

Sharon Springs Summer Recreation Program 2015

Summer: School's out & kids are ready to play

Recreation: Fun & Games

Program: Supervised, Organized, Safe

The Sharon Joint Youth Commission is gearing up to begin our 2015 Summer Recreation Program. This program is geared for elementary children who have **completed** Kindergarten up through sixth grade. **There will be 2 sessions**, with families able to sign up for just one or both sessions. **Session I ~ runs July 6th to July 24th** **Session II ~ runs July 27th to Aug 14th**. Swimming Lessons will be given during both sessions. The program also offers Arts & Crafts, Cooperative games and sports as well as fun yet educational guest programs in collaboration with the Sharon Springs Free Library and Sharon Springs Central School. Session I will end with a trip to Gilbert's Lake State Park and will be open to the community to join us.

Program Hours are from 9am to noon, Monday through Friday

The suggested donation to help fund the program is as follows:

	1 Session (I or II)		Both Session I & II	
	Local	Out of Town	Local	Out of Town
1 Child	\$30	\$50	\$40	\$70
2 Children	\$40	\$70	\$55	\$105
Family Rate	\$50	\$95	\$60	\$145

We have always strived to keep the suggested donation amounts low so that all children can participate. And for several years we had been fortunate enough, with funding and grants, there was no need to raise rates. Unfortunately we experienced funding cuts this year and as result have had to raise rates slightly. **We appreciate any extra donations and will provide free scholarships when needed.**

Sharon Joint Youth Commission is made up of residents from both the Village and Town. Commission members are Volunteers who plan and coordinate the Rec Program as well as provide supervision at all Teen Nights throughout the year. Anyone interested in serving on this committee may contact a commission member or the Village office- 284-2625.

In collaboration with the Sharon Springs Free Library the following programs will be offered during our summer programs: July 10th Moon Vehicles, Aug 5th Optical Illusions, Aug 14th Just a Phase...

Through a grant obtained by Sharon Springs Central School- A reading program will be an option as part of our regularly scheduled, daily activities, a bus will be provided to transport K-1 on Friday mornings for Lending Library and Older Children to Library on Mondays. (In past years we have walked one or both ways)

Please look at our Summer Calendar for other great events like MOONLIGHT SWIMS ☺
