

Town of Seward Comprehensive Plan – Anonymous Survey

Do you think that your opinion is the most important thing in the world? We agree -- please share it with us!

The Town of Seward is in the process of creating its first Comprehensive Plan to guide growth and development while also promoting the health, safety and overall welfare of its residents, landowners and other resources. Accomplishing that requires coming up with goals and objectives for the short, medium and long-term future of the Town, and strategies and tactics for meeting those goals and objectives.

We need your help! We want to hear from everyone in Seward – please share this survey with members of your family and/or household.

Please read all questions and instructions carefully and complete the information in the requested format – surveys answered incorrectly cannot be included in the final results.

Please take about 15 minutes to anonymously participate in this opportunity to shape your community!

Hard copies of the survey can be picked up at the Town Hall, located at 795 Lowe Road.

Completed copies can be mailed to:
Schoharie County OCDS
276 Main Street – Suite 2
P.O. Box 396
Schoharie, NY 12157

They can also be dropped off there or the Town Hall.

This survey can be completed online at: <https://www.surveymonkey.com/r/SewardNY>

The online survey will close after November 1 and hard copies will only be counted if received by that date.
