# 2016 Program Descriptions

| Program | Program Description | Type of Funding | Resources Available |
|---|---|---|---|
| | New York State Council on the Arts (Arts) | | |
| Arts Grant Program (Arts CHPG I; CHPG P; WIP) | Funds are available for arts and culture initiatives to eligible non-profit and local units of government. This Local Assistance support is provided under Article 3 of NYS Arts and Cultural Affairs Law for the planning, presentation and staffing of the performing, literary and visual arts that encourage broader participation and public interest in the cultural heritage of NY State and promotes tourism and economic development. Funding Programs: Arts, Culture, Heritage New Initiatives - Planning (CHPG P); Arts, Culture, Heritage New Initiatives – Implementation (CHPG I); Workforce Investment (WIP) | Grant | Up to $5 million |
| | NYS Canal Corporation (Canals) | | |
| Canalway Matching Grant Program (Canals) | The Canalway Grants Program is a competitive matching grant program available to eligible municipalities and 501(c)(3) non-profit organizations along the New York State Canal System. Funding is for capital projects that enhance economic and community development along the canal corridor and are consistent with the goals of the Regional Economic Development Council Plans. | Grant | Up to $1 million |
| | Department of Environmental Conservation (DEC) | | |
| DEC/EFC Wastewater Infrastructure Engineering Planning Grant Program (DEC EPG) | The New York State Department of Environmental Conservation (DEC), in conjunction with the New York State Environmental Facilities Corporation (EFC), offered grants to municipalities to help pay for the initial planning of eligible Clean Water State Revolving Fund (CWSRF) water quality projects. Up to $2 million has been made available for this round of the Wastewater Infrastructure Engineering Planning Grant (EPG) program. Grants will assist municipalities facing economic hardship with the engineering and planning costs of CWSRF-eligible water quality projects. | Grant | Up to $2 million |
| Water Quality Improvement Project Program (DEC WQIP) | The Water Quality Improvement Project (WQIP) program is a competitive, statewide reimbursement grant program open to local governments and not-for-profit corporations for projects that directly address documented water quality impairments. Projects eligible under the Water Quality Improvement Program include: municipal wastewater treatment; municipal separate storm sewer systems; polluted runoff abatement and control from non-farm sources; and aquatic habitat restoration. | Grant | Up to $25 million |
| Climate Smart Communities Program (DEC CSC) | The Climate Smart Communities (CSC) program, funded under Title 15 of the Environmental Protection Fund, is a competitive grant program awarding 50/50 matching grants to eligible municipalities to implement climate adaptation and mitigation projects across the state. Projects eligible under the CSC Grants Program include: flood risk reduction, especially with natural resiliency measures; adaptation of climate-vulnerable facilities and natural systems; reduction of greenhouse gas emissions from transportation and food waste; and projects undertaking assessments and inventories necessary for Climate Smart Communities Certification. | Grant | Up to $11 million |
| | Department of Labor (DOL) | | |
| Workforce Development Grants (DOL EET, NHT, SPT, UWT) | Grant funding is available to for-profit and not-for-profit businesses, training providers, and Local Workforce Development Boards to upgrade the skills of the workforce. Under Existing Employee Training (EET), current employees in low- and middle-skills positions will receive classroom-based occupational skills training to retain or gain middle-skills occupations. Under New Hire Training (NHT), dislocated workers will be hired and receive on-the-job training to perform their required job duties. Under both Unemployed Worker Training (UWT) and Special Populations Training (SPT), dislocated workers will receive classroom-based occupational skills training for positions that are open in the region, with a commitment from businesses to interview individuals who successfully complete the training. The SPT Program will specifically focus on training individuals with barriers to employment. | Grant | Up to $5 million |
| | Department of State (DOS) | | |
| Local Government Efficiency Grants (DOS LGE) | The Local Government Efficiency (LGE) Grant program assists local leaders identify best practices and implement actions focused on reducing municipal expenditures, limiting the growth in property taxes and increasing efficiencies in service delivery. Projects can include local government reorganization, functional or service delivery consolidation, cooperative service agreements, and establishment of regional service delivery mechanisms. | Grant | Up to $4 million |

| Program | Program Description | Type of Funding | Resources Available |
|---|---|---|---|
| Local Waterfront Revitalization Program (DOS LWRP) | The Department of State's Local Waterfront Revitalization Program (LWRP), funded under Title 11 of the Environmental Protection Fund, provides 50:50 matching grants on a competitive basis to eligible villages, towns, cities, and counties located along New York's coasts or designated inland waterways to revitalize communities and waterfronts through planning, design, and construction projects. Grant categories include preparing or implementing a LWRP; updating an LWRP to mitigate future physical climate risks; redeveloping hamlets, downtowns and urban waterfronts; planning or constructing land and water-based trails; preparing or implementing a lakewide or watershed revitalization plan; implementing a community resilience strategy; and celebrating the bicentennial of the Erie Canal - improving public waterfront access for canal communities. | Grant | Up to $19.5 million |
| | Environmental Facilities Corporation (EFC) | | |
| Green Innovation Grant Program (EFC GIGP) | The Green Innovation Grant Program (GIGP) provides grants on a competitive basis to projects that improve water quality and demonstrate green stormwater infrastructure in New York. GIGP is administered by NYS Environmental Facilities Corporation (EFC) through the Clean Water State Revolving Fund (CWSRF) and is funded with a grant from the US Environmental Protection Agency (EPA). | Federal Grant | Up to $10 million |
| | Empire State Development (ESD) | | |
| Excelsior Jobs Program (ESD EJP) | Refundable tax credits are available for strategic businesses such as high tech, bio-tech, clean-tech and manufacturing that create or retain jobs or make significant capital investments. Businesses meeting the eligibility criteria may apply for assistance at locations throughout New York State. | Tax Credit | Up to $70 million |
| ESD Grant Funds (ESD Grants) | ESD has several grant programs that together make available $175 million of capital grant funding for the Regional Economic Development Council Initiative. Capital grant funding is available for capital-based economic development projects intended to create or retain jobs; prevent, reduce or eliminate unemployment and underemployment; and/or increase business or economic activity in a community or Region. | Grant | Up to $175 million |
| Market New York (ESD MNY) | Market New York is a grant program established to strengthen tourism and attract visitors to New York State by promoting destinations, attractions and special events. Funding is available for tourism marketing initiatives, capital/construction projects and the recruitment and/or execution of meetings, conferences, conventions, festivals, athletic competitions and consumer and industry trade shows. | Grant | Up to $13.5 million |
| Business Incubator and Innovation Hot Spot Program (ESD BIHSP I, BIHSP HS) | Designated NYS Certified Business Incubators and Innovation Hot Spots will be eligible for operating grants from ESD for five years. Designation as a NYS Certified Incubator increases the ability for the incubator to support additional programming, deliver incubation best practices to their client companies and be a part of the regional and multi-regional ecosystem to help client companies succeed in the market place. Designation as an Innovation Hot Spot brings another benefit for the start-up companies within the Hot Spot. These companies will be eligible for state income and sales tax benefits for a period of five years. | Grant | Up to $2.5 million |
| Strategic Planning and Feasibility Study Project Grants (ESD SPFS) | ESD's Urban and Community Development Program promotes economic development in the State of New York by encouraging economic and employment opportunities and stimulating development of communities and urban areas. Total program funding of up to $1 million is available for working capital grants of up to $100,000 each to support 1) strategic development plans for a city, county, or municipality or a significant part thereof and 2) feasibility studies for site(s) or facility(ies) assessment and planning. Projects should focus on economic development purposes, and preference shall be given to projects located in highly distressed communities. | Grant | Up to $1 million |

| Program | Program Description | Type of Funding | Resources Available |
|---|---|---|---|
| | Homes and Community Renewal, Office of Community Renewal (HCR and HCR/OCR) | | |
| New York State Community Development Block Grant Program (HCR CDBG) | The Community Development Block Grant (CDBG) Program is a federally funded program authorized by Title I of the Housing and Community Development Act of 1974. The CDBG Program is administered by the Office of Community Renewal (OCR) under the direction of the New York State Housing Trust Fund Corporation (HTFC). NYS CDBG funds provide eligible small communities and non-urban counties in New York State with an opportunity to undertake activities that focus on community development needs such as creating or expanding job opportunities, providing safe affordable housing, and/or addressing local public infrastructure and public facilities issues. The primary statutory objective of the CDBG program is to develop viable communities by providing decent housing and a suitable living environment by expanding economic opportunities, principally for persons of low and moderate income. Three CDBG program applications were available for the 2016 annual CFA Round: Microenterprise, Public Infrastructure/ Public Facilities, and Community Planning and two programs were made available in open round applications: Economic Development and Small Business. | Grant | Up to $25 million |
| New York Main Street Program (HCR NYMS) | The New York Main Street (NYMS) program was formally established in Article 26 of New York State Private Housing Finance Law. The NYMS program is administered by the Office of Community Renewal (OCR) under the direction of the Housing Trust Fund Corporation (HTFC). NYMS funds are awarded to units of local government and not-for-profit organizations that are committed to revitalizing historic downtowns, mixed-use neighborhood commercial districts, and village centers. NYMS grants are available for targeted improvements such as facade renovations, interior commercial and residential building renovations, and streetscape enhancement projects. Traditional NYMS program grants were made available for the 2016 annual CFA Round and NYMS Technical Assistance (NYMS-TA) funds were made available in an open round application. | Grant | Up to $5 million |
| | Office of Parks, Recreation and Historic Preservation (Parks) | | |
| EPF Municipal Grants (OPRHP: PKS: A/P/D; HP: A/P/D; HAS: A/P/D; HP: A/P/D) | The Environmental Protection Fund Grants Program for Parks, Preservation and Heritage (EPF) provides matching grants on a competitive basis for the acquisition (A), planning (P), and development (D), of parks, historic properties, and heritage areas located within the physical boundaries of the State of New York. Parks (PKS) is for the acquisition, development and planning of parks and recreational facilities to preserve, rehabilitate or restore lands, waters or structures for park, recreation or conservation purposes and for structural assessments and/or planning for such projects. Historic Preservation (HP) is to acquire, improve, protect, preserve, rehabilitate or restore properties listed on the State or National Register of Historic Places and for structural assessments and/or planning for such projects. Heritage Areas (HAS) is for projects to acquire, preserve, rehabilitate or restore lands, waters or structures identified in the approved management plans for Heritage Areas designated under section 35.03 of the Parks, Recreation and Historic Preservation Law, and for structural assessments or planning for such projects. | Grant | Up to $20 million |
| | New York State Energy Research and Development Authority (NYSERDA) | | |
| Energy Efficiency Programs | NYSERDA's Commercial and Industrial (C&I) programs offer businesses in New York State solutions to improve energy efficiency and save money through design, new construction, renovation, and process improvements to commercial and industrial buildings. The Commercial New Construction Program and the Commercial Implementation Assistance Program can help building owners make informed decisions about designing and renovating sustainable buildings. The FlexTech Program offers energy-saving opportunities through consultation and cost-shared studies. The Industrial and Process Efficiency Program can help organizations increase manufacturing output and data processing efficiency. | Incentive | Up to $60 million |
| | Industrial Development Bond Cap (IDB CAP) | | |
| Industrial Development Bond Cap (IDB Cap) | Up to $300 million from the Federal IDB Cap allocation will be available for State and local government issuers to sell tax exempt bonds for private projects that demonstrate a public purpose. | Tax Exempt Bond | Up to $300 million |

# WESTERN NEW YORK

## $62.0 million awarded to 105 projects

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 66322 | Allegany | Town of Almond | Town of Almond Salt Shed | The Town of Almond will construct a salt/ sand storage facility at the Town Highway Department facility. The project will eliminate runoff to groundwater and Karr Valley Creek. | DEC WQIP NPS | $331,950 |
| 65139 | Allegany | Town of Belfast | Town of Belfast Water System Study | Funds will be used to complete an engineering analysis and plan for a drinking water extension/rehabilitation and an asset management evaluation of the drinking water system. | HCR CDBGCP | $50,000 |
| 64995 | Allegany | Town of Canaedea | Caneadea Park Improvements | The Town of Caneadea, located in northwest Allegany County will develop the newly acquired property previously owned by Houghton College and turn the property into a viable Town Park. The 20-acre parcel of property now known as Caneadea Town Park extends along New York State Route 19 on the bank of the Genesee River. This plan will incorporate an entry sign, a trail system, picnic tables, grills, ADA compliant playground equipment and landscaping. | OPRHP PKS D | $107,654 |
| 65718 | Allegany | Village of Wellsville | Burrous Building Stabilization and Redevelopment | The Village of Wellsville will assist in the renovation of the former Burrous Furniture Building, an iconic building located in the Village's downtown. | HCR NYMS | $500,000 |
| 65718 | Allegany | Village of Wellsville | Burrous Building Stabilization and Redevelopment | The Village of Wellsville will stabilize and restore the historic Burrous Building into a mixed-use commercial, retail and housing anchor in the downtown core. | ESD Grants | $1,000,000 |
| 65167 | Allegany, Cattaraugus, Chautauqua, Erie, Niagara | Olmsted Center for Sight | National Statler Center- Career Training for the Blind and Visually Impaired | Elizabeth Pierce Olmstead M.D. Center for the Visually Impaired will provide training to twelve blind and visually impaired chronically un- or under-employed individuals between the ages of 18 and 35 with occupational training and placement assistance in the high need, high demand field of telecommunications. | DOL SPT | $100,000 |
| 66999 | Cattaraugus | Cattaraugus Community Action, Inc. | Food for Thought Program | Cattaraugus Community Action, Inc. (CCA) will provide job training through the Food for Thought (FFT) program, a culinary arts training program. FFT participants will engage in a blend of classroom based learning and hands-on instruction in culinary arts. | DOL SPT | $37,800 |
| 65900 | Cattaraugus | City of Olean | Downtown Olean Farmers Market | The City of Olean will place a public market on two currently vacant downtown parcels including a permanent kiosk structure and comfort facilities. Permanent liner kiosks will form a walkable streetscape that will close the gap between N. Union and the Mall and create a hub for activity. Both kiosk facility sites will be made available to farmers and artisans. | ESD Grants | $220,000 |

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 66593 | Cattaraugus | City of Olean | BOA Downtown Redevelopment | The City of Olean will use these funds for the construction of public infrastructure improvements including two new roundabouts on Main Street with added bike lanes and new sidewalks to service future housing and commercial development. Funds will also be used for the environmental abatement and demolition of a former DPW facility to facilitate new commercial redevelopment near the downtown. | ESD Grants | $400,000 |
| 67027 | Cattaraugus | City of Olean | Allegheny River Canoe Kayak Launch Project | Grant funds will be used to support the "paddle trail" project which will consist of purchasing and installing two portable launches (one ADA compliant) in strategic locations that would expand recreational opportunities and support the idea of being part of a regional system of launches along the Allegheny River. | ESD MNY | $44,600 |
| 66647 | Cattaraugus | Edelweiss Dairy, LLC | Edelweiss Dairy Facility Expansion | Edelweiss Dairy Farm will replace its existing Freedom Farm facility with a new 2,400 cow facility with improved high efficiency LED lighting, VSD controlled ventilation fans, compressors, chillers and heat exchanges. | ESD Grants | $1,000,000 |
| 66752 | Cattaraugus | Ellicottville Brewing Company | Ellicottville Brewing Company Expansion in Little Valley | Ellicottville Brewing Company will convert a former warehouse in downtown Little Valley into a commercial brewing and bottling facility for the company's growing domestic and international market. The location will also attract tourists to a new craft beer museum. | ESD Grants | $600,000 |
| 63959 | Cattaraugus | Gowanda's Historic Hollywood Theater, Ltd. | Hollywood Theater Restoration | This is a multi-phase restoration of the 1926 Hollywood Theater, located in the Gowanda Village Historic District. Work will include plaster, seating and balcony restoration. The re-opening of the historic theater will create jobs, encourage heritage tourism and give local business owners an opportunity to capitalize on this unique historic asset. | OPRHP HP D | $498,750 |
| 67805 | Cattaraugus | Sempreverde Development, LLC | Allegany State Park Lodging Improvement | New ADA-compliant, one-bedroom cottages with bathrooms and kitchens will be constructed at Allegany State Park to improve the lodging experience and attract additional visitors to the park. | ESD Grants | $120,000 |
| 67275 | Cattaraugus, Erie, Niagara | Burchfield Penney Art Center | Cargo | In 2017, the Burchfield Penney Art Center in Buffalo, NY presents the exhibition, Cargo, with performances, workshops, and more. Cargo explores ideas of commodification and value through art and places - including an exploration of the historic, current and future 'value' of the Erie Canal itself. | Arts CHPG I | $27,000 |
| 66585 | Cattaraugus, Erie, Niagara | University at Buffalo | NYS Arts and Crafts Alliance | The Buffalo region is the historical home of the American Art and Crafts Movement. Beginning with the 150th anniversary of Frank Lloyd Wright's birth on June 6th, 2017, the University at Buffalo will highlight the Buffalo School's unrivaled concentration of great design. | Arts CHPG P | $49,000 |
| 66166 | Chautauqua | Chautauqua County Dept of Planning and Economic Development | Marketing Chautauqua Countys Overland Trails | Funds will be used to promote and increase the usage of existing trails, including the County-owned Overland Trails through a strategic branding and marketing initiative. | ESD MNY | $16,945 |

