

SCHOHARIE COUNTY EMERGENCY INFORMATION TO RESIDENTS

STATUS UPDATE DUE TO HURRICANE IRENE

September 5, 2011 7 pm

Residents looking for housing assistance need to know the correct responses to questions. When asked if you are homeless, the response is yes even if you are currently housed somewhere and when asked if you are willing to relocate you should always say yes. This does not mean that you will be forced to relocate outside the County, but that you are willing to relocate within the county.

“Stay alert, stay informed.”
