the Village's sewer system.	DEC EPGP	$30,000
41427	Saratoga	Roosevelt Baths	Roosevelt Baths Green Parking Lot Retrofit	The project will incorporate porous pavement into two parking lots which currently drain directly into Geyser Creek. This will reduce erosion and pollution entering a DEC-designated trout stream.	EFC GIGP	$212,000
39486	Saratoga	Town of Stillwater	Historic Saratoga Battlefield Champlain Canal Connector Trail	The Historic Saratoga Battlefield Champlain Canal Connector Project represents the connection of a comprehensive trail network by the Town of Stillwater supported by the Stillwater Trail Feasibility Study, Saratoga National Historic Park, the Open Space Institute and Saratoga County. This 1.13 mile trail segment connects the Town of Stillwater's trail system to the south, with the Battlefield Park trail system to the west, and the Old Champlain Canal trail system to the north.	Canals	$98,943

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
39486	Saratoga	Town of Stillwater	Historic Saratoga Battlefield Champlain Canal Connector Trail	This 1.13 mile trail segment will connect the Town of Stillwater's trail system to the south, with the Battlefield Park trail system to the west, and the Old Champlain Canal trail system to the north. The trail begins at the Phillips Road entrance in the park and continues northward along a grass-covered, poorly maintained, earthen trail known as the Old Champlain Canal Towpath. The current trail route needs to be safer for multi-purpose non-motorized use, constructed in similar fashion to the trail systems it will connect.	Parks PADP	$98,942
42931	Saratoga	Town of Waterford	Waterford Canal Harbor Visitor Center Rehabilitation Project Phase II	Canal Harbor Visitor Center Upgrades	Canals	$71,400
41300	Saratoga	Village of South Glens Falls	Wastewater Engineering Study	The Village of South Glens Falls will complete an engineering report to identify sources of inflow and infiltration in the Village's sanitary sewer system.	DEC EPGP	$30,000
43429	Saratoga	Yankee Distillers LLC	New Craft Distillery	Renovation of an existing facility and machinery and equipment to establish a new craft distillery producing aged spirits from 100% local farm products.	ESD EJP	$35,000
39626	Saratoga County	Village of Corinth	Sewer Improvements	The Village of Corinth will use $600,000 in NYS CDBG funds to replace 8,450 linear feet of failing sewers, manholes along three residential streets in the Village. The total project cost is $790,000 and includes $190,000 in local funds.	HCR CDBGPI	$600,000
38885	Saratoga, Warren	Warren County	First Wilderness Plan Implementation 2014	Warren County will advance priorities from the First Wilderness Heritage Corridor Action Plan to promote regional tourism development in the Upper Hudson River and Adirondack Park. Projects include a feasibility study of extending scenic rail service; conceptual plans for access improvements in Chester and Corinth; replacement of water lines and completion of a feasibility study of a sewer district in North Creek; and design of the Stony Creek community center.	DOS LWRP	$410,450
39242	Schenectady	City of Schenectady	Schenectady Gateway Park	The reconstruction of Schenectady's Gateway Park, increases safety and access to a critical public transportation hub, implements green infrastructure improvements, and creates an important flood retention area. Studies have identified the Park's redevelopment as critical to revitalizing Lower State Street, flood water management concerns, and new economic investment/revitalization.	Parks HAS	$400,000
41414	Schenectady	MigrateAmerica, Inc.	Office Operations Training	MigrateAmerica, Inc. of Schenectady will provide on-the-job training to 20 newly-hired workers in human resource management, recruitment and training, performance evaluations, payroll management, time tracking, payroll systems, payroll legal requirements, business management, administration, presentations, information technology support, accounting, bookkeeping, financial reporting and accounting software.	DOL NHT	$100,000

Capital Region

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
41792	Schenectady	New York Folklore Society	Increase Public Awareness & Participation	The New York Folklore Society will hire a part-time Arts Marketing and Development Associate. The new position will work in conjunction with New York Folklore Society staff to develop a messaging strategy and marketing materials that will increase public awareness and participation in its programs and services to the field.	Arts WIP	$49,500
39942	Schenectady	Proctors Theatre	21st Century Cinema Project	Proctors will purchase a digital cinema projector, computer server and related hardware, to deliver and project feature films, livecasts and other motion picture productions. It will allow Proctors to serve new sectors of the public while continuing to support the art of cinema by presenting diverse new and classic works at affordable prices.	Arts APCE	$39,000

39292	Suffolk	Town of Southampton	Hampton Bays Downtown Revitalization Construction of Good Ground Park	The project will develop Good Ground Park on a 36.2-acre Town-owned parcel in the Hampton Bays central business district (CBD). The park is the key element in an ongoing downtown revitalization effort and is envisioned as the downtown anchor that will increase economic activity and livability within the CBD. NYS OPRHP funds will be used for the construction and development of an amphitheater, site preparation and landscaping.	Parks PADP	$500,000

Long Island

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
40715	Suffolk	United Way of Long Island	VETSBUILD Program	VETSBUILD will provide training and support services for military veterans over two years. Participants will be trained for green collar employment opportunities in energy efficiency, renewables, weatherization, Energy-Star construction, home performance, HVAC and home restoration.	DOS CSBG	$200,000
39727	Suffolk	Town of Smithtown	Indoor Organic Waste Processing Facility code amendments	The Indoor Organic Waste Processing Facility code amendments project will create ordinance amendments that permit indoor organic waste processing facilities in the Town of Smithtown. The project will identify potential community and environment impacts to ensure the drafted regulations protect the health, safety, and welfare of the community. Waste processing costs will be reduced and air quality will be improved by reducing truck transport of waste.	NYSERDA CGC2	$187,500
		Excelsior Jobs Credits		Excelsior Jobs Program tax Credits will be reserved for future projects including business investments in targeted industries that are within the region and that create or retain jobs, create capital investment and are consistent with the Strategic Plan.	ESD EJP	$4,002,238
		Low Cost Economic Development Financing		Federal Industrial Development Bond (IDB) Cap will be made available for state and local government issuers to sell tax-exempt bonds for eligible economic development, infrastructure and community revitalization efforts.	ESD IDBC	$35,000,000