# Western New York

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 65164 | Chautauqua | Chautauqua County Rural Ministry, Inc. | Coburn Block Development | This project will renovate and improve an existing but partially collapsed building constructed in 1868 in downtown Dunkirk for the purpose of expanded employment training close to residents and employers. | ESD Grants | $75,000 |
| 65276 | Chautauqua | Chautauqua County Soil and Water Conservation District | Chautauqua County Highway Erosion Control | The Chautauqua County Soil and Water Conservation District will purchase stabilization and hydroseeding materials to be used for ditch stabilization throughout the County. The project will reduce sediment and nutrients entering County waterbodies. | DEC WQIP NPS | $94,200 |
| 65795 | Chautauqua | Chautauqua County Soil and Water Conservation District | Silver Creek Rehabilitation | The Chautauqua County Soil and Water Conservation District will assist the Village of Silver Creek in removing a dam on Silver Creek in the Town of Hanover and rehabilitate the stream. The project will promote the movement of aquatic species by opening up the stream channel and restoring access to higher reaches of Silver Creek. | DEC WQIP AHR | $217,000 |
| 64020 | Chautauqua | Chautauqua Home Rehabilitation and Improvement Corporation | Brocton Main Street | Chautauqua Home Rehabilitation and Improvement Corporation will assist in the renovation of commercial spaces and apartments in the Village of Brocton's downtown business district. | HCR NYMS | $242,235 |
| 65756 | Chautauqua | City of Dunkirk | Comprehensive Plan Update | The City of Dunkirk will update its comprehensive plan. The City will build upon the Northern Chautauqua County Local Waterfront Revitalization Program by expanding the study area to include the entire City and will address transportation, land use, housing, parks and recreation, public access and facilities, historic preservation, tourism, and economic development. | DOS LWRP | $45,000 |
| 65456 | Chautauqua | City of Jamestown | Tracy Plaza Green Renovations | The City of Jamestown will use green infrastructure to rehabilitate Tracy Plaza, an elevated plaza downtown, to revitalize the arts and culture. The City will install planters, a large-scale green roof system, and a cistern to collect rainfall from the plaza. Harvested rainwater will be used to wash fire trucks and fill their tanks, as well as for watering the green roof during dry periods. | EFC GIGP | $1,480,000 |
| 63782 | Chautauqua | Concord Grape Belt Heritage Association | Grape Discovery Center Museum Culinary and Visitor Center Expansion | Phase 3 of the Grape Discover Center involves the renovation and installation of mechanical systems for a new learning and event space that will host conferences, banquets, live theater and art exhibits, with a new kitchen and facilities for outside for catering. | ESD Grants | $135,000 |
| 63629 | Chautauqua | Jamestown Renaissance Corporation | Downtown Jamestown Winter Garden Plaza Phase II | After 20 years of abandonment and decay in downtown Jamestown, the Winter Garden Theater was demolished in 2010 and replaced with a park in 2011. Winter Garden Plaza Phase II, will complete the build-out of the plaza and will include a fabric-covered tensile structure, landscaping, benches and bike racks. | OPRHP PKS D | $111,297 |
| 66358 | Chautauqua | Libera, Inc. | Employee Enhancement Project | Libera, Inc.'s Employee Enhancement Project will implement a phased approach for enhancing the knowledge and skills of staff members for this growing software development company. Training will provide existing staff with new information and skills to enable them to progress into new positions within the company. | DOL NHT | $40,510 |

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 64478 | Chautauqua | National Comedy Center | National Comedy Center Gap Funding | Funding will support the development of The National Comedy Center campus in downtown Jamestown consisting of two physically connected buildings, an exterior screening area and adjacent Comedy Park. | ESD Grants | $600,000 |
| 64711 | Chautauqua | National Comedy Center | National Comedy Center Tourism Capital | Grant funds will be used for upgrades at the National Comedy Center for the purchase and installation of two large digital screens on the entrance building, and the purchase and installation of the Hologram Theater Projection System. These upgrades provide a strategic PR opportunity to create national publicity and increase visitation to the region. | ESD MNY | $234,000 |
| 65067 | Chautauqua | Northern Chautauqua Community Foundation | Northern Chautauqua County Economic Development Strategy | Northern Chautauqua County will develop a strategic economic development plan to identify and prioritize projects and funding needs. | ESD SPFS | $40,000 |
| 65449 | Chautauqua | TimberFish | Westfield TimberFish Technology Demonstration Project | This project will construct a facility that employs TimberFish Technology (TFT), which is an innovative approach to producing food and energy. The process mimics the natural food chain by using underutilized biomass and nutrients to grow contaminant-free seafood and produce bioenergy. | ESD Grants | $100,000 |
| 66629 | Chautauqua | Town of Ellicott | Collection System Study | The Town of Ellicott will complete an engineering study to develop options for the extension of public sewer and investigate possible improvements needed in the City of Jamestown to accommodate the proposed increase flow. | DEC EPG | $30,000 |
| 67697 | Chautauqua | Town of Portland | Chautauqua County Regional Water Project | The Towns of Portland, Pomfret, Dunkirk, and Sheridan, and the Village of Brocton, will establish the Joint Water Operations Department, consolidating labor and equipment to operate all of the current independent systems. The project will also include the following: purchase of leak detection equipment, purchase of GIS Survey Equipment, purchase of billing software that will be compatible will all of the various meter types and reading equipment, staff training, and leak repair. | DOS LGE | $270,000 |
| 67206 | Chautauqua | Town of Ripley | Ripley Main Street Revitalization Plan Development | The Ripley Main Street Revitalization Plan Development Project will explore and identify projects that will preserve and develop the Downtown in a manner that maintains and enhances the cultural strengths and heritage of the community. | Arts CHPG P | $36,000 |
| 67975 | Chautauqua | Village of Celoron | Lucille Ball Memorial Park Improvements - Phase II Construction | The Village of Celoron will construct public access and recreation improvements to Lucille Ball Memorial Park on Chautauqua Lake. Improvements will include soil stabilization, a new breakwall, waterfront trail and kayak/canoe launch. | DOS LWRP | $354,220 |

## Western New York

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 62587 | Chautauqua | Village of Fredonia | Fredonia Barker Commons Project | Barker Commons is the central feature of the Fredonia Commons Historic District. Improvements will initiate the development of a multi-phased/systematic plan to update the park making it more attractive for programming & visitors. Improvements to the Commons that the proposed grant will provide will include metal fencing along all 8 sides, landscaping, pedestrian ramps, replacement of concrete walkways, updates to lighting fixtures and the two historic water fountains, and gateway monuments. | OPRHP PKS D | $310,544 |
| 62587 | Chautauqua | Village of Fredonia | Fredonia Barker Commons Project | The Village of Fredonia will make improvements to Barker Commons, the central feature of the Fredonia Commons Historic District, which includes safe pedestrian access, gateway elements, new landscaping and walkways, updates to lighting fixtures and rehabilitation of two historic water fountains. | ESD Grants | $14,950 |
| 68008 | Chautauqua | Village of Lakewood | Village of Lakewood, Town of Busti Stormwater Management Engineering Study | The Village of Lakewood will complete an engineering report to assess current stormwater infrastructure and identify future stormwater projects. | DEC EPG | $100,000 |
| 66527 | Chautauqua | Village of Silver Creek | Sanitary Sewer Evaluation Study Priority 3 Project | The Village of Silver Creek will complete an engineering report to identify sources of inflow and infiltration to the village's wastewater treatment plant. | DEC EPG | $100,000 |
| 67902 | Erie | Alfred State College | Alfred State Opportunity Center | Renovations to the property at 1135 Jefferson Avenue in Buffalo that will include classrooms, computer laboratories and open laboratories used to prepare community residents for career and college educational opportunities. | ESD Grants | $240,000 |
| 67791 | Erie | Buffalo and Erie County Historical Society | Buffalo History Museum West Gallery Restoration | The Buffalo History Museum will reclaim 6,000 square feet of the 1901 Pan Am building by revamping the 2nd floor west gallery into flexible-use space affording new opportunities for changing exhibits and modular galleries. Restoration will embrace original features such as light fixtures, crown molding, Doric columns and arched entryways. The effort will increase yearly admissions revenue, tourist visitation, earned revenue and donations. | ESD Grants | $126,500 |
| 64481 | Erie | Buffalo City School District | Welding Skills Training Project | Buffalo City School District's Public Schools Adult Education Division will work collaboratively with the Department of Labor's Career Centers to provide training in welding skills to unemployed individuals comprised mostly of minority males and veterans. | DOL UWT | $98,750 |
| 67802 | Erie | Buffalo Fine Arts Academy | Fellowship Workforce Expansion | Albright-Knox Art Gallery in Buffalo will hire a Curatorial Fellow. | Arts WIP | $30,000 |
| 65690 | Erie | Buffalo Niagara Medical Campus Inc. | Buffalo Niagara Medical Campus Innovation Incubator | The Buffalo Niagara Medical Campus Innovation Incubator will expand the range of business development programming through an Idea Lab to teach the application of creative thinking to the innovation process. | ESD BIHSP I | $125,000 |

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 66340 | Erie | Center for Employment Opportunities, Inc. | CEO Green | Center for Employment Opportunities will partner with Habitat for Humanity, as part of its Green and Healthy Initiative (GHHI), to provide on-the-job training and transitional employment in home rehabilitation services that meet or exceed national green building certification standards. Program participants will receive training in Green and Healthy careers. | DOL SPT | $98,291 |
| 67374 | Erie | CEPA Gallery | Administrative Workforce Expansion | CEPA Gallery will use REDC Workforce Investment funds to maintain and see its recently created Development Associate position through to self-sustainability. | Arts WIP | $26,500 |
| 65401 | Erie | City of Buffalo | Beverly Gray Business Center | Funds will be used to support the creation of the Beverly Gray Business Exchange Center on Buffalo's east side, a one-stop shop for business assistance support services to small and minority and women-owned enterprises. | ESD Grants | $18,550 |
| 67992 | Erie | City of Buffalo | Niagara Street Gateway - Porter Avenue to Ontario Street Construction | The City of Buffalo, in partnership with the Buffalo Sewer Authority, will construct the portion of the Niagara Street Gateway running from Porter Avenue north to Ontario Street. The project will incorporate green infrastructure and include construction of a cycle track, installation of vegetation, street furniture and wayfinding signage. | DOS LWRP | $4,240,000 |
| 68445 | Erie | City of Buffalo | Allen Street Streetscape Project | The City of Buffalo will construct a pedestrian and bicycle path connecting Washington and Oak Streets on the Buffalo Niagara Medical Campus and Allen Street streetscape improvements such as sidewalk repairs, installation of traffic signals, LED lights and signage and landscaping, including trees and street furniture resulting in increased patronage of area businesses, restaurants and cultural attractions; small business development; and the creation of a better-connected and more pedestrian friendly community. | ESD Grants | $600,000 |
| 67019 | Erie | City of Tonawanda | Docking Facilities Design and Construction | The City of Tonawanda will design and construct docking facilities at four sites along the Niagara River and Ellicott Creek. This project will expand publicly accessible dock facilities allowing residents and visitors to take full advantage of the City's waterfront. | DOS LWRP | $487,380 |
| 66520 | Erie | County of Erie | Buffalo and Erie County Botanical Gardens Restoration | The Buffalo and Erie County Botanical Gardens is located in the Frederick Law Olmstead designed South Park (National Registry). Erie County is seeking assistance to restore and repair the historic greenhouses. The work will include interior and exterior remediation, hazardous materials sampling, testing and abatement, extensive structural work, masonry repairs, aluminum framing replacement, wood restoration and replacement, plaster repairs, painting, window repair and replacement of glazing. | OPRHP PKS D | $500,000 |
| 65473 | Erie | Erie 1 BOCES | Erie 1 Boces High School Welding | The project will increase capacity at Erie 1 BOCES' Kenton Career Technical Center by adding new welding booths and converting current space into welding and light manufacturing labs. | ESD Grants | $25,000 |

# Western New York

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 63761 | Erie | Erie County | Lackawanna Wastewater Treatment Plant Disinfection Improvements | Erie County will design and construct improvements to the disinfection systems at the Lackawanna Wastewater Treatment Plant and the Lackawanna Overflow Retention Facilities to meet the total residual chlorine limits. The project will reduce residual chlorine flowing into Smokes Creek and ultimately Lake Erie. | DEC WQIP WWT | $1,479,000 |
| 63901 | Erie | Erie County | Flow Monitoring, Pilot Enhanced Inflow and Infiltration Remedial Improvements | Erie County will complete an engineering report that will be an enhanced inflow and infiltration study focusing on preconstruction monitoring. | DEC EPG | $100,000 |
| 66086 | Erie | Erie County | Construction of Erie County Correctional Facility Food Waste Composting Site | Erie County will establish a composting process to provide training opportunities and reduce food waste. Work will include planning, design and construction of a small composting area directly on the County-owned site to process food waste and organic waste generated at the facility and in the County. The compost will then be used on-site in a existing facility horticultural program and at other Erie County properties. | DEC CSC | $694,390 |
| 66092 | Erie | Erie County | Erie County Household Hazardous Waste Plan | Erie County will complete a feasibility study for household hazardous waste management in the county, with the goal of increasing resident participation, collection amounts and program efficiencies. The information will be used to develop various Household Hazardous Waste management alternatives for use by Erie County, each assessed for effectiveness and cost efficiencies. | DOS LGE P | $24,000 |
| 67183 | Erie | Erie County | Erie County Climate Smart Communities Certification | Erie County will undertake at least 7 of the 13 Climate Smart Community priority actions with the goal of becoming Bronze Certified. Among other actions, a Natural Resource Inventory will be completed. | DEC CSC C | $99,771 |
| 65910 | Erie | Explore More Childrens Museum | Erie Canal Programming | Explore More will offer 7 educational play zones, including Being Good Neighbors, which focuses on cultures through the eyes of Buffalo's immigrants. The Museum will develop a 2-year plan for cultural programming for this zone, and to pilot 9 cultural programs in the existing Museum in 2017. | Arts CHPG P | $23,500 |
| 68617 | Erie | First Presbyterian Society of the Town of Buffalo | E.B. Green Tower Restoration Preserving a Buffalo Architectural Landmark | The restoration and repointing of the historic E.B. Green tower of First Presbyterian Church located at One Symphony Circle in Buffalo NY will have an immediate, significant, and ongoing impact to both the cultural and social fabric of the region. Recognized as a Nationally Registered Historic Landmark, the building is an architectural icon in the city's skyline and an important piece in Olmstead's internationally recognized urban design. | OPRHP HP D | $328,440 |
| 67093 | Erie | Frontier Science Technology Research Foundation, Inc. | Software Testing Planning and Design Training | Frontier Science Technology Research Foundation, Inc. will train existing employees in middle skills job roles in software testing through a Best Practices in Software Testing Planning and Design training workshop. Individuals will learn a systematic approach to effective software test planning and test design. | DOL EET | $16,300 |

## $62.2 million awarded to 77 projects

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 66794 | Cayuga | Cayuga County Soil and Water Conservation District | Critical Area Stabilization--Hydro-seeder | The Cayuga County Soil and Water Conservation District will implement Best Management Practices to reduce erosion and stabilize streambanks throughout the county. The project will provide better runoff control and improve water quality in Owasco, Cayuga, and Skaneateles Lakes and their tributaries. | DEC WQIP NPS | $125,075 |
| 66608 | Cayuga | Cayuga County Water and Sewer Authority | Cayuga County Water and Sewer Service Regional Efficiency Plan | The Cayuga County Water and Sewer Authority will develop a master plan for the improvement of water and sewer systems throughout Cayuga County and extension of municipal water and sewers to areas needing these services. Existing systems will be evaluated with recommendations for improving efficiency of operations, along with cost estimates and financial impacts for system improvements. Alternative sources of water will also be evaluated. | DOS LGE P | $100,000 |
| 65632 | Cayuga | Cayuga Economic Development Agency, Inc. | Cayuga Innovation Business Accelerator | The Cayuga Economic Development Agency, Inc. will develop a small business accelerator in Auburn, Cayuga County which will provide space, equipment, and professional counseling to businesses in the manufacturing, mechnology, and value-added agriculture sector. The project involves purchase of an existing building that is currently owned and occupied by a local manufacturer who will remain as a tenant. | ESD Grants | $500,000 |
| 68430 | Cayuga | CIDEC, LLC | CIDEC Expansion 2016 | CIDEC, LLC, a dairy milking equipment company, will expand and consolidate its Batavia operations into its Auburn, Cayuga County location, including construction of a manufacturing and warehousing facility for new production of farm-related hygiene products, as well as the addition of new offices and a training facility focused on robotics and high tech automation. | ESD Grants | $240,000 |
| 66208 | Cayuga | City of Auburn | Auburn Public Safety Complex Relocation | The City of Auburn, in partnership with Cayuga County, will repurpose an existing strip mall into a new regional public safety complex. The facility will be constructed to house the City's Fire Department emergency services and Cayuga County Emergency Management Office, relocating them from existing flood-prone facilities to the new site at 23-31 Seminary St. | DEC CSC | $2,000,000 |

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 66248 | Cayuga | City of Auburn | Owasco River Redevelopment Design | The City of Auburn will plan, design, engineer and prepare construction documents a downtown Visitor Welcoming Center and a Riverside Regional Public Market located within its designated Brownfield Opportunity Area along the Owasco River. The project will also include land appraisals and strategies for land acquisition and a series of studies that will assess parking capacity and the impact that the potential closing of the Loop Road could have on the local traffic. | DOS LWRP | $289,750 |
| 64940 | Cayuga | Community Preservation Committee, Inc. | Willard Memorial Chapel Restoration Project | The Willard Memorial Chapel was a statewide success story when in 1990, the Community Preservation Committee, Inc. saved this "complete and unaltered Tiffany religious interior". Now, 26 years later, the issues to be addressed are: slate roof, copper valley and downspouts, windows and moisture controls, masonry stabilization, restoration of doors and windows, high energy efficiency new furnaces, and ice damage control and elimination. | OPRHP HP D | $250,000 |
| 65217 | Cayuga | SB Lattimore, Inc. | Northern Crossing | SB Lattimore Inc. will construct a new upscale, mid-range boutique lake-view hotel, comprised of three buildings totaling 55 rooms, a bar and event facilities in the Town of Fleming, Cayuga County. The project will be located across from Owasco Lake and Emerson Park, adjacent to an existing 4,000 square-foot event center, The Point at Sand Beach. The project will close a significant lodging gap in the area. | ESD Grants | $1,191,000 |
| 63156 | Cayuga | Seward House Museum | Seward House Museum Woodshed Revitalization | For nearly 170 years, the rear woodshed section of the Seward House has been left underutilized. Through intense restoration work, the structure's foundation, interior and exterior walls and studs, floor joists, rafters, and roof will be effectively restored. This work will return the woodshed structure to its original state. Further work involving the installation of mechanical systems will ensure sustainable preservation of the woodshed as it is adapted into a multi-purpose visitor space. | OPRHP HP D | $99,773 |
| 66388 | Cayuga | Town of Owasco | Walkable Owasco: Construction of Sidewalks and Walking Trail | The Town of Owasco seeks to reduce vehicle trips and greenhouse gas emissions by constructing sidewalks and a trail linking Owasco Elementary School, Town Hall, Michael J. O'Leary Playground, and the seasonal farmers market at Owasco Fire Department. Work will include design and construction of sidewalks on the south side of Bristol Ave, the south side of Adams Ave, and the east side of Letchworth Street, and design and construction of a walking trail connecting Meadow Lane to Shearin Street. | DEC CSC | $263,700 |
| 64381 | Cayuga | United Cerebral Palsy Assoc. Cayuga County Inc. | E. John Gavras Center Preschool Expansion Project | United Cerebral Palsy Assoc. of Cayuga County, Inc., dba E. John Gavras Center will purchase and install a new playground and renovate, reconstruct, remodel the interior and exterior of their facility in Auburn, Cayuga County. | ESD Grants | $176,000 |

|---|---|---|---|---|---|---|
| 66398 | Cayuga | Village of Port Byron | Village of Port Byron Wastewater Treatment Plant Improvements | The Village of Port Byron will complete an engineering study to evaluate alternatives for solids dewatering improvements. | DEC EPG | $24,000 |
| 68697 | Cayuga | Weaver Machine | Weaver Machine UTC Expansion | Weaver Machine will purchase and install furniture and fixtures and manufacturing and inspection equipment. | ESD Grants | $200,000 |
| 65280 | Cayuga, Cortland, Madison, Onondaga, Oswego | CNY Arts, Inc. | 2017 Arts Entertainment Districting Planning | CNY Arts will formulate a master blueprint for the creation, organization, funding, and operation of five Arts and Entertainment Districts in Auburn, Cortland, Oneida, Oswego, and Syracuse, a pilot project in Main Street revitalization. | Arts CHPG P | $49,500 |
| 66773 | Cayuga, Cortland, Madison, Onondaga, Oswego | Oswego County | Central New York Regional Recreation and Heritage Plan - Phase II | Oswego County will work with communities identified as nodes of activities and landmarks in the five county Regional Recreation and Heritage Plan (RRHP) to establish a collaborative Implementation Task Force; launch community outreach including planning and design activities; develop a unified "wayfinding" program in collaboration with jurisdictional entities; and identify and establish municipal and inter-municipal partnerships to implement target opportunities identified in the RRHP. | DOS LWRP | $300,000 |
| 66760 | Cayuga, Onondaga | Canal Society of New York State | Erie Canal Bicentennial Exhibition Collaboration | This grant will fund a joint collaboration with the NYS Canal Society and the Erie Canal Museum to do state-wide outreach for the Erie Canal bicentennial through the design and fabrication format that will be utilized throughout the eight years of the bicentennial. | Canals | $39,000 |
| 66955 | Cortland | 55 Main Street Holdings, LLC | 55 Main Street Revitalization | 55 Main Street Holdings, LLC will renovate a 14,000 sq. ft. historic brick structure located at 51-55 Main Street in downtown Cortland, Cortland County, transforming it from a vacant empty shell into a mixed-use property including 3,800 sq. ft. of commercial store front space on the 1st floor and residential housing on the 2nd and 3rd floors. The project owner will create additional jobs on site. | ESD Grants | $200,000 |
| 65285 | Cortland | City of Cortland | Cortland, Cortlandville, and Homer Joint Water Meter Project | The City of Cortland, Town of Cortlandville and the Village of Homer will replace 6,450 water meters with digital meters incorporating technology that wirelessly communicates usage information to each water department, the consumer, and to a central billing software program. Upon full implementation, each of the municipalities will have real-time demand usage allowing synchronization of production, system wide leak detection, optimization of storage capacities and municipal water transfers. | DOS LGE | $400,000 |
| 66299 | Cortland | City of Cortland | City of Cortland Pool House | The Wickwire Pool House renovation project will stabilize, rehabilitate, and update the Pool House adjacent to the Wickwire Pool. The most important element to be added, is an ADA ramp into the building. Other elements that are in need of renovation include new shower and bathroom fixtures, lighting will be replaced throughout the building, and the decaying tile floors will be replaced, as well as cracks in the walls of the building, ensuring that the structure is sound and safe for all users. | OPRHP PKS D | $407,586 |

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 66503 | Cortland | City of Cortland | City of Cortland Microenterprise Program | Funds will be used to assist in the establishment of a Microenterprise Program. | HCR CDBGME | $200,000 |
| 66681 | Cortland | City of Cortland | City of Cortland Clinton Avenue Water Project | Funds will be used to replace water mains along Clinton Avenue between Pomeroy Street and Church Street in the City. | HCR CDBGPIPF | $750,000 |
| 66720 | Cortland | City of Cortland | Construction and Pilot Operation of a Food Waste Vermicomposting Facility | The City of Cortland and SUNY Cortland will partner with Organix Green Industries and Larsen Engineers to construct and operate a food waste vermicomposting facility on 4 acres of City owned industrial land on Saunder Rd. The partners propose to vermicompost 72 tons of SUNY cafeteria and supermarket food waste, collected over 9 months, in a pilot project encompassing 2 harvesting cycles. | DEC CSC | $152,450 |
| 67166 | Cortland | City of Cortland | Alternative Transportation Initiative | The City of Cortland will develop a pedestrian/bike path on Clinton Avenue from downtown to Exit 11, down River Street, and to Yaman Park via a trail and bridge over the Tioughnioga River. The trail will connect SUNY Cortland, the downtown, the main commercial area and Yaman Park, with existing streets. Work includes new bicycle and pedestrian facilities on Clinton Avenue, bike lanes on River Street, multi-use path from River St. to Yaman Park, and a new bridge on existing unused abutments. | DOS LWRP | $500,000 |
| 65531 | Cortland | Cortland Downtown Partnership | SKI 2 Cortland | SKI 2 Cortland will continue to enhance and promote the advancement of the snowsport industry of the Central New York region by expanding its current program to bolster regional economic impact by encouraging the frequency and duration of destination stays and will also support a new special multi-day event to further increase visitation. | ESD MNY | $60,000 |
| 68519 | Cortland | Cortland Downtown Partnership | "38 Arts" Actor's Hostel and Performance Venue | The Cortland Repertory Theater (CRT) will renovate an existing building it will purchase at 38 Main Street in downtown Cortland, Cortland County to create an "Actor's Hostel" to house visiting performers, and a small performance venue on the ground floor which will provide community and student artists a smaller, more suitable venue than what is now available at Cortland County Community College or at CRT's other theaters. | ESD Grants | $360,000 |
| 67713 | Cortland | Town of Cortlandville | Gutchess Park Sports Complex Feasibility Study | The Town of Cortlandville will finalize a master plan for the proposed Gutchess Athletic Complex. | ESD SPFS | $75,000 |
| 66134 | Cortland | Village of Homer | Barber Block Redevelopment Project | The Village of Homer will assist in the renovation of the historic Barber Block, a landmark building in the Old Homer Historic District, creating new apartments and undertaking commercial and facade repairs. | HCR NYMS | $493,000 |
| 67328 | Madison | City of Oneida | City of Oneida Long Term Improvement Plan | The City of Oneida will complete an engineering report identify three separate alternatives to accommodate the additional flows and loads that are expected due to expansion of production at the HP Hood facility. | DEC EPG | $19,900 |

| 67454 | Onondaga | Le Moyne College | Quantitative Reasoning Center | Le Moyne College will create a Quantitative Reasoning Center (QRC) anchored in the College's library, and in St. Mary and Reilly Halls. The QRC will include computer labs, corporate class facilities, peer learning labs, tutoring facilities, film/video presentation capability, maker space, and videoconferencing capacity. | ESD Grants | $1,200,000 |
| 68388 | Onondaga | Learning Disabilities Association of Central New York, Inc. | Career Solutions Academy | Learning Disabilities Association of Central New York will implement a program that provides classroom and hands-on instruction for individuals to earn a credential from the Cleaning Management Institute to become a Custodial Technician. Individuals will be provided pre-vocational skills such as resume development and mock interviews, workplace and financial literacy instruction, and a connection to community services to address any additional barriers. | DOL SPT | $100,000 |
| 68446 | Onondaga | New York State Rhythm and Blues Festival, Inc. | 25th New York State Blues Festival | Funds will be used to expand the current marketing plan and building the temporary infrastructure for the NYS Blues Festival, attracting visitors from across the United States and from around the globe. | ESD MNY | $30,000 |
| 66739 | Onondaga | Oneida Air Systems, Inc. | Oneida Air Systems Expansion | Oneida Air Systems, Inc. will purchase and install next generation machinery and equipment as required to upgrade and expand existing manufacturing capability and capacity at the Company's Syracuse, Onondaga location, allowing the company to meet increasing product demand and to capitalize on opportunities for new product development. The project will result in creation of one new job. | ESD Grants | $341,000 |
| 63681 | Onondaga | Onondaga Historical Association | The Brewseum at Lightworks | The Onondaga Historical Associates will design and renovate space at 311 Genant St. to create The Brewseum, a brewery museum, in Syracuse, Onondaga County. | ESD Grants | $25,000 |
| 66202 | Onondaga | Open Space Institute | Green Lakes State Park Environmental Education Center | The project will rehabilitate and upgrade an historic boathouse in Green Lakes State Park for use as an Environmental Education Center. The Environmental Education Center will enable the park to provide new formal class programs to the region's schoolchildren; afford expanded research and volunteer opportunities to local and visiting college students and professors; house work that advances stewardship of the lakes; and further promote the park as an ecotourism attraction. | OPRHP PKS D | $500,000 |
| 68303 | Onondaga | Steri-Pharma, LLC | Line 7 Expansion Project | Steri-Pharma, LLC, a manufacturer of antibiotics used internationally to treat complicated bacterial infections, will expand operations at its 429 South West Street facility in Syracuse by adding a second sterile powder filling line. | ESD EJP | $1,000,000 |
| 68303 | Onondaga | Steri-Pharma, LLC | Line 7 Expansion Project | Steri-Pharma, LLC, a manufacturer of antibiotics used internationally to treat complicated bacterial infections, will expand operations at its 429 South West Street facility in Syracuse, Onondaga County, adding a second sterile powder filling line and increasing warehouse capacity through the construction of new clean rooms, sterile production and filling areas, and a new building. | ESD Grants | $3,000,000 |

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 66719 | Onondaga | Town of Cicero | Riverfront Park Parking and Walnut Street Streetscape Improvements | The Town of Cicero will continue the revitalization of its Riverfront Park along Oneida Lake outlet by improving the park's parking area and the streetscape of a portion of Walnut Street, which is the gateway to the Riverfront Park. | DOS LWRP | $137,500 |
| 66577 | Onondaga | Town of DeWitt | Elevating Erie Towpath Road Corridor Design | ReConnecting the Erie Canalway will gather oral histories and community input to frame a design contest and implement two markers at either end of the gap in the canalway bike trail, along with a brochure and web exhibit for cyclists to enjoy and learn from as they ride through. | Arts CHPG I | $75,000 |
| 66577 | Onondaga | Town of DeWitt | Elevating Erie Towpath Road Corridor Design | The Town of DeWitt will design a segment of the old Erie Canal corridor, including historical markers, wayfinding, green infrastructure, landscaping, and street furniture. The design will include an alternative to connect the current Canalway Trail end with Erie Boulevard East. | DOS LWRP | $229,000 |
| 67463 | Onondaga | Town of Dewitt | Repurposing the Bristol Meyers Squibb Industrial Pretreatment Facility | The Town of DeWitt will complete an engineering report to evaluate the option of diverting a significant amount of wastewater from the Meadowbrook Limestone wastewater treatment facility to the repurposed Bristol Myers Squibb wastewater treatment facility. | DEC EPG | $96,995 |
| 64792 | Onondaga | Upstate Medical University | Upstate Medical University Biotech Certified Business Incubator | Upstate Medical University Biotech Certified Business Incubator will support early stage commercialization projects promoting biotech innovation pipelines for incubation/ acceleration, merger or acquisition. Project programs include the Medical Device Innovation Challenge (MDIC) which will be hosted in the Creation Garage, a prototyping center, with participation from innovation ecosystem partners. | ESD BIHSP I | $125,000 |
| 68229 | Onondaga | Village of Liverpool | Engineering Planning Grant Program | The Village of Liverpool will complete an engineering study to identify sources of inflow and infiltration, locate cross connections, and determine possible retrofit methods for the storm sewers all to reduce the flow to METRO. | DEC EPG | $30,000 |
| 66698 | Onondaga | Willow Rock Brewing Company | Phase One Manufacturing Expansion | Willow Rock Brewing Company will renovate its facility in Syracuse, Onondaga County, and purchase and install machinery and equipment, allowing Willow Rock Brewing Company to continue packaging in kegs for wholesale distribution as well as employing a new state-of-the-art canning technology. | ESD Grants | $85,000 |
| 65499 | Onondaga, Cayuga | Erie Canal Museum | Reflections on Erie's Waters | “Reflections on Erie’s Waters” is a collaboration between the Erie Canal Museum and the Canal Society of New York State. This multifaceted project includes exhibits, a statewide lecture tour, and artist-led workshops, all in celebration and commemoration of the Bicentennial of the Erie Canal. | Arts CHPG I | $36,500 |
| 65959 | Onondaga, Madison | Madison County | Signage Plan for the Old Erie Canal State Historic Park | This project will develop and install wayfinding signage within the Old Erie Canal State Historic Park, which spans three counties (Onondaga, Madison, and Oneida) and contains the longest and one of the only remaining portions of the original Erie Canal system. | Canals | $30,000 |

# Central New York

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 68389 | Onondaga, Madison, Cayuga | Musical Associates of Central New York | Canal Concerts | In celebration of the Bicentennial of the Erie Canal, Symphoria will present a series of six concerts in key Central New York sites along the Canal, using music of the period, canal imagery, narration, and educational materials to illustrate the impact of the Erie Canal on the region, state and nation. | Arts CHPG I | $45,000 |
| 68169 | Onondaga, Madison, Oswego | Society for New Music | Suffragette Matilda Joslyn Gage | The Society for New Music will create an opera about Syracuse native Matilda Joslyn Gage, a key player in the Suffrage Movement in New York State from 1852-1890. This dramatic retelling of her story will celebrate her life-long battle for equality. | Arts CHPG I | $29,500 |
| 68638 | Onondaga, Oswego, Madison, Cayuga, Cortland | Onondaga Community College | CNY Career Pathways | Onondaga Community College will enroll unemployed individuals in employer-validated, competency-based, short-term occupational programs. These programs will train individuals in the areas of machine operator, medical billing, and phlebotomy and support their entry into jobs in advanced manufacturing and healthcare. | DOL UWT | $100,000 |
| 65102 | Oswego | City of Fulton | Multi-Use Trail Feasibility Study and Draft Local Waterfront Revitalization Program Update | The City of Fulton will prepare a feasibility study for the development of eight multi-use trail segments that will complement the existing trail network and update the City's draft LWRP to reflect current conditions and propose new projects. | DOS LWRP | $61,500 |
| 67434 | Oswego | City of Oswego | Installation of the Seneca Street Neighborhood Bikeway | The City of Oswego will install traffic calming devices and bicycle accommodations along West Seneca Street between the intersection of 1st Avenue and Route 104, extending east to the River Walk trail paralleling the Oswego River. Project elements include traffic-calming curb extensions with raingardens, roundabouts, sharrows, signs, and plantings at key intersections, and new pavement markings to formalize on-street parking on the north side of the street and to identify pedestrian crosswalks. | DEC CSC | $245,077 |
| 67639 | Oswego | City of Oswego | Oswego Multi-Purpose Athletic and Civic/ Community Facility Feasibility Study | The City of Oswego will conduct a feasibility study for developing a multipurpose athletic civic/community facility at the existing Crisafulli Rink located in Oswego, Oswego County. | ESD SPFS | $68,000 |
| 67794 | Oswego | City of Oswego | Oswego West Side Waterfront Enhancement | The City of Oswego will design and construct eight capital projects focused on enhancing the marina area of the Lake Ontario shoreline. Projects include Wright's Landing Marina fuel system and boat launch improvements, Oswego River dockage, marina area amenities, accessible park connection, Breitbeck Park and Oswego Riverwalk Harbor Trail improvements, Oswego beach area, and Oswego West Pierhead Lighthouse. | DOS LWRP | $590,000 |
| 68144 | Oswego | City of Oswego | City of Oswego Public Art Master Plan | The City of Oswego Arts and Cultural Master Plan will result in a strategy for public art throughout the City's historic downtown. The project will be a collaborative effort to build upon the DRI and other local investments with the goal of creating an enduring public art infrastructure. | Arts CHPG P | $40,000 |

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 68560 | Oswego | County of Oswego | Oswego River Public Access Area | Oswego County will convert a vacant riverside parcel located in the City of Oswego into a public access area to the Oswego River. The site will include a launch for car top boats, a parking area, and approximately 800 linear feet of paved accessible trail down a steep bank to the river side. The new public waterfront site will accommodate fishing and other passive recreation activities. | DOS LWRP | $103,500 |
| 65741 | Oswego | H. Lee White Maritime Museum at Oswego | Artistic Workforce Expansion | H. Lee White Maritime Museum at Oswego will expand their Curator position to Chief Curator to play an enhanced role in educational development, exhibit research and design, restoration and planning, which will lead to the institution becoming chartered as the only U.S. maritime institution on Lake Ontario. | Arts WIP | $29,000 |
| 68318 | Oswego | Operation Oswego County, Inc. | Mitchell St. Expansion | Operation Oswego County, Inc. will expand and improve a manufacturing facility in the Lake Ontario Industrial Park in Oswego, Oswego County, to benefit the building tenant, Northland Filter International. The project will include construction of new office space, conversion of existing offices back to manufacturing, and addition of a mezzanine, allowing the company to purchase two new production lines and remain in NYS. | ESD Grants | $120,000 |
| 64091 | Oswego | The Research Foundation for SUNY (Oswego) | Glidden Oswego Renaissance Association NYS Parks Grant 2016 | Fitzhugh Park renewal engages the community to create an inviting park with pathways through native landscapes, playgrounds, exercise and gathering spaces. The project has 4 components: 1) Repurpose basketball courts into multi-use sport courts and improving a grass playfield; 2) playground expansion for teens, children, and preschoolers; 3) a water play area; and 4) seating, pathways and landscaping to create an inviting community space. | OPRHP PKS D | $250,000 |
| 67315 | Oswego | Town of Oswego | Route 104 Sewer Study | The Town of Oswego will engage a consultant to conduct a study to identify the feasibility of providing municipal wastewater system for residents and businesses along the NYS Route 104 corridor. | ESD SPFS | $25,000 |
| 64471 | Oswego | Town of Richland | Haldane Center Improvement Project | The Town of Richland is seeking funds for the Haldane Center Improvement Project to increase use of the facility; attract new users; improve access to recreational opportunities; expand educational opportunities; decrease energy consumption; and reduce operation costs. It includes work at the Haldane Memorial Arena, construction of a pavilion, resurfacing the 1-mile walking trail, installing fencing and workout stations, and the expansion of educational signage throughout the property. | OPRHP PKS D | $280,061 |
| 66903 | Oswego | Village of Phoenix | Village of Phoenix Water and Sewer Improvements | Funds will be used to install new water lines, storm sewers, and sanitary sewers. | HCR CDBGPIPF | $529,216 |
| | | Excelsior Jobs Credits | | Excelsior Jobs Program tax Credits will be reserved for future projects including business investments in targeted industries that are within the region and that create or retain jobs, create capital investment and are consistent with the Strategic Plan. | ESD EJPB | $7,000,000 |

# Central New York

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |

| 63911 | Fulton | Fulton County | Hales Mills Road Water Infrastructure Project | Fulton County will install 6,000 feet of a 12 inch waterline along the Hales Mills Road Development Area. Development of this area is in alignment with the Fulton County "Smart Waters" Initiative. | ESD Grants | $250,000 |
| 63451 | Fulton | Gloversville Public Library | Gloversville Library Building Stabilization | There are four projects in this application that focus on securing the building's envelope: the rectangular back and basement wood windows and frames will be replaced; the oculus window over the front entrance will be restored; the front doors and vestibule will be removed; the flat rubber and stone roof will be replaced; the roof and the dome with sealed skylight will be restored; and the final project will address masonry issues at the front entrance. | OPRHP HP D | $500,000 |
| 66447 | Fulton | Nathan Littauer Hospital Nursing Home, Inc. | Caroga Primary Care Facility | Nathan Littauer Hospital will replace the aging Caroga Primary Care Clinic with a modern, up-to-date primary care facility which will also include behavioral health services. | ESD Grants | $46,000 |
| 68168 | Fulton | Parkhurst Field Foundation, Inc. | Parkhurst Field Renovation | Parkhurst Basefield Field, the oldest recorded field in continuous use as a baseball field, is creating a tourist destination for baseball enthusiasts. | ESD Grants | $500,000 |
| 66801 | Fulton | Village of Broadalbin | Wastewater Treatment Plant Effluent Disinfection | The Village of Broadalbin will complete an engineering report to evaluate disinfection options. | DEC EPG | $30,000 |
| 65540 | Herkimer | City of Little Falls | Explore Little Falls | The Explore Little Falls initiative will execute a strategic marketing campaign to position Little Falls, as the ideal “attraction-level” setting in which to experience the rich cultural and historical heritage of life along the Erie Canal. | ESD MNY | $54,000 |
| 63510 | Herkimer | HCIDA | Hartman Enterprises Relocation | Herkimer County IDA will construct a new manufacturing facility for the benefit of Hartman Enterprises Inc. currently based in Madison County. | ESD Grants | $1,240,000 |
| 68702 | Herkimer | Herkimer Diamond Mines, Inc. | Herkimer Diamond Mines Expansion Project | The Herkimer Diamond Mines will use grant funds to assist in the expansion and upgrade of its current facility, including infrastructure improvements. | ESD MNY | $125,000 |
| 64162 | Herkimer | Mountainman Outdoor Supply Company, Inc. | Mountainman Outdoor Supply Company Expansion | Mountainman Outdoor Supply Company will expand its business with an addition to its existing store, new retail space, and construction of rental cabins for seasonal visitors. | ESD Grants | $140,000 |

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 66750 | Herkimer | Vets2Farm, Inc. | Veteran's Farm Training Program | Vets2Farm is a not-for profit organization which prepares military veterans for new jobs in agriculture. Project includes the purchase of equipment to train veterans. | ESD Grants | $100,000 |
| 65649 | Herkimer | Village of Herkimer | Village of Herkimer Water System Improvements | Funds will be used to replace a water transmission line that has seen repeated failures. | HCR CDBGPIPF | $750,000 |
| 67442 | Herkimer | Village of Ilion | Village of Ilion Inflow and Infiltration Study | The Village of Illion will complete an engineering study to identify sources of inflow and infiltration to the wastewater treatment facility. | DEC EPG | $30,000 |
| 64866 | Herkimer | Village of Mohawk | Local Waterfront Revitalization Program Update | The Village of Mohawk will update relevant portions of its draft intermunicipal 2000 Local Waterfront Revitalization Program that pertain to the Village downtown and Main Street. The focus will be on improving infrastructure, sustainability, walkability and visual character, encouraging in-fill, and responding to climate change. | DOS LWRP | $25,000 |
| 67307 | Herkimer | Village of Mohawk | Fulmer Creek GreenPlain - Floodplain Restoration and Main Street Park | The Fulmer GreenPlain is a design and construction project to restore the natural floodplain and floodplain processes along approximately 1.3 miles of the Fulmer Creek corridor. This phase of the project will build upon land being acquired by the Village from the FEMA buyout program by acquiring additional parcels and easements needed to restore the stream channel and floodplain bench along a nearly 1/2 mile stretch of Fulmer Creek. | OPRHP PKS A | $112,500 |
| 67395 | Herkimer | Village of Mohawk | Village of Mohawk Inflow and Infiltration Study | The Village of Mohawk will complete an engineering study to identify sources of inflow and infiltration to the wastewater treatment facility. | DEC EPG | $30,000 |
| 68495 | Montgomery | Amsterdam IDA | Edson Street Park Amsterdam Project | AIDA plans to upgrade the electrical service in the Edson Street Park from a 13.3KV service to a 69KV service to accommodate the needs of tenant businesses. | ESD Grants | $500,000 |
| 63607 | Montgomery | Arkell Museum | Administrative Workforce Expansion | The Arkell Museum will hire a Curator of Education and Public Engagement who will be charged with engaging the local and surrounding communities through programs that highlight the Museum's collection of American Art and Mohawk Valley history. | Arts WIP | $43,000 |
| 63680 | Montgomery | Arkell Museum | American Art Above Ground Storage Collection Feasibility Study | Montgomery County will undertake a strategic planning feasibility study to determine the costs and benefits of constructing an above-ground storage facility for the Arkell Museum art collection. | ESD SPFS | $60,000 |
| 63644 | Montgomery | City of Amsterdam | Sanford Clock Tower Renovation Project | The City of Amsterdam will assist in the renovation of the historic Sanford Clock Tower building located at 37 Prospect Street in Amsterdam. This phase of the project will renovate the 6th floor to create a business incubator space. | HCR NYMS | $500,000 |
| 63672 | Montgomery | City of Amsterdam | City of Amsterdam Microenterprise Program | Funds will be used to assist in the establishment of a Microenterprise Program. | HCR CDBGME | $200,000 |

## Mohawk Valley

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 65374 | Montgomery | City of Amsterdam | John Sampone Senior Memorial Park | The City of Amsterdam is located in the northeastern section of Montgomery County. The proposed Sampone Memorial Park project would create a green space and playground area that currently does not exist within the entire district. The John A. Sampone Sr. Memorial Park has been in the works for 10+ years and is a priority project for the area since no other park exists within the Southside Culinary and Hospitality District, also known as the Southside of Amsterdam. | OPRHP PKS D | $62,000 |
| 67423 | Montgomery | MCIDA | Florida Business Park Extension | Montgomery County Industrial Development Agency will make improvements to State Route 5S leading to the Florida Business Park Extension for the proposed Distribution Center in the Park on approximately. | ESD Grants | $1,500,000 |
| 65173 | Montgomery | Montgomery County | Emergency Services Facility Relocation | The Village of Fonda will relocate key municipal and emergency service infrastructure out of the floodplain, in particular the Montgomery County DPW facility. This project will relocate the existing County Emergency Management/ DPW Garage to a new facility out of the floodplain situated next to the County Jail and the newly constructed Emergency Management offices. | DEC CSC | $671,575 |
| 65852 | Montgomery | Village of Canajoharie | Beechnut Site Reuse Analysis | The Village of Canajoharie, in partnership with Montgomery County, will complete technical and market analyses necessary to gauge the potential for and the challenges to the redevelopment of the former Beechnut plant, a 26 acre site with 600,000 square feet of existing building space. | DOS LWRP | $85,000 |
| 63425 | Montgomery | Village of Fultonville | Villages of Fultonville and Fonda Joint Sanitary Sewer Improvements | Funds will be used to make sewer infrastructure improvements and make improvements to a joint sewer plant. | HCR CDBGPIPF | $900,000 |
| 64850 | Montgomery, Schoharie, Otsego | Schoharie River Center | Administrative Workforce Expansion | The Schoharie River Center will expand community arts activities in the region through the expansion of its staff to include an Arts Programming and Outreach Coordinator, through the launch of a digital storytelling program for teens to document Erie Canal communities. | Arts WIP | $41,500 |
| 68150 | Oneida | 118 Liberty Street, LLC | Mechanics Hall Mixed-Use Renovation | The Developer plans to renovate and convert 3 dilapidated buildings into mixed use buildings with commercial space and approximately 34 indoor parking spaces on the first floor, the upper floors will have 58 apartments. | ESD Grants | $2,000,000 |
| 64392 | Oneida | Brightwaters Farms | Greenhouse Expansion Project | Brightwaters Farms will invest in needed improvements in its system of greenhouses including new facility roofs and boiler upgrades in order to retain the business and be competitive. | ESD Grants | $300,000 |
| 68413 | Oneida | Bowers Development, LLC | New Century Club Utica Restoration Project | Remediate and renovate the New Century Club Building located at 253 Genesee Street, Utica, Oneida County into a mixed-use commercial building. | ESD Grants | $400,000 |

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 68592 | Oneida | Bowers Development, LLC | The Security Building Restoration Project | Renovate a downtown Utica mixed-use building featuring commercial, retail, and residential space. "The Security Building" is a five-story abandoned, blighted and contaminated building starving for investment located half a block from the "Busy corner", corner of Genesee and Bleecker streets. | ESD Grants | $500,000 |
| 67468 | Oneida | Carbone Auto Group | Technician Training Program | Carbone Auto Group will expand its Automotive Technician training program to identify candidates who would benefit from additional training in the automotive repair field. With an increase in skill level, candidates will command higher wages commensurate with newly acquired expertise. This will fill an advanced skill level void experienced on a national, state, and regional level. | DOL NHT | $25,920 |
| 64282 | Oneida | Central Association for the Blind, Inc. | CABVI Expansion | CABVI is purchasing land adjacent to its headquarters at 507 Kent St., Utica. CABVI will develop the land and construct a new building to house the Vision rehabilitation service center and Agency headquarters. The vacated space in the Kent Street building will be reconfigured to much needed manufacturing space for packaging and service employment for people who are legally blind. | ESD Grants | $1,700,000 |
| 64959 | Oneida | City of Rome | Stormwater Management Art Walk | The City of Rome will install porous pavers, stormwater street trees and stormwater planters within a bike and pedestrian streetscape adjacent to the Erie Canal waterfront. The stormwater management art (SMART) walk will connect the Dominic Street arts and cultural district with the Erie Boulevard BOA and Downtown Revitalization Initiative target areas. | EFC GIGP | $640,000 |
| 66093 | Oneida | City of Rome | Disinfection at the Water Pollution Control Facility | The City of Rome will install a new disinfection system at the City's Wastewater Treatment Plant. The outcome will be to fully treat the effluent, which reduces environmental contamination. | DEC WQIP WWT | $2,500,000 |
| 67350 | Oneida | City of Utica | Utica Harbor - Bulkhead and Marina Design | The City of Utica will prepare designs for bulkhead reconstruction and marina site-wide improvements at Utica Harbor on the Erie Canal. | DOS LWRP | $150,000 |
| 67818 | Oneida | City of Utica | One World Utica - Re-Imagining the Arts | One World Utica - Re-Imagining the Arts, a creative placemaking and marketing strategy, will communicate, integrate, generate and illuminate downtown as destination for artists and their industries and residents and visitors looking for the vibrancy of a creative community. | Arts CHPG P | $49,500 |
| 67821 | Oneida | City of Utica | Utica's One World Garden | Utica requests funding for One World Garden (OWG) on Park Ave. The proposed half-acre site is currently a set of three treeless vacant City-owned lots. In addition to a main sanctuary garden area, OWG will create interlinking green pathway networks connecting it to its many nearby destinations. As green infrastructure, the project will also increase rainwater infiltration, mitigate urban heat island, create wildlife habitat and create a welcoming public space with access to nature. | OPRHP PKS D | $500,000 |

# Mohawk Valley

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 67823 | Oneida | City of Utica | Utica Downtown Sustainability Plan | The City of Utica, with Cornell University, will create a Downtown Sustainability Plan considering energy, transportation, water, economic, residential, and business development, communications, food, waste, community input, green infrastructure, and urban design. The goal is to incentivize appropriate development and "green" residences, businesses, and governments to improve quality of life and attract new investors, entrepreneurs, workers and residents. | DOS LWRP | $50,000 |
| 68133 | Oneida | City of Utica | 1900 Bleecker Street Project | The City of Utica plans to demolish a vacant city-owned building to create a modern business park at the intersection of Bleecker Street and Culver Avenue. | ESD Grants | $280,000 |
| 66670 | Oneida | Doyle Hardware, LLC | Doyle Hardware Building Renovation | Developer will renovate/restore the landmark Doyle Hardware building for mixed adaptive reuse. Plans call for creation of up to 55 new apartments on top three floors and commercial uses on the ground floor. | ESD Grants | $1,000,000 |
| 66436 | Oneida | Griffiss Institute | Griffiss Institute Incubator | The Griffiss Institute (GI) business incubator located on the Griffiss Business and Technology Park in, Rome NY provides a place in the Mohawk Valley that startups and growing small businesses can access a wide range of support including: office space, mentoring, marketing assistance, collaboration with the Air Force Research Laboratory, access to Air Force patented intellectual property and licensing, and business outreach to access the broader marketplace. | ESD BIHSP I | $125,000 |
| 67024 | Oneida | Metal Solutions Inc. | 2017 Laser Technology Expansion | Metal Solutions plans to purchase a 4kw fiber optic laser for high speed cutting of sheet and plate metal, to be used in the fabrication of component parts for OEM manufacturers. The new technology machine will help the company increase production. | ESD EJP | $70,000 |
| 67024 | Oneida | Metal Solutions, Inc. | 2017 Laser Technology Expansion | Metal Solutions plans to purchase a 4kw fiber optic Fiber laser for high speed cutting of sheet and plate metal, to be used in the fabrication of component parts for OEM manufacturers. The new technology machine will help the company increase production capacity and be more competitive. | ESD Grants | $150,000 |
| 65454 | Oneida | Mohawk Valley Community College | Manufacturing Technician Training | Mohawk Valley Community College will implement a training program for unemployed individuals residing in Utica to become manufacturing certified production technicians. The program will focus on these individuals, but will expand to offer classes in Rome and other regional locations to encourage rural worker participation. | DOL UWT | $97,350 |
| 64714 | Oneida | Munson-Williams-Proctor Arts Institute (MWPAI) | MWPAI Celebrates the Arts of New York | Grant funds will be used for a comprehensive marketing plan for "MWPAI Celebrates the Arts of New York," a summer-long series of events that will showcase the work of New York State artists both past and present. | ESD MNY | $110,534 |
| 67409 | Oneida | MVEDGE | Marcy Nanocenter Natural Gas Infrastructure Project | National Grid will install a 12" steel gas main from Barnes Avenue in Utica to the Marcy-SUNY Parkway to support the full build out of the Marcy Nanocenter site. | ESD Grants | $5,100,000 |

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |

| 65477 | Jefferson | Town of Alexandria | Sewer District Construction | Install new sewer system along Route 12 in Town of Alexandria. This will replace insufficient septic systems that leach into the St. Lawrence River. | ESD Grants | $500,000 |
| 65480 | Jefferson | Town of Alexandria | Town of Redwood Sewer District | The Town of Alexandria will complete an engineering report on assess improvements to the Redwood Sewage Collection and Treatment System. | DEC EPG | $30,000 |
| 68114 | Jefferson | Town of Cape Vincent | Local Waterfront Revitalization Program Update | The Village of Cape Vincent will update its Local Waterfront Revitalization Program (LWRP) by working with the Town of Cape Vincent to prepare an inter-municipal LWRP. Opportunities that will be addressed include: providing tourism jobs through promotion of distinctive tourist attractions; providing public docking to encourage day trips from Islanders and Canadians; climate change resiliency; protection of historic structures, St. Lawrence River scenic vistas; and improving local parks. | DOS LWRP | $20,000 |
| 65202 | Jefferson | Town of Wilna | Town of Wilna Black River Waterfront Recreation Park | The Town of Wilna will contract for professional engineer, landscape and architect design services to identify and document a vision to construct an outdoor waterfront recreation park and ballfield, parking lot, access road and pedestrian and bicycle walkways/trails; and estimate costs to develop 9+ acres of open space. Listed as an EPA Superfund Site in 2002, efforts to remediate contaminants are scheduled for completion at the end of 2016. | OPRHP PKS P | $75,000 |
| 64094 | Jefferson | Village of Carthage | Carthage Joint Water Pollution Control Facility Disinfection Upgrade | The Village of Carthage will install a new disinfection system at the Village's Water Pollution Control Facility. The outcome will be to fully treat the effluent, which reduces environmental contamination. | DEC WQIP WWT | $2,500,000 |
| 66190 | Jefferson | Village of Sackets Harbor | Village of Sackets Harbor Water Treatment Plant Seawall | The Village of Sackets Harbor will replace the existing intake for the water treatment plant on Ambrose Street and replace the existing seawall with a new stepped quarry stone seawall. The project will stabilize the shoreline, reduce contaminants entering Lake Ontario from deterioration of the shoreline, and reduce erosion in Henderson Bay. | DEC WQIP NPS | $267,000 |
| 66904 | Jefferson | Village of Sackets Harbor | Sackets Harbor Waterfront Improvements | The Village of Sackets Harbor will implement its plan by designing and constructing improvements to the Village boat launch on Lake Ontario, including walkways, lighting, and landscaping; improve a waterfront picnic area; and create a "Port to Pub" walkway from the Village dock and Market Square Park to the Village's commercial center. This project will promote use of waterfront facilities and encourage boaters to patronize local businesses and water-related support services. | DOS LWRP | $134,000 |

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 64538 | Jefferson, Lewis, St. Lawrence | Jefferson Community College | Utility Worker Training for Veterans | Jefferson Community College will implement a Gas Utility Bootcamp in partnership with Fort Drum, the Midwest Energy Association, the Center for Energy Workforce Development, National Grid, and ConEdison. This program will provide high demand, high-wage training to Veterans and soldiers transitioning out of the military. | DOL SPT | $97,407 |
| 67091 | Lewis | Lewis County Industrial Development Agency | Lewis County Commerce Park Phase I | The Lewis County IDA will create a commerce park by acquiring land, engineering, and installing a new road along with water, sewer, utilities, and one site pad. | ESD Grants | $135,000 |
| 67356 | Lewis | Lowville Producers Dairy Cooperative, Inc. | Lab Equipment | Lowville Dairy Producers will purchase lab equipment in order to measure milk quality and conduct more efficient milk testing. This project will support the Kraft-Lowville expansion. | ESD Grants | $48,000 |
| 66919 | Lewis | Omniafiltra, LLC | Omniafiltra Capital | Omniafiltra will launch a 2017 Capital Investment Program to replace and upgrade aging equipment to improve productivity and reduce energy expense. New equipment purchase will include a hydraulic slice control, lathe, saturator gas dryer, paper machine rolls and VF drives for existing paper machines. | ESD Grants | $70,000 |
| 67264 | Lewis | Zehr's Flowers and Landscaping | Building Expansion | Zehr's Flowers and Landscaping will construct a new facility to house their expanding garden and commercial landscaping center. | ESD Grants | $54,000 |
| 66678 | St. Lawrence | City of Ogdensburg | Renovations for a Walkable City | The City of Ogdensburg will renovate a damaged seawall and railroad bridge and complete a Complete Streets gap analysis to make the city more walkable. | ESD Grants | $250,000 |
| 68666 | St. Lawrence | Confluent Energies, Inc. | CEI Greenhouses | CEI will establish 40 acres of greenhouses in Ogdensburg to grow leafy green vegetables using a hydroponic system. The produce will be sold to the market reachable by truck within 24 hours of the facilities. | ESD Grants | $1,220,000 |
| 68434 | St. Lawrence | Hemo Medica, LLC | Business Development | Hemo Medica will create a new pharmaceutical business, purchasing new equipment and a vacant building, upgrading it to a current Good Manufacturing Practices (cGMP) production plant and lab. | ESD Grants | $1,555,000 |
| 66459 | St. Lawrence | Jeffords Steel and Specialty Company, Inc. | Jeffords Steel Expansion | Jeffords Steel will expand its fabrication and manufacturing facility in Potsdam, NY The new space will allow for greater capacity, higher levels of output and the creation of sustainable employment opportunities for the area. | ESD Grants | $300,000 |
| 67426 | St. Lawrence | LCDrives Corp. | Phase II Expansion | LC Drives is currently developing the next generation of electric motors. To expand manufacturing readiness, LC Drives will perform upgrades to key pieces of equipment used in the testing of their motors. | ESD Grants | $500,000 |
| 65450 | St. Lawrence | North Country Children's Museum | Interactive Exhibit Development | The North Country Children's Museum will revitalize an unoccupied building in Potsdam's historic downtown district, to establish a permanent cultural and educational center for the organization. | ESD Grants | $120,000 |

## North Country

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 64884 | St. Lawrence | Shipley Center for Innovation at Clarkson University | North Country Innovation Hot Spot | The Shipley Center for Innovation at Clarkson University is uniquely positioned to offer expert consultation in job and business creation and retention. Shipley has access to university resources, such as subject matter experts and student interns. The Shipley Center assists innovators and entrepreneurs from the ideation stage through business formation, market entry, customer acquisition, and onward. | ESD BIHSP HS | $250,000 |
| 66706 | St. Lawrence | St. Lawrence NYSARC | St Lawrence NYSARC Partnerships for Progress | St. Lawrence NYSARC will maintain current initiatives by improving upon existing programs and services, advocating programs more systematically to veterans and underprivileged community members offering solutions and opportunities to overcome employment barriers, and securing a future by collaborating with new businesses and entrepreneurs for workforce training and vocational skills that lead to long-term learning and employment. | DOL NHT | $55,800 |
| 67948 | St. Lawrence | Town of Canton | Riverside Renaissance | The Town of Canton will implement projects from the Canton Grasse River Waterfront Revitalization Plan. Projects include design of a whitewater park on the Grasse River, acquisition and redevelopment of a former brownfield for development of park parking, signage, traffic control, walkways, and a hospitality center in partnership with SUNY-Canton, and construction of a pedestrian pathway under Route 11 to connect the whitewater park to additional parking. | DOS LWRP | $231,274 |
| 65495 | St. Lawrence | Village of Canton | Maple Hill Infrastructure | The Village of Canton will install water and sewer pipes to serve its Maple Hill section. The infrastructure will serve a banking operation and residential lots for future growth and development. | ESD Grants | $235,000 |
| 65529 | St. Lawrence | Village of Canton | Village of Canton Microenterprise Program | Funds will be used to assist in the establishment of a Microenterprise Program. | HCR CDBGME | $200,000 |
| 65944 | St. Lawrence | Village of Gouverneur | Gouverneur Hydroelectric Upgrade and Expansion Feasibility Study | The Village and Town of Gouverneur will examine the options, requirements, and costs to upgrade the current hydropower system, including the 1928 generating facility, and expand power distribution into the Town. Based on the results of the study, the Village and Town plan to create an efficient and effective micro-grid to service area needs for low cost, green power. | DOS LGE P | $25,000 |
| 67964 | St. Lawrence | Village of Gouverneur | Village of Gouverneur Village Wide Inflow and Infiltration Study | The Village of Gouvernour will complete an engineering report to identify sources of inflow and infiltration to the village's wastewater treatment plant. | DEC EPG | $100,000 |

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 66338 | St. Lawrence | Village of Massena | Local Waterfront Revitalization Program and Water Street Park Enhancements | The Village of Massena will prepare a Local Waterfront Revitalization Program (LWRP) for its St. Lawrence and Grasse River waterfronts and construct Water Street Park enhancements. The LWRP will guide waterfront development, explore connections to the downtown, restore ecological health of the Grasse River, and encourage use of waterways as recreational and economic development assets. Park enhancements will include a bandshell, farmer's market pavilion, ADA bathroom, and expanded parking lot. | DOS LWRP | $292,887 |
| 63386 | St. Lawrence | Village of Potsdam | Village of Potsdam Water Pollution Control Facility Improvement Project | Funds will be used to renovate the Village Water Pollution Control Facility (WPCF) which is at the end of its useful life. | HCR CDBGPIPF | $750,000 |
| 65479 | St. Lawrence | Village of Waddington | Village of Waddington Sewer District | The Village of Waddington will complete an engineering report to evaluate improvements to the wastewater collection and treatment system. | DEC EPG | $30,000 |
| | | Excelsior Jobs Credits | | Excelsior Jobs Program tax Credits will be reserved for future projects including business investments in targeted industries that are within the region and that create or retain jobs, create capital investment and are consistent with the Strategic Plan. | ESD EJPB | $5,000,000 |
| | | Low Cost Economic Development Financing | | Federal Industrial Development Bond (IDB) Cap will be made available for state and local government issuers to sell tax-exempt bonds for eligible economic development, infrastructure and community revitalization efforts. | ESD IDBC | $30,000,000 |
| | | NYSERDA Energy Efficiency Projects | 9 Energy Efficiency Projects | NYSERDA's Commercial and Industrial (C&I) programs offer businesses in New York State solutions to improve energy efficiency and save money through design, new construction, renovation, and process improvements to commercial and industrial buildings. The Commercial New Construction Program and the Commercial Implementation Assistance Program can help building owners make informed decisions about designing and renovating sustainable buildings. The FlexTech Program offers energy-saving opportunities through consultation and cost-shared studies. The Industrial and Process Efficiency Program can help organizations increase manufacturing output and data processing efficiency. | NYSERDA EE | |

## $83.1 million awarded to 116 projects

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 65699 | Albany | Albany Community Action Partnership | ACAP Career Services | Albany County Opportunity, Inc.'s Career Services Project will offer unemployed individuals residing in Albany County the opportunity to complete training in the following areas: Certified Nurse Aide/ Assistant (CNA); Home Health Aide (HHA); and Construction Technologies. | DOL UWT | $99,870 |
| 68267 | Albany | Albany County | Times Union Garage Egress | Construction of an egress at the Times Union Garage leading directly to Market Street to improve the functionality of the facility and reduce traffic congestion in downtown Albany. | ESD Grants | $200,000 |
| 66508 | Albany | Albany Medical College | AMC MS/ ME Basement Rehabilitation | Albany Medical College will upgrade a section of its animal research facilities relative to research involving large animals by making improvements to the HVAC system. | ESD Grants | $500,000 |
| 67663 | Albany | Albany Port District Commission | Port of Albany Expansion | The Port of Albany will acquire an 80 acre parcel south of the Albany side of the Port and make infrastructure improvements including a new heavy capacity access bridge to connect the parcel to the Port and further expansion opportunities. | ESD Grants | $5,000,000 |
| 65811 | Albany | Albany Symphony Orchestra, Inc. | Water Music 2017 | The Albany Symphony Orchestra is honoring the Erie Canal's Bicentennial with a one-of-a-kind journey from Buffalo to Albany on the iconic waterway. Musicians will travel the Canal, partnering with residents of eight communities and resident arts groups to perform newly commissioned orchestral works by emerging composers. | Arts CHPG I | $75,000 |
| 65811 | Albany | Albany Symphony Orchestra, Inc. | Water Music 2017 | The Albany Symphony will use the funds to assist in development and promotion of the celebration of the July 4, 2017 Erie Canal Bicentennial with Water Music NY, a one-of-a-kind journey from Buffalo to Albany. Symphony musicians will travel the Canal by barge for 8 days, partnering with canal communities to create and perform new works by gifted NY composers | ESD MNY | $296,055 |
| 67944 | Albany | Albany Water Board | Tivoli Lake Preserve Stream Daylighting | The Albany Water Board will daylight Patroon Creek in the Tivoli Lake Preserve. The project will mitigate erosive conditions, stabilize critical infrastructure within the preserve, and provide additional downstream flood protection. | DEC WQIP NPS | $1,000,000 |

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 67944 | Albany | Albany Water Board | Tivoli Lake Preserve Stream Daylighting | The Albany Water Board will daylight a portion of Patroon Creek within the Tivoli Park Preserve. This project will help mitigate erosion, stabilize critical infrastructure within the preserve and use natural resources to provide additional downstream flood protection. | EFC GIGP | $1,100,000 |
| 64262 | Albany | Capital Repertory Theatre | On the Go - Touring Educational Theatre | Capital Repertory Theatre's On-the-Go touring educational theatre series will produce two shows to commemorate landmarks of New York History including They Built America: the Workers of the Erie Canal, and Petticoats of Steel: New York's Suffragettes. More than 10,000 students will participate. | Arts CHPG I | $44,000 |
| 64023 | Albany | Capitalize Albany Corporation | Albany Skyway Project | Capitalize Albany Corporation will conduct planning and feasibility studies that will ultimately result in conversion of the northbound exit ramp from I-787 from Quay Street to Clinton Avenue to the region's first and only highline park. Upon conversion, the former ramp will serve as a promenade, bike route, and linear park making valuable connections, dramatically increasing accessibility to both downtown and waterfront. | OPRHP PKS P | $375,000 |
| 67184 | Albany | City of Albany | Construction of the City of Albany South End Bikeway | The City of Albany will design and construct the South End Multi-Use Trail, located in the South Waterfront District, that will link the Helderberg-Hudson Rail Trail and the Mohawk-Hudson Hike-Bike Trail, filling a gap in a more than 360-mile multi-use trail network. The proposed treatment is a two-way Separated Bike Lane, also known as a cycle track, extending along the east side of South Pearl Street where sidewalks exist. | DEC CSC | $325,000 |
| 67184 | Albany | City of Albany | South End Multi-Use Design and Construction | The City of Albany will complete final design and construction of 1.5 miles of the South End Multi-Use Trail, a two-way cycle track linking the Helderberg-Hudson Rail Trail to the Mohawk-Hudson Hike-Bike Trail through the South Waterfront District. | DOS LWRP | $325,000 |
| 63880 | Albany | City of Cohoes | City of Cohoes Sidewalk Improvement Project | Funds will be used to replace non-compliant sidewalks in the Historic District along Remsen Street from Cayuga to Ontario Streets. | HCR CDBGPIPF | $300,000 |
| 66768 | Albany | City of Cohoes | The City of Cohoes' Erie Canal Bicentennial Celebration | The City of Cohoes will develop canal-related exhibits in time for the Erie Canal Bicentennial, featuring a model of a working lock, a Harmony Mills machinery model, and interactive kiosks. The project will celebrate the Canal's legacy to the development of Cohoes and New York State. | Arts CHPG I | $62,500 |
| 66768 | Albany | City of Cohoes | Cohoes Visitor Center | This project will create an engaging Canal exhibit for the Cohoes Visitor's Center in time for the Erie Canal bicentennial celebration and will feature a model lock and other model machines. The project is part of a larger revitalization effort to support tourism in Cohoes. | Canals | $62,000 |
| 63523 | Albany | City of Watervliet | City of Watervliet Municipal Water System Study | Funds will be used to comprehensive study of the Watervliet Municipal Water Supply System. | HCR CDBGCP | $47,500 |

# Capital Region

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 63710 | Albany | City of Watervliet | City of Watervliet Senior Center and Library Project | Funds will be used to repair the roof and install handicap access doors at the Watervliet Senior Citizens Center and Library. | HCR CDBGPIPF | $300,000 |
| 63827 | Albany | City of Watervliet | Watervliet Waste Water Planning Grant 2016 | The Town of Colonie will complete an engineering report that will focus on identifying locations in the Watervliet Dry River Gas House Creek Storm Water Control System where there may be connections or infiltration of sanitary sewers and e coli contaminations. | DEC EPG | $30,000 |
| 65279 | Albany | Erie Canalway Heritage Fund Inc. | Matton Shipyard Structural Preservation Initiative | This project will stabilize three original buildings at the Matton Shipyard in Cohoes at the junction of the Hudson and Mohawk Rivers. | Canals | $148,000 |
| 66160 | Albany | Erie Canalway Heritage Fund, Inc. | Erie Canal Water Trail | Funds will be used to support a project that will extend current water trail planning to the remainder of the Erie Canal system and to develop and produce a printed Water Trail Guide and Navigational Map Set, along with a mobile responsive website that will allow users to build travel itineraries that facilitate short day trips or more involved multi-day trips. | ESD MNY | $182,936 |
| 67752 | Albany | Greenway Heritage Conservancy HRV, Inc. | Hudson River Sojourn | Grant funds will be used to develop and promote a new event, the Hudson River Sojourn, a multi-day kayaking trip between Albany and Manhattan for kayakers of varied abilities. | ESD MNY | $100,000 |
| 66295 | Albany | Historic Albany Foundation | 48 Hudson Avenue Restoration | The restoration of 48 Hudson will have a great impact by contributing to the preservation of a highly significant historic property. The outcome will ensure that Dutch architectural features will not be lost. | OPRHP HP D | $268,032 |
| 68438 | Albany | Interfaith Partnership for the Homeless | IPH 2016 | Interfaith Partnership for the Homeless' Ambassador Program provides individuals who have experienced homelessness opportunities to build professional and life skills, a sense of community, and financial well-being. Participants provide hospitality services to the community during performances at Capital Rep Theater and Park Playhouse. | DOL NHT | $38,693 |
| 66307 | Albany | Legal Aid Society of Northeastern NY | LASNNY Legal Services Center | The Legal Aid Society of Northeastern New York will acquire and renovate 95 Central Avenue in Albany to create a respectful, welcoming and professional environment that will better serve its diverse clients, staff and volunteers. | ESD Grants | $300,000 |
| 66196 | Albany | New York-New Jersey Trail Conference | John Boyd Thacher Planning Trails Project | The New York-New Jersey Trail Conference will focus on creating a layout and design plan to build and rehabilitate sections of the trail network in John Boyd Thacher State Park, which have been over used and are in dire need of attention. High priority projects include the historic Indian Ladder Trail, used by the Mohawk Iroquois Indians to reach Henry Hudson's trading post, and the Tory Cave Trail, which will improve visitor experiences and enjoyment. | OPRHP PKS P | $16,693 |
| 68346 | Albany | Nipper Apartments, LLC | Nipper Redevelopment | Redevelopment of vacant properties to establish commercial and retail space, residential apartments and parking in downtown Albany's warehouse district. | ESD Grants | $500,000 |

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 65620 | Albany | Old Songs, Inc. | Administrative Workforce Expansion | Old Songs, Inc. will expand the current part-time employee position of Marketing and Social Media Personnel to absorb more administrative duties including management of the financial records and bookkeeping. | Arts WIP | $27,500 |
| 63521 | Albany | Town of Bethlehem | Town of Bethlehem Microenterprise Program | Funds will be used to assist in the establishment of the Town of Bethlehem Microenterprise Grant Program. | HCR CDBGME | $200,000 |
| 65758 | Albany, Rensselaer, Saratoga | Albany Pro Musica | Administrative Workforce Expansion | Albany Pro Musica is prepared to expand its administrative team to include a new position of Development Director. This new position will be a leadership role within the organization, tasked with securing funding to support the chorus' superior artistic vision and repertoire. | Arts WIP | $41,000 |
| 68414 | Albany, Rensselaer, Saratoga, Schenectady, Warren, Washington | Wesley Health Care Center, Inc. | Career Pathways Workforce Initiative | Wesley Health Care Center, Inc. will provide training to improve customer service, system quality and delivery, increase teamwork capacity, and develop stronger communication skills. Training will also offer career pathways, providing trainees opportunities to obtain higher level positions with increased compensation. | DOL EET | $40,000 |
| 66367 | Albany, Schenectady, Saratoga | Albany-Schoharie-Schenectady-Saratoga BOCES | Special Populations Vocational Training | Albany-Schoharie-Schenectady-Saratoga Board of Cooperative Educational Services (BOCES) will train students and workers in skills to enter the healthcare and construction industries in the Capital Region. This project focuses on workforce development and job creation by training workers for industries that have a high number of job openings, then facilitating a direct connection between workers and businesses at the completion of each course of study. | DOL SPT | $100,000 |
| 64038 | Columbia | City of Hudson | Local Waterfront Revitalization Program, Comprehensive Plan and Zoning Ordinance Updates | The City of Hudson will update its draft Local Waterfront Revitalization Program to address climate change and sea level rise, as well as current planning and potential new projects. Components of the City Comprehensive Plan and Zoning Ordinance may also be updated to reflect the changing demography and local vision for an equitable and resilient City. | DOS LWRP | $45,000 |
| 65447 | Columbia | Harlem Valley Rail Trail Association | Harlem Valley Rail Trail State Route 22 Crossing | The proposed mile long trail segment, in Columbia County, will link a completed portion of the Harlem Valley Rail Trail. The proposed crossing will result in a potential 28 miles of continuous trail between the Wassaic Metro North Train Station and the hamlet of Hillsdale. | OPRHP PKS P | $285,000 |
| 67050 | Columbia | Hawthorne Valley Association Inc. | Hawthorne Valley Farm Expansion | Acquisition, renovations and machinery and equipment purchases by Hawthorne Valley Farm to expand production operations, increase food aggregation, processing and packaging opportunities for dairy food producers in the Capital and Hudson Valley Regions, and increase training opportunities for disadvantaged populations in Columbia County. | ESD Grants | $600,000 |

## Capital Region

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 66023 | Columbia | Historic Hudson, Inc. | Dr. Oliver Bronson House Phase III Restoration | Historic Hudson, Inc. will continue to restore the Dr. Oliver Bronson House and Estate for public benefit. The Phase III project is transformative, completing the exterior stabilization to secure the building envelope, and starting construction to occupy the house for adaptive reuse. | OPRHP HP D | $487,500 |
| 68621 | Columbia | Hudson Developement Corporation | Hudson History Project | The Hudson History Project provides visitors with a mechanism to engage with Hudson's past, present and future by providing self-guided walking tours that highlight historic, cultural and environmental assets via well catalogued, beautifully photographed, and narrated pathways through history to present day. | Arts CHPG P | $14,000 |
| 67140 | Columbia | Hudson Opera House | Administrative Workforce Expansion | The Hudson Opera House will hire a full-time, permanent Director of Development and Marketing. This key team member will lead the organization's increased fundraising and marketing program in support of the Hudson Opera House's newly restored historic facility and annual season. | Arts WIP | $49,500 |
| 66342 | Columbia | Shaker Museum | Exploring Shaker Ideas and Actions on Womens Rights: A Celebration of the Centennial of Womans Suffrage | The Shaker Museum at Mount Lebanon engages and inspires local, national, and global audiences by telling the story of the Shakers. In 2017 the museum's programming will celebrate and explore the Shakers' ideas and actions around women's rights, and the lives of the women who lived at Mount Lebanon. | Arts CHPG I | $41,500 |
| 67732 | Columbia | The Millay Colony for the Arts, Inc. | The Mother of Us All | The Millay Colony, in partnership with Hudson Opera House, will co-produce "The Mother of Us All," Virgil Thomson's opera on the life of Susan B. Anthony, with libretto by Gertrude Stein. Directed by R.B. Schlather with dramaturge Joan Retallack, this will premiere during HOH's 2017 season. | Arts CHPG I | $75,000 |
| 65430 | Columbia | The Olana Partnership, Inc. | The Olana Farm Education Center | The Olana Partnership (TOP) will restore Olana's historic Kitchen Garden. When completed, the Kitchen Garden will be a hands-on laboratory for TOP's school-based, family-centered, and senior citizen focused educational programs. This project will make a significant contribution to the preservation of one of our state's most important historic properties, to its significance as an educational resource for our communities, and to tourism and economic development in the Capital Region. | OPRHP PKS D | $197,878 |
| 65275 | Columbia | The Watershed Group | Original Sin Expansion | Original Sin will purchase land in Ancram to build a cidery, tasting room and plant and maintain an orchard, allowing the facility to keg and can a high-quality artisanal cider using Hudson Valley apples exclusively and crush and press on-site. | ESD Grants | $200,000 |
| 63876 | Columbia | Town of Claverack | Claverack Creek Historic Sites and Public Waterfront Access Study | The Town of Claverack will prepare a study that will assess the existing visual and public access to important historic sites within the Claverack Creek watershed and identify waterfront access sites that will expand public recreation opportunities, including water-dependent activities such as fishing and boating. | DOS LWRP | $25,000 |

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 63876 | Columbia | Town of Claverack | Shaw Bridge Restoration | The internationally renowned Shaw Bridge, which crosses Claverack Creek (a Hudson River tributary) on Van Wyck Lane, will be restored to its original 1870 appearance, but as a pedestrian/bicycle bridge. Once restored, the bridge with interpretive signage and kiosk will serve as the hub to a walking/biking loop for young and old that will course through the historic hamlet and the countryside, spurring other countywide heritage and agricultural tourism. | OPRHP HP D | $170,000 |
| 67273 | Columbia | Town of Copake | Planning for Waterfront and Hamlet Revitalization | The Town of Copake will develop a waterfront and revitalization strategy for four hamlets along the Roeliff Jansen Kill, Bash Bish Brook and Taghkanic Creek in the Town of Copake, focusing on community and economic revitalization, as well as recreational and tourism development. | DOS LWRP | $40,000 |
| 64313 | Columbia | Trout Unlimited, Inc. | Green Brook Culvert Removal Project | Trout Unlimited will remove a culvert and restore the natural channel to a stream on Green Brook in the Township of Chatham. The project will stabilize the banks of Green Brook reducing sediment loading and restore the natural flow of the stream promoting sediment transport. | DEC WQIP AHR | $287,280 |
| 67987 | Columbia | Trout Unlimited, Inc. | Noster Kill Barrier Removal Project: Reconnecting Brook Trout Habitat in the Hudson Valley | Trout Unlimited will remove concrete culverts and replace them with a rock ford on the Noster Kill in Copake. The project will ensure aquatic organism passage. | DEC WQIP AHR | $69,700 |
| 67831 | Columbia | Village of Philmont | Philmont Wastewater Treatment Facility Disinfection Project | The Village of Philmont will install a new disinfection system at the Village's Wastewater Treatment Facility. The outcome will be to fully treat the effluent, which reduces environmental contamination. | DEC WQIP WWT | $191,250 |
| 65546 | Columbia, Greene | Columbia Greene Community College | Columbia Greene: Transportation Training Program | Columbia-Greene Community College will implement a training project designed to provide individuals residing in Columbia and Greene counties with the skills necessary to obtain a Class A or B level commercial driver's license. | DOL UWT | $42,630 |
| 67341 | Columbia, Greene | Greene County | Hudson River Skywalk Phase 2 | Greene County will build on Phase 1 planning and design work and undertake Hudson River Skywalk Phase 2. This phase will construct the pedestrian connection between the west side of the Skywalk to the Thomas Cole National Historic Site, as well as pedestrian safety improvements and look-out points along the south side of the Skywalk. Phase 2 will also study and design direct, safe pedestrian connections from the east side of the Skywalk to Olana State Historic Site. | DOS LWRP | $875,000 |
| 65464 | Greene | American Dance Institute | ADI Lumberyard Waterfront | American Dance Institute will rehabilitate its waterfront properties in line with Catskill's Downtown Waterfront Revitalization Plan to create retail/restaurant space, a flexible rehearsal/community/event space, offices and a parking area. | ESD Grants | $300,000 |
| 64248 | Greene | Greene County | Greene County Microenterprise Program | Funds will be used to assist in the establishment of a Microenterprise Program. | HCR CDBGME | $200,000 |

# Capital Region

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 65313 | Greene | Greene County | Greene County Mountain Bike Ride Center | Funds will be used to support the promotion of a Ride Center campaign, a first step to shift marketing efforts to a target segment of mountain biking day-trippers and overnight guests from the NYC metro and surrounding areas, as well as outside New York State. | ESD MNY | $75,000 |
| 66899 | Greene | Prattsville Art Project, Inc. | Administrative Workforce Expansion | The Prattsville Arts Center will hire an Associate Director to expand community programs and cultural events that support the revitalization of Main Street and ongoing recovery from the impact of Hurricane Irene. | Arts WIP | $25,000 |
| 67041 | Greene | Thomas Cole Historic House | Restore Coles Decorative Painting plus Fire Suppression System | This project will restore and protect a unique and internationally acclaimed tourism asset: Thomas Cole's home and the newly discovered hand-painted decoration he created on the walls and to add a fire suppression system. The expected outcome is the complete restoration of the earliest known interior decorative painting by an American artist, increased visitation, and the preservation and protection of the Main House. | OPRHP HP D | $417,650 |
| 67555 | Greene | Thomas Cole Historic House | Marketing New Cole Site Permanent Interpretive Exhibition | Grant funds will be used to assist in the development of interactive technology to infuse the historic rooms of Thomas Cole's home tourism destination with spectacular audiovisual effects, and will tell one of American history's greatest stories using methods designed for the next generation of visitors. | ESD MNY | $165,000 |
| 64271 | Greene | Town of Catskill | Functional Consolidation of Code Enforcement Offices | The Town and Village of Catskill will plan for the consolidation of code enforcement services. By combining departments and balancing staffing needs, the Town and Village will save money and provide a higher level of service to the community. The consolidation will allow for the modernization of the department, providing training to fully utilize new equipment and the ability to electronically process permits, inspections and violations. | DOS LGE P | $12,000 |
| 65149 | Greene | Village of Tannersville | Implementation of Gooseberry Creek Revitalization Strategy | The Village of Tannersville will implement key projects in the Gooseberry Creek Revitalization Strategy including Gooseberry Park, a Creek overlook on Main Street, Gotay Pocket Park and trailhead, and stream channel restoration. Streetscape improvements will be installed along Main St. such as lighting, accessibility, public art, murals, a pocket park and a memorial garden. Phase 2 of the Kaaterskill Rail Trail and a trail network at Hathaway Estate will also be designed and constructed. | DOS LWRP | $500,000 |
| 67901 | Rensselaer | Arts Center of the Capital Region | Master Plan for Art in Public Places in Troy, NY | The Master Plan for Art in Public Places in Troy will create a comprehensive plan for art in public places in the Capital Region, using Troy as a pilot, which will highlight the beauty of the region's cities and, through its implementation, transform the region into an arts destination. | Arts CHPG P | $49,500 |
| 65124 | Rensselaer | Brown's Brewing Company | Brown's Brewery Sustainable Development | Funds will be used to support a portion of the costs of constructing a new addition on the west side of the building to house an elevator shaft and elevator in order to create universal access to the basement, ground floor, and upper two floors. | ESD MNY | $107,450 |

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 65124 | Rensselaer | Brown's Brewing Company | Brown's Brewery Sustainable Development | Brown's Brewing Company will renovate and expand its Hoosick Falls facility by investing in new equipment and RD to implement a full canning line, additional cold storage, lab space and expanded processing capabilities, establishing a craft brewing and agricultural destination. | ESD Grants | $450,000 |
| 68051 | Rensselaer | City of Troy | Ingalls Avenue Shoreline Park | The City of Troy seeks to acquire land on President St. between Ingalls Avenue and Middleburgh Street in Troy upon which the City intends to ultimately construct a park with environmental and historic interpretive amenities to support the funded boat launch construction immediately adjacent to and north of this Park acquisition site. This park could become the Gateway entrance to the Erie canal. | OPRHP HAS A | $454,006 |
| 65941 | Rensselaer | Dauchy River Triangle, LLC | American Theater | Dauchy River Triangle will renovate the historic American Theater in Troy to establish a new movie theater and contribute to the revitalization of downtown Troy. | ESD Grants | $600,000 |
| 68677 | Rensselaer | Greenway Heritage Conservancy HRV, Inc. | Hudson River Train Mobile Tour App | Grant funds will be used to create a hybrid app that will provide passengers on Amtrak and Metro-North's Hudson River line trains a guided tour of the region's history, scenery and natural resources right outside their window. | ESD MNY | $100,000 |
| 66587 | Rensselaer | Media Alliance | Echoes of Lock One | "Echoes of Lock One" is an interdisciplinary youth multimedia arts project focused on the Erie Canal legacy. Working at the confluence of the Canal and the Hudson River Estuary in one of New York's most challenged communities, neighborhood teens will craft their stories of hope from lived history. | Arts CHPG I | $68,000 |
| 65797 | Rensselaer | Rensselaer County Soil and Water Conservation District | Moore Hill Culvert | The Rensselaer County Soil and Water Conservation District will construct a new modified culvert under Moore Hill Road. The project will allow aquatic species to move upstream and access additional habitat. | DEC WQIP AHR | $22,095 |
| 67820 | Rensselaer | River King Development | 155 River Street | Renovation of a vacant historic building, infrastructure improvements and construction of a parking garage to create new commercial, restaurant and entertainment space, residential units and a boutique hotel in downtown Troy | ESD Grants | $1,000,000 |
| 66812 | Rensselaer | STRIDE, Inc. | Stride SHARE Center | STRIDE, Inc. will redesign existing buildings in West Sand Lake to align with its mission and goals and to fit the needs presented by the special needs community. The redesign will address accessibility and create a multi-purpose program area, meeting/conference space, an adaptive exercise area and a family lounge. | ESD Grants | $100,000 |
| 64598 | Rensselaer | Sustainable AquaFarms | Sustainable Agriculture Business Expansion | SAFE Holding Co. will expand its business in the Town of Berlin to produce hydroponic lettuces and caviar. The expansion includes the development of tank system, installation of ground source heat pumps, CHP generation, fish houses for black bass and sturgeon, and the construction of administrative buildings. | ESD Grants | $3,000,000 |

## Capital Region

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 65199 | Rensselaer | Tech Valley Center of Gravity Inc. | TVCOG Community Based Business Cultivation | The Tech Valley Center of Gravity (TVCOG) will expand their makerspace significantly by adding co-working space, a community room for workshops and a kids' makerspace they've named the THINQubator that builds a rich pipeline of next generation makers and entrepreneurs. | ESD BIHSP I | $125,000 |
| 67829 | Rensselaer | Town of East Greenbush | Mill Creek Tempel Farms Infrastructure | The Town of East Greenbush will undertake a public road extension along with water and sewer services from Third Avenue Extension to Tempel Lane within the Town to serve private industrial and commercial development in the Mill Creek area. | ESD Grants | $2,000,000 |
| 65595 | Rensselaer | Town of Schodack | Stormshed Mapping | The Town of Schodack will complete comprehensive system/program mapping of outfalls in the Town. The project will greatly enhance efforts to track down illicit discharges and eliminate sources of contamination. | DEC WQIP MS4 | $18,675 |
| 68656 | Rensselaer | Tri-City ValleyCats | Capital Region All-Star Event | The Tri-City Valley Cats will use the grant funds to host the NY-Penn League All-Star Baseball Game, a 2-day premier sporting event that will attract visitors both statewide and nationally. | ESD MNY | $135,000 |
| 68182 | Rensselaer | University at Albany Bioscience Development Corporation | Rensselaer Bioscience Development Upgrades | University at Albany Bioscience Development Corporation will make facility upgrades to the Cancer Research Center, George Education Center and the Main Laboratory Building in Rensselaer County necessary to retain and continue attracting bioscience development researchers and companies. | ESD Grants | $4,000,000 |
| 65093 | Rensselaer | Village of Hoosick Falls | Village of Hoosick Falls Wood Brook Flood Mitigation Study | Funds will be used to complete a study of flooding and associated solutions caused by the Woods Brook. | HCR CDBGCP | $23,560 |
| 68571 | Rensselaer | Village of Hoosick Falls | PFOA Wastewater Study | The Village of Hoosick Falls will complete an engineering report to evaluate the potential upgrades needed to address the perfluorooctanoic acid (PFOA) discharge to the wastewater treatment facility. | DEC EPG | $30,000 |
| 66287 | Rensselaer, Columbia, Greene | Questar III BOCES | Certified Nurse Aide Special Populations Training | Questar III BOCES Rensselaer-Columbia-Greene will train unemployed individuals to obtain a Certified Nurse Aid (CNA) certificate. Trainees obtaining the certificate and subsequent employment will put themselves in a position to obtain higher level employment as EMTs, LPNs, and RNs. | DOL SPT | $91,381 |
| 67851 | Saratoga | City of Saratoga Springs | Construction of The Greenbelt Trail Downtown Connector | The City of Saratoga will construct its Greenbelt Trail Downtown Connector, incorporating bicyclist, pedestrian, and transit improvements in an area starting at the corner of the Maple and Lake Avenue intersection extending to the eastern loop of Excelsior Avenue. Work will consist of preliminary and final engineering and construction. | DEC CSC | $1,134,333 |

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 67389 | Saratoga | Common Roots Brewing Company | Common Roots Brewing Expansion | Common Roots Brewing Company will expand and renovate its existing warehouse to accommodate a new canning line and grain storage, milling and conveyance systems to support continued growth and expansion into new markets. | ESD Grants | $100,000 |
| 66228 | Saratoga | Hudson Valley Community College | HVCC Building Systems Technology Programs | Expansion of the current labs at Hudson Valley's Malta location that serve the renewable energy employer market to enable additional students to be accepted into the Electrical Construction Maintenance Program. | ESD Grants | $75,000 |
| 68532 | Saratoga | JW Danforth | JW Danforth Expansion | JW Danforth will build an office building adjacent to its warehouse/fabrication facility to accommodate existing and future employment growth. | ESD Grants | $575,000 |
| 49005 | Saratoga | Polyset Company Inc. | Polyset Expansion | Polyset will construct a warehouse on its existing property and acquire adjoining buildings to increase operational capacity, add an additional production shift and hire additional employees. | ESD Grants | $250,000 |
| 67502 | Saratoga | Saratoga County Planning Department | Zim Smith Trail Extension Coons Crossing Road to City of Mechanicville | Saratoga County will construct a multi-use trail to extend the existing Zim Smith Trail at its current terminus in the Town of Halfmoon, east to the City of Mechanicville. The project is currently in the preliminary design phase and the County has initiated the Right-of-Way acquisition process for the necessary portions to construct the trail. The trail will be paved, providing accessible recreational opportunities for local residents and tourists. | OPRHP PKS D | $500,000 |
| 66082 | Saratoga | Town of Ballston | Town of Ballston Microenterprise Program | Funds will be used to assist in the establishment of a Microenterprise Program. | HCR CDBGME | $200,000 |
| 64275 | Saratoga | Town of Corinth | Water System Operation and Maintenance Consolidation | The Town of Corinth will consolidate the operation, reporting and maintenance of their water system into the Village of Corinth system. Both the Town and Village are committed to increasing efficiency of water delivery and reduce the costs associated with this delivery. This would be achieved by shifting the technical and administrative water supply duties from the Town to the Village, which translates into savings for taxpayers and water users in the Village and Town, and will ensure high quality water for residents. | DOS LGE | $400,000 |
| 63342 | Saratoga | Village of Corinth | Village of Corinth Wastewater Facility Improvements | Funds will be used to help construct a new Waste Water Treatment Plant. | HCR CDBGPIPF | $1,000,000 |
| 68450 | Saratoga | Village of Corinth | Village of Corinth Wastewater Preliminary Engineering Report | The Village of Corinth will complete an engineering report to identify sources of inflow and infiltration to the village's sanitary sewer collection system and develop recommendations for rehabilitation. | DEC EPG | $78,000 |
| 65054 | Schenectady | City of Schenectady | Mohawk Harbor Visitor Center and Large Vessel Dockage | This project will include the construction of a walking trail, visitor's center with public restrooms and approximately 75 feet of large vessel dockage space. | Canals | $150,000 |
| 65554 | Schenectady | DHA Holdings, Inc. | P1 Advanced Manufacturing Center | P1 Holdings will construct an advanced manufacturing center that enables the company to develop new, high tech manufacturing capabilities, train in the new software/hardware world of manufacturing and position the company to enter new markets and increase manufacturing work. | ESD Grants | $750,000 |

## Capital Region

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 65254 | Schenectady | Re4orm Architecture | The Mill | Re4orm Architecture will acquire and renovate properties in Schenectady to create The Mill Artisan District, a three-block area that will include New York maker space for a distillery, a craft brewery, retail establishments and apartments. | ESD Grants | $2,325,000 |
| 65673 | Schenectady | Schenectady Community Action Program | SCAP Employment Services | Schenectady Community Action Program (SCAP)'s Employment Services Project will provide an occupational skills training that incorporates career pathway and employability skills development, and job placement and retention services. Through extensive local collaborations, SCAP will provide workers with training and credential opportunities in the following positions: Certified Nurse Aid/Assistance (CNA), Home Health Aid (HHA), Personal Care Aide (PCA), and Teacher's Aide/Paraprofessional. | DOL SPT | $100,000 |
| 67122 | Schenectady | Schenectady County Water Quality Coordinating Committee | Comprehensive System Mapping Program | Schenectady County will conduct comprehensive MS4 system/program mapping. The project will help the County to identify stormwater discharges into local waterways. | DEC WQIP MS4 | $61,500 |
| 65664 | Schenectady | Town of Glenville | Town of Glenville Economic Development Study | Funds will be used to complete a Development Plan for a 310 acre industrial site known as the Glenville Business and Technology Park. | HCR CDBGCP | $47,500 |
| 66241 | Schenectady, Albany | Schenectady County Community College | SCCC UWT 2016 | Schenectady County Community College, in partnership with Albany Can Code, will implement the Capital Region Software Talent Training program. This New York State Department of Labor funded pilot will address the issue of a shortage of web and software developers. | DOL UWT | $49,812 |
| 66296 | Schenectady, Saratoga | Capital Region BOCES | Shared Bus Repair Program | This Shared Bus Repair Project will study the feasibility of sharing school bus repair (including mechanics and supplies) between three school districts in partnership with Capital Region BOCES. The three school districts – Burnt Hills-Ballston Lake, Niskayuna and Scotia-Glenville – have been working together since 2014 to find transportation efficiencies and sharing bus repair services is a next step to creating additional cost savings. | DOS LGE P | $17,500 |
| 64543 | Schenectady, Saratoga, Albany | Capital Region BOCES | Capital Region Shared Student Transportation Project | The Capital Region Shared Student Transportation Project will coordinate the sharing of buses for out-of-district locations, including to private schools, special education sites and BOCES programs. Districts will be able to eliminate some bus runs altogether reducing spending on student transportation. | DOS LGE | $182,160 |
| 64040 | Warren | Adirondack Pub Brewery | Adirondack Craft Beverage Campus | Expansion of the Adirondack Pub Brewery and construction of an adjacent parcel to establish the Craft Beverage Campus, a winery and a beverage incubator that will serve as a regional food and beverage education center through partnerships with SUNY Adirondack, Schenectady County Community College and Paul Smiths College to coordinate and integrate craft beverage academic programs, further career opportunities and expand year-round tourism in the Village of Lake George. | ESD Grants | $325,000 |

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 65429 | Warren | City of Glens Falls | Downtown Green Infrastructure | The City of Glens Falls will retrofit and reduce runoff from roofs, municipal parking lots and a pedestrian mall in the area of Exchange Street using bioretention and dry well stormwater reduction measures. The project will reduce combined sewer overflows to the Hudson River thereby reducing pathogenic organisms in the river. | DEC WQIP NPS | $225,000 |
| 67911 | Warren | EASM Properties, LLC | The Park Theater | Renovations to the historic Park Theater to establish new performance space and a restaurant in Glens Falls. | ESD Grants | $600,000 |
| 67104 | Warren | Finch Paper | Finch Paper Residuals Project | Finch will convert its paper residuals waste stream into two products, agricultural products and energy generation, which will create new revenue streams and eliminate the deposit of paper residuals into area landfills. The investment in cutting-edge fiber processing technology will generate clean, renewable energy as well as the manufacturing of fertilizer and bedding solutions. | ESD Grants | $1,000,000 |
| 66142 | Warren | Hudson Headwaters Health Network | Women's Wellness Center | Hudson Headwaters will renovate 90 South Street and offer expanded women's health care services in downtown Glens Falls. | ESD Grants | $250,000 |
| 65876 | Warren | Town of Bolton | Veterans Memorial Park Master Plan Update | The Town of Bolton will update its master plan for Veterans Memorial Park, addressing the summer youth recreation buildings, green open space, playground, dedicated ball courts, parking, stormwater management and pedestrian linkages from the transient docks and to downtown. | DOS LWRP | $18,750 |
| 64509 | Warren | Town of Hague | Public Dock Expansion | The Town of Hague will design and construct Americans with Disabilities Act-compliant public docks at the Hague Town Park as an addition to the existing Town Dock, which provides the only public dock access to a business district in Lake George's North Basin. | DOS LWRP | $38,000 |
| 64257 | Warren | Town of Lake George | Joint Climate Action Plan and Certification | The Town and Village of Lake George will develop and adopt a joint Climate Action Plan, complete with Greenhouse Gas Emissions inventories and goals, a vulnerability assessment, review of community plans, and strategies for both municipalities. As a result, the Town hopes to become the first Certified Climate Smart Community in the Adirondack region. | DEC CSC C | $25,000 |
| 65320 | Warren | Warren County Soil and Water Conservation District | Warren County Erosion and Sediment Control Project | The Warren County Soil and Water Conservation District will continue the roadside erosion and sediment control and reservoir and sediment pond cleanout programs. The project will control erosion/ sedimentation thereby reducing excess sediment impacting water quality throughout the County. | DEC WQIP NPS | $57,000 |

## Capital Region

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 63348 | Warren, Saratoga | Warren County | First Wilderness Plan Implementation 2016 | Warren County and project partners will implement goals established in the First Wilderness Heritage Corridor Plan in Warren and Saratoga Counties. Projects include trail and parking construction, a covered passenger shelter at Corinth Station, a feasibility study for North Creek Ski Bowl trail connections, streetscape improvements around the North Creek Train Station, development of tourism materials, and improvements to the Pottersville water supply system to address flooding. | DOS LWRP | $520,300 |
| 65696 | Washington | Hubbard Hall Projects, Inc. | Administrative Workforce Expansion | Hubbard Hall Center for the Arts and Education will expand its Program Director position to full-time in order to better serve students and community members with greater programming opportunities throughout Washington County and the Capital Region. | Arts WIP | $34,000 |
| 67954 | Washington | Hubbard Hall Projects, Inc. | Marketing Washington County Arts | Grant funds will be used to create Phase II of the Washington County Arts Marketing Campaign and Festival in 2017, in order to raise the profile of the Washington County region and attract new visitors and residents alike, aimed at drawing those interested in the higher quality of life available in Washington County. | ESD MNY | $15,000 |
| 68643 | Washington | Morcon, Inc. | Morcon Training and Development | Morcon, Inc. will provide three levels of training programs: Supervisory Leadership Skills, Train the Trainer, and New Hire, to enhance the skills for workers in the manufacturing field. The training programs will ensure that future hires are trained, mentored, and receive the support to be successful and productive employees of Morcon. | DOL NHT | $3,000 |
| 64950 | Washington | Town of Granville | D&H Rail Trail Corridor | The Town of Granville will complete a feasibility study and preliminary concepts for the gaps of the D&H Rail Trail in New York, a nearly 16 mile intermunicipal and interstate rail trail in the Town and Village of Granville and the Town of Salem, linking to Vermont's existing 20+ mile D&H Rail Trail. The resulting trail network will connect New York and Vermont communities, provide alternative transportation and healthy recreation opportunities, and support economic development and tourism. | OPRHP PKS P | $22,500 |
| 64436 | Washington | Village of Cambridge | Village of Cambridge Sewer Project Study | Funds will be used to complete a Preliminary Wastewater Engineering Study to evaluate a new collection and treatment system. | HCR CDBGCP | $30,000 |
| 63624 | Washington | Village of Granville | Village of Granville Wastewater Treatment Plant Upgrades | Funds will be used to make improvements to the wastewater treatment facility. | HCR CDBGPIPF | $600,000 |
| 64556 | Washington | Village of Greenwich | Wallies of Greenwich | The Village of Greenwich will assist in the renovation of the Wallie's of Greenwich building located at 54 Main Street in Greenwich. The renovation project will restore the iconic restaurant that was once an anchor for the Village's commercial district. | HCR NYMS | $500,000 |

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 67582 | Washington | Village of Hudson Falls | Village of Hudson Falls Water System Improvements | Funds will be used to replace water infrastructure. | HCR CDBGPIPF | $750,000 |
| 65233 | Washington | Village of Whitehall | Village of Whitehall Water System Improvements | Funds will be used to replace the single 14" Water Main located under attached to the Lake Champlain Bridge at South Bay. | HCR CDBGPIPF | $750,000 |
| 63852 | Washington | Washington County | Washington County Shared Regional Highway Operations Center | Washington County municipalities and the Department of Transportation will look at consolidating and sharing services across all local, county, and Department of Transportation Regional Highway Operations Centers. The County will evaluate the delivery of highway and maintenance services and identify ways to reduce costs across municipalities, identifying ways to improve efficiency, identify shared equipment possibilities, consolidate buildings and services, and reduce administrative expenses. | DOS LGE P | $37,500 |
| 63974 | Washington | Washington County Department of Public Works | Washington County Erosion Control and Stormwater Mitigation Program | Washington County will address roadside erosion sites that are contributing sediment to several waterbodies within the County. The project will reduce sediment and phosphorous loading and improve fish spawning and migration in local surface waters. | DEC WQIP NPS | $395,760 |
| | | Excelsior Jobs Credits | | Excelsior Jobs Program tax Credits will be reserved for future projects including business investments in targeted industries that are within the region and that create or retain jobs, create capital investment and are consistent with the Strategic Plan. | ESD EJPB | $9,000,000 |
| | | Low Cost Economic Development Financing | | Federal Industrial Development Bond (IDB) Cap will be made available for state and local government issuers to sell tax-exempt bonds for eligible economic development, infrastructure and community revitalization efforts. | ESD IDBC | $30,000,000 |
| | | NYSERDA Energy Efficiency Projects | 17 Energy Efficiency Projects | NYSERDA's Commercial and Industrial (C&I) programs offer businesses in New York State solutions to improve energy efficiency and save money through design, new construction, renovation, and process improvements to commercial and industrial buildings. The Commercial New Construction Program and the Commercial Implementation Assistance Program can help building owners make informed decisions about designing and renovating sustainable buildings. The FlexTech Program offers energy-saving opportunities through consultation and cost-shared studies. The Industrial and Process Efficiency Program can help organizations increase manufacturing output and data processing efficiency. | NYSERDA EE | |

## $83.3 million awarded to 105 projects

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 63873 | Dutchess | Bard College | Fellowship Workforce Expansion | The Richard B. Fisher Center for the Performing Arts at Bard College will hire a Curator for Inclusive Excellence to provide leadership and vision for developing and presenting artists and projects that focus on diversity, inclusion, and equity. | Arts WIP | $49,500 |
| 66397 | Dutchess | City of Beacon | Wastewater Planning Grant | The City of Beacon will complete an engineering report to identify sources of inflow and infiltration to the City's sanitary sewer system. | DEC EPG | $30,000 |
| 66600 | Dutchess | City of Poughkeepsie | Southern Waterfront Promenade Construction | The City of Poughkeepsie will construct the 3,000-foot Southern Waterfront Promenade along the City's Hudson River waterfront based upon decades of community preparation, engagement and collaboration. The proposed promenade will include a permanent deep water boat pier, a kayak/ canoe launch, public rest rooms, a visitor interpretive center, decorative lighting and bollards, dedicated fishing stations, benches, fountains and many pleasant places to gather along the river. | DOS LWRP | $500,000 |
| 67990 | Dutchess | City of Poughkeepsie | Poughkeepsie Waterfront Connectivity Project Phase II | The City of Poughkeepsie will prepare final designs and permitting for the Kaal Rock Connector - a trail around Kaal Rock Point to connect the City's northern and southern waterfront parks; and construct the Northern Waterfront Park through a private developer. Design of Northern Waterfront Park was funded by a previous EPF LWRP grant. | DOS LWRP | $500,000 |
| 68594 | Dutchess | City of Poughkeepsie | Consolidation of Dutchess County Bus Service | The City of Poughkeepsie and Dutchess County will consolidate busing service in the County. This project calls for the absorption of the City's existing municipally-operated bus system by Dutchess County. A recent study revealed that the County bus service could be expanded to the City at no additional cost to the County. Benefits include: a reduction in City taxes, increased hours of service, streamlined aid and increased access to points of interest. | DOS LGE | $315,000 |
| 66351 | Dutchess | Efco Products, Inc. | Business Improvements and Expansion | Efco, Inc. plans to purchase machinery and equipment to increase their capacity and decrease their operating costs, as well as improving worker safety, expanding capacity to support continued growth, thereby protecting their business and workforce. | ESD Grants | $200,000 |

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 63509 | Dutchess | Family Services, Inc. | Family Partnership Center Campus Revitalization Project | Family Services, Inc. a not for profit that is integral to the continued revitalization of the City of Poughkeepsie, plans to upgrade their sprawling human services hub located in downtown Poughkeepsie to better serve their clients. | ESD Grants | $100,000 |
| 66143 | Dutchess | Family Services, Inc. | Family Partnership Center's Urban Park | Family Services, Inc., will build an urban park that will include greatly needed renovations to the gymnasium including a new efficient HVAC system, ADA-compliant lavatories, a multipurpose divider and bleachers, as well as outdoor fencing and installation of an outdoor badminton/ volleyball court and small playground. | OPRHP PKS D | $422,576 |
| 66511 | Dutchess | Fishkill Farms, LLC | Fishkill Farms Craft Cider Project | The Fishkill Farms, LLC Craft Cider Project is a comprehensive plan for the expansion of their orchards, construction of a craft cider facility, tasting room and event space. The expanded orchard will supply much-needed cider apple juice to Fishkill Farms Cidery and other regional cideries. The farm's main barn will be transformed into a state of the art farm cidery facility with the necessary infrastructure for the production of a world-class alcoholic cider product. | ESD Grants | $300,000 |
| 64954 | Dutchess | Foundation for Vassar Brothers Medical Center | Vassar Brothers Medical Center Patient Pavilion - Phase II | Phase two of the Patient Pavilion will continue to replace and modernize significant portions of its existing campus, located in the City of Poughkeepsie. This three-phase project entails the renovation of 13,800 square feet in the existing Vassar Brothers Medical Center building and the construction of a 696,440 square-foot bed tower. This phase of the project will involve the pouring of the foundation and footings, as well as the construction of the core and shell of the new pavilion. | ESD Grants | $2,500,000 |
| 64793 | Dutchess | Harlem Valley Rail Trail Association, Inc. | Harlem Valley Rail Trail Outdoor Classroom | The Harlem Valley Rail Trail Association will build an outdoor classroom, a quarter-mile north of the Village of Millerton on a double-wide railroad bridge on the Harlem Valley Rail Trail. One half of the bridge will carry the Trail, the other half will be developed into a sheltered, open-air classroom focusing on water conservation, the wetland conservation, the importance of ecosystems, and implications of human-plant/animal interactions. Interpretive displays will also be installed. | OPRHP PKS D | $97,000 |
| 68039 | Dutchess | Marist College | Fulton Street Technology Crossroad Phase 2 | The Fulton Technology Cross Road Project is a multi-phase project that will bring together an array of resources to deliver education, advanced technology, and manufacturing in the areas of health, fine arts and technology. Phase 3, Marist will expand the existing steel fabrication plant with the addition of 26,000 sq.ft. to include digital printing, two art galleries, makerspace, advanced manufacturing space, and the creation of a center for the study and development of new technologies. | ESD Grants | $1,000,000 |

## Mid-Hudson

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 65355 | Dutchess | Poughkeepsie Waterfront Development, LLC | Poughkeepsie Landing Waterfront Redevelopment Project | Poughkeepsie Waterfront Development, LLC proposes to redevelop a 14-acre parcel along the southern waterfront in the City of Poughkeepsie to include the Expansion of the marina, doubling the capacity for seasonal and transient boaters to visit; a high-end Marina Club, which includes a pool, and restaurant; an 80,000-sq. ft. mixed-use building with restaurants, spa, and shops on the ground floor, and apartments on the second floor, and public-access amenities, including green spaces and a connector to the Dutchess Rail Trail. | ESD Grants | $2,000,000 |
| 64553 | Dutchess | Poughkeepsie-Highland Railroad Bridge Company, Inc. | Walkway East Entranceway Visitor Improvement Project | The Poughkeepsie-Highland Railroad Bridge Co. will use funding to build a Welcome Center at the Walkway Over the Hudson State Historic Park's east entrance which will feature permanent rest rooms, a covered gathering area, water fountains, vendor pads with electric access, benches, lighting, landscaping and other amenities suitable to accommodate the 500,000 visitors Walkway Over the Hudson State Historic Park hosts annually. | OPRHP PKS D | $500,000 |
| 67330 | Dutchess | The Beacon Institute, Inc. | Dennings Point Renovation | The Beacon Institute will transform part of an abandoned factory building into a multi-purpose public asset, including vehicle parking and a picnic pavilion. The shoreline adjacent to the pavilion will also be restored and stabilized. The industrial building's roof will be converted into a solar photovoltaic array. The park's shoreline trail will also be upgraded and new interpretive signage will enhance the public's understanding of the park's wildlife habitats. | OPRHP PKS D | $500,000 |
| 65347 | Dutchess | The Wassaic Project | Administrative Workforce Expansion | The Wassaic Project will add a full-time External Affairs and Marketing Officer to expand visibility and build year-round audiences for its contemporary art and community programs, enhance visitor experiences to the area, and facilitate connections with regional arts organizations and attractions. | Arts WIP | $37,500 |
| 67538 | Dutchess | Town of Dover | Town of Dover Climate Smart Communities Certification | The Town of Dover will implement its "Climate Smart Dover" program that will lead to Climate Smart Communities (CSC) certification. The Town will complete 132 points over a two-year period by undertaking a series of localized and CSC priority actions, including natural resource inventory; road-stream crossing vulnerability assessment; review of existing policies and plans; government operations greenhouse gas (GHG) emissions inventory and reduction targets; and a climate action plan. | DEC CSC C | $40,445 |
| 68525 | Dutchess | Town of Red Hook | Local Waterfront Revitalization Program Update | The Town of Red Hook will update its 1995 Local Waterfront Revitalization Program (LWRP) to mitigate future climate risks from sea level rise, increased frequency and intensity of storms and the resultant flooding from these weather related changes. The LWRP update will articulate a vision for the Town's waterfront. | DOS LWRP | $42,440 |

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 64385 | Dutchess | T-Rex Hyde Park Owner, LLC | Bellefield at Hyde Park Phase II | Bellefield at Hyde Park Phase II represents the next step in building out this world class, hospitality and tourism destination located across from the renowned Culinary Institute of America in Hyde Park, NY. | ESD Grants | $2,000,000 |
| 67418 | Dutchess | Village of Wappingers Falls | Wappinger Lake Inflow Quality Improvements | The Village of Wappingers Falls will create an open bioswale and stormwater drainage in the Village. The project will reduce the phosphorous, sediment and silt deposited in Wappiner Lake . | DEC WQIP NPS | $925,766 |
| 67798 | Dutchess, Orange, Ulster, Rockland, Westchester | City of Beacon | Mid-Hudson Regional Downtown Initiative | The City of Beacon, in collaboration with Patterns for Progress, will create community development profiles and plans for communities within the Mid-Hudson Region to foster sustainable growth and redevelopment of urban centers. The initiative will establish local recommendations and identify projects that will promote downtown revitalization and stimulate economic development within the region. | DOS LWRP | $175,000 |
| 55789 | Dutchess, Ulster, Orange | Spark Media Project | Administrative Workforce Expansion | Spark Media Project will hire an Executive Assistant to work in close association with the Executive Director. S/he will attend meetings in the ED's absence, create operational systems, and resolve key administrative issues, in order to support the goals of Spark's comprehensive Strategic Plan. | Arts WIP | $40,000 |
| 67008 | Dutchess, Ulster, Putnam, Westchester, Orange | Half Moon Theatre | Administrative Workforce Expansion | Half Moon Theatre will hire a new Marketing Development Director to oversee and expand marketing and fundraising strategies. The Marketing Development Director will play a major role in helping HMT build capacity by increasing earned/unearned revenues. | Arts WIP | $49,500 |
| 65663 | Orange | Boys & Girls Club of Newburgh | Center for Arts and Education | The Boys & Girls Club of Newburgh will purchase the Columbus Trust Bank building, located in the East End Historic District in Newburgh that will become the new home for the Newburgh Performing Arts Academy and the Early Elementary Education Center. The new facility will be named the Center for Arts & Education. | OPRHP HP A | $500,000 |
| 68575 | Orange | Hudson River Partners | Marketing The Historic Thayer Hotel at West Point to Drive Tourism to the Hudson Valley | The Thayer Hotel at West Point will implement a regional tourism marketing plan to increase tourism and travel to the Hudson Valley to extend travelers' overnight length of stay and increase visits to regional tourism attractions. | ESD MNY | $356,725 |
| 66895 | Orange | Ironworkers Local 417 Training and Education | Iron Workers Local 417 Training and Education Center | The Iron Workers Local 417 Training and Education Center is a proposed addition to its existing headquarters and training facility in the Town of Newburgh. This addition will be a state-of-the-art, two-story wing including dividable classroom space with interactive smart board technology as well as an innovative working indoor crane and demonstration area in which trainees can carry out actual construction tasks. | ESD Grants | $350,000 |
| 57588 | Orange | Merlin Entertainments, PLC | LEGOLAND New York | Legoland NY will continue to invest in infrastructure needs for this new amusement park in Goshen, Orange County. | ESD Grants | $3,000,000 |

| 66935 | Sullivan | Town of Highland | Relocation of Town of Highland Highway Facility | The Town of Highland will construct a new five-bay town shop on town property located on the west side of NYS Route 55 in Eldred, NY. This facility will replace the current town shop that is located in the floodway of Halfway Brook, which was flooded during Hurricanes Ivan, Lee, Irene, Sandy, and by severe flooding in April 2005 and June 2006. | DEC CSC | $489,700 |
| 63413 | Sullivan | Town of Liberty | Town of Liberty White Sulphur Springs Improvements | Funds will be used to construct Phase 7 improvements within the White Sulphur Springs Water District. | HCR CDBGPIPF | $745,299 |
| 67421 | Sullivan | Town of Rockland | Livingston Manor Riverwalk | The Town of Rockland will undertake streambank stabilization as part of the larger Riverwalk project, which will include pathways, boardwalks, signage, and landscaping. The streambank work is needed to mitigate the potential for future flooding. | DEC CSC | $115,000 |
| 67421 | Sullivan | Town of Rockland | Livingston Manor Riverwalk | The Town of Rockland will build the Livingston Manor Riverwalk which will parallel Main Street and connect to Renaissance Park. The Riverwalk will exist as a township managed easement across 6 privately owned parcels and 1 township owned parcel. The project will also include streambank restoration. | OPRHP PKS D | $305,000 |
| 65734 | Ulster | City of Kingston | Kingston Point Park Infrastructure Improvements | The City of Kingston will install a youth soccer field at the Kingston Point Park Complex, improve drainage and regrade/ pave the existing parking lot, improve the Kingston Point Dog Park, and regrade the softball field so players can safely play. Energy efficient lighting will also be installed. | OPRHP PKS D | $300,000 |
| 65737 | Ulster | City of Kingston | Kingston Point Rail Trail Enhancements | The City of Kingston will construct 4 trailheads on 1.5 miles of former railroad linear right of way in the City. The project will also include surfacing of 1,000 feet of rail trail, which will bring the end point of the trail to the waterfront next to the Trolley Museum on East Strand Street. | OPRHP HAS D | $500,000 |
| 65740 | Ulster | City of Kingston | Rondout Riverport Shoreline Stabilization and Public Access Design | The City of Kingston will design improvements along Kingston's waterfront area. The project will involve the design of a bulkhead, shoreline restoration and a promenade to the Kingston Lighthouse to increase public access to the waterfront, flooding resiliency and boating activity. | DOS LWRP | $197,500 |
| 65815 | Ulster | City of Kingston | City of Kingston Greenhouse Gas Inventory | The City of Kingston will hire an Environmental Asset Manager to design, develop and implement a municipal fleet management program and to update the existing 2010 Greenhouse Gas Emissions (GHG) Inventory. This will enable the City to track energy use and guide its achievement of energy reduction goals established by the Climate Action Plan in 2012. | DEC CSC C | $50,000 |

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 66859 | Ulster | City of Kingston | Kingston Connectivity Project - Construction of Complete Streets Elements on Broadway | The City of Kingston will rehabilitate sidewalks and install a two-way protected bike lane and synchronized traffic and bike signals, improved bus stops, and streetscape amenities on a 3,200-foot stretch of Broadway between St. James Street and Grand Street in the Midtown neighborhood. Permeable pavers and bioswales around the tree pits will enhance the curb strip approximately every 80 feet on both sides of roadway, intended to direct water away from the combined sewer system. | DEC CSC | $850,000 |
| 66859 | Ulster | City of Kingston | Kingston Green Streetscape | The City of Kingston will install porous pavers, bioretention and stormwater street trees along Broadway as part of the Kingston Connectivity Project started in 2013 with other CFA awards. This project will help to reduce the amount of stormwater flowing into the City's combined sewer system while demonstrating the benefits of green infrastructure at a highly visible juncture of the Rail Trail Hub along Roundout Creek, which links midtown with the uptown and the downtown waterfront. | EFC GIGP | $1,400,000 |
| 68355 | Ulster | County of Ulster | Ashokan Rail Trail | Ulster County will convert 11.5-miles of the County-owned Ulster & Delaware Railroad corridor into an accessible, shared-use trail along the northern short of the Ashokan Reservoir. The Project extends from West Hurley to Boiceville and will be open to the public without fee or permit year-round for running, walking, bicycling, cross-country skiing, and snowshoeing. | OPRHP PKS D | $500,000 |
| 66047 | Ulster | HealthAlliance of the Hudson Valley | Medical Village | The co-location of a Simulation Center and Learning Lab into a 6500 square foot unused ambulatory center at the Health Alliance of the Hudson Valley Medical Village in Kingston will connect students with experiential learning opportunities and workforce training. Construction and renovation of this space will allow 18 students to virtually perform medical procedures and experience interactive technology enabled clinical settings. | ESD Grants | $500,000 |
| 67407 | Ulster | Pen American Center, Inc. | Workers Writers Program at PEN America | The 2017 Worker Writers School is partnering with the Workers Justice Center in Kinsgton, NY and PEN America in NYC to provide writing workshops to the migrant farm workers, cooks, and cleaners in the Mid-Hudson Valley, as well as opportunities to perform and publish work on PEN America platforms. | Arts CHPG I | $24,000 |
| 65071 | Ulster | RUPCO, Inc. | Stockade Works Project | RUPCO, Inc.'s planned redevelopment of a defunct 70,000 square foot factory in City of Kingston, Ulster County will allow the site to be repurposed by an anchor tenant in the film and television industry creating an opportunity for the creation of jobs and training for Film/TV production and post-production studio, and add a maker's space for entrepreneurs. | ESD Grants | $1,000,000 |

| 66871 | Westchester | The Armory Foundation | Yonkers Sports Event Center | The Armory Foundation will build an iconic space with Hudson River views that will further the transformation of downtown Yonkers. The Yonkers Sports Event Center will add 137,000 square feet of recreational infrastructure, including the region's largest indoor track and field arena as well as space for basketball and wrestling, a gym and fitness studios, classrooms, a restaurant, and convention / meeting / event space. | ESD Grants | $2,000,000 |
| 65952 | Westchester | The City of Yonkers | Saw Mill River Daylighting Phase 4 | The City of Yonkers will continue daylighting the Saw Mill River. The project will improve water quality by installing natural stone riparian zones, removing impervious surfaces and replacing with pervious pavement, creating dynamic pools that will reduce the velocity of the river, installing storm debris gates, and replacing and separating the combined sewer system. | DEC WQIP NPS | $2,400,000 |
| 63527 | Westchester | Town of Mount Kisco | Water Plant Operation Consolidation | The Town of Mount Kisco, with the Town of New Castle, will share monitoring of water supply and filtration functions. It has been estimated that the Village could save $43,000 per year. In addition, this operational change will extend the life of the equipment in the facilities reducing capital repair and replacement costs. | DOS LGE | $144,234 |
| 65636 | Westchester | Town of Somers | Lake Shenorock Stormwater Improvement Project | The Town of Somers will construct stormwater retrofits, such as dry swales and hydrodynamic separation structures, to treat stormwater from outfalls located on the eastern shore of Lake Shenorock. The project will reduce phosphorous entering Lake Shenorock which will improve water quality. | DEC WQIP NPS | $847,500 |
| 67890 | Westchester | Village of Ardsley | Saw Mill River Revitalization Plan | The Village of Ardsley will develop a revitalization plan for the Saw Mill River. The plan will incorporate strategies that address resiliency to mitigate climate change risks along the Saw Mill River. This plan will also promote the revitalization of the Village's downtown business district, enhance recreational facilities, including parks and trails, and protect natural resources along the river. | DOS LWRP | $40,000 |
| 64909 | Westchester | Village of Briarcliff Manor | Briarcliff Manor's Consolidated Water Supply Implementation | The Villages of Briarcliff, Tarrytown and Sleepy Hollow will consolidate their water supply and transmission function to address the stress on property owners and residents from high property taxes and fees for government services, including drinking water. Consolidation will save $305,000 in annual operating costs and Tarrytown will avoid replacing their pump station, avoiding an expenditure of $9-$11 million dollars. The project will upgrade two of the three pump stations to provide water to all three communities. | DOS LGE | $602,879 |
| 64967 | Westchester | Village of Sleepy Hollow | Local Waterfront Revitalization Program Update | The Village of Sleepy Hollow will update its 1997 Local Waterfront Revitalization Program (LWRP) by incorporating resiliency to mitigate future climate risks from sea level rise. The LWRP update will serve as a strategic plan to guide development within the Village's waterfront revitalization area. | DOS LWRP | $59,929 |

| 68221 | Bronx, New York | The Time In Childrens Arts Initiative | Administrative Workforce Expansion | The Time In Children's Arts Initiative will hire a Development and Operations Director to ensure fiscal resilience and the expansion of its groundbreaking arts education programming that has been transforming the lives and learning of thousands of New York's most chronically disadvantaged children. | Arts WIP | $45,000 |
| 66878 | Kings | 1776 Global, Inc. PBC | 1776 New York City Tech Accelerator | A Washington DC-based tech incubator/ accelerator known as 1776 will build-out a facility that will provide co-working space for startup companies and a venue for training, mentoring and public programming. 1776 will also convene entrepreneurs, established industries, government and investors to spur economic activity and collaboration. | ESD Grants | $1,000,000 |
| 67853 | Kings | Alliance for Coney Island, Inc. | Coney Island - Mermaid Avenue Revitalization | Alliance for Coney Island seeks to study to identify implementable and impactful economic and physical improvements along the Mermaid Avenue corridor and help further its post Sandy recovery. | ESD SPFS | $50,000 |
| 66884 | Kings | Bedford Stuyvesant Restoration Corporation | Economic Solutions Center Workforce Development | Bedford-Stuyvesant Restoration Corporation will sustain and strengthen their Workforce Development program. The occupational skills trainings implemented through this program include customer service, food handling, commercial driver's license and security. | DOL UWT | $100,000 |
| 65418 | Kings | BRIC | Fellowship Workforce Expansion | BRIC, the Museum of Contemporary African Diasporan Arts (MoCADA), Mark Morris Dance Group, and Theatre for a New Audience will implement the Downtown Brooklyn Arts Management Fellowship, a replicable arts management fellowship for eight early career arts managers from underrepresented groups. | Arts WIP | $49,500 |
| 66378 | Kings | Brooklyn Botanic Garden | Brooklyn Botanic Garden Woodland Garden and Accessibility Improvement Project | Grant funds will be used to support the creation of a new feature for the garden that will increase attendance, and provide a new location for education classes and visitors to learn about urban gardening while simultaneously creating handicapped accessible routes through the existing garden. | ESD MNY | $500,000 |
| 65356 | Kings | Brooklyn Bridge Park | Brooklyn Bridge Plaza | Brooklyn Bridge Plaza, located under the iconic Brooklyn Bridge will be the final section of Brooklyn Bridge Park to be constructed. The Plaza is envisioned as a flexible space that will host seasonal markets, concerts, picnics, and multicultural events, attracting visitors from the region and the world. The grant funds will support the electrical services necessary to support an ice skating rink extending the outdoor season of the Park and attracting visitors year-round. | ESD MNY | $740,000 |

| CFA # | County | Applicant | Project Title | Description | Agency/ Program | Award |
|---|---|---|---|---|---|---|
| 65356 | Kings | Brooklyn Bridge Park | Brooklyn Bridge Plaza | Brooklyn Bridge Plaza, will be the final section of Brooklyn Bridge Park to be constructed. Electrical services will support an ice skating rink extending the outdoor season of the Park and attracting visitors year-round. The Plaza will offer two additional acres of open space and connect the northern parkland of DUMBO with the Park piers to the south. | OPRHP PKS D | $500,000 |
| 68515 | Kings | Brooklyn DDL International AIDS Vaccine Initiative | Brooklyn DDL IAVI - HIV Vaccine Research Program | "Infrastructure and equipment upgrades to IAVI's lab, including: Facilities improvements, including electrical and security system upgrades and HVAC; Capital equipment, including pre-clinical equipment at SUNY Downstate vivarium, replacement of aging vector design equipment, and quality control equipment; and IT/telecommunications investments to support the work of the laboratory." | ESD Grants | $200,000 |
| 63912 | Kings | Brooklyn Historical Society | Waterfront Exhibition | Grant funds will be used for final design, fabrication, and marketing of Waterfront, a 3,200 sq. ft., a long-term, educational exhibition that will be housed in Brooklyn Historical Society DUMBO, a new satellite museum in the Empire Stores complex on the Brooklyn Waterfront. | ESD MNY | $176,283 |
| 67113 | Kings | Brooklyn Navy Yard Development Corporation | Brooklyn Navy Yard Transportation System | The proposed project, a BNYDC-operated shuttle system, would facilitate the commute of people currently employed the site, as well as provide the infrastructure for its expected growth. | ESD Grants | $1,000,000 |
| 62626 | Kings | Click Therapeutics, Inc. | Click Therapeutics - Research and Development | Click Therapeutics is a digital therapeutics startup company currently in its pilot study and trial phase. Their app will help users overcome health issues including obesity, depression, and smoking cessation, among others. | ESD EJP | $500,000 |
| 67427 | Kings | Derbywire, Inc. | Medgar Evers-Derbywire | Medgar Evers College is the first START-UP NY site in the city. To carry out this program, the college is renting space at the Brooklyn Navy Yard, initially to accommodate Selfiepay, Tuki and Derbywire — three tech startup companies. Funding will help pay for fit-out of space for the companies. Derbywire is a content streaming bio-metric payment application that enables individuals to store, sell and buy digital content in real-time. | ESD Grants | $500,000 |
| 66451 | Kings | Downstate Technology Center, Inc. | Downstate Biotech Incubator | The Downstate Biotech Incubator plans to expand their Entrepreneurship Program to help accelerate the commercialization and development of companies. | ESD BIHSP I | $125,000 |
| 65889 | Kings | Evergreen, Inc. | Brooklyn Industrial Development Center | Evergreen, an established nonprofit local development organization, is seeking state funds to help develop the North Brooklyn Industrial Center 5 (NBIC5). The project will provide work space for small Brooklyn manufacturers in the high-growth subsectors of specialty woodworking, specialty metalworking and food production. The project will transform a 23,000 square foot building at 180 Morgan Avenue in East Williamsburg into a multi-tenant building of industrial businesses. | ESD Grants | $1,000,000 |
