

Building Permit Application Instructions

Please read and sign

Town of Carlisle

A building permit is required commencing construction or other improvements, removal, relocation, occupation of a business, demolition of any building or structure (including auction barns, farm residences and other such structures) and before the installation equipment such as oil and gas heaters that are not listed as portable, solid fuel burning devices such as wood, pellet, corn and wood etc.

Three copies of the permit applications must be completely filled out and submitted to the local building department by mail or in person with

- (1) Two sets of construction Plans and all supporting documentation
 - (a) Residential dwellings under 1,500 sq feet may be allowed without a stamp by a design professional licensed by the State of NY, although a detailed set of plans are still required
- (2) All commercial construction plans are to be stamped and drawn to scale
- (3) All new residential and commercial waste water (septic) systems must be designed by a NY licensed PE

Workers compensation and disability benefits or an exemption from (NEW YORK STATE WORKERS COMPENSATION BOARD) are necessary and required before a permit can be issued. **Only Owner occupied** 1-4 family homes may use the BP 9-07 form enclosed in application, All others must have comp or get an exemption from NY comp board

Federal, State and local floodplain regulations must be applied in accordance with New York State Building Code.

Federal, State and local floodplain regulations must be applied in accordance with New York State Building Code.

Inspection Notification to the Code Enforcement is the sole responsibility of the owner, contractor or agent.

- (1) minimum of 48 hrs no exceptions

Some may need earlier depending on the inspector

- (2) A CO or CC will not be issued without inspections and you may be required to dismantle work performed and pay a fine.

The owner and contractor are responsible to notify the codes office for an inspection.

Questions and answers

Q) Who determines when a building permit is required and how do I know if a permit is required

A) The local code enforcement Officer, so the best way to know is contact the codes officer

Q) Do I need to comply with floodplain regulations if my community does not participate in the floodplain program

A) Yes in 2007 NY State Incorporated the floodplain regulations within the State Building Codes.

(Q) I am renting a commercial space and am not changing any of the structure do I need a permit

(A) Yes a permit is required to make sure that the new business complies with building & Zoning regulations concerning the use, maximum occupancy, fire regulations, etc. Failure to obtain a permit could result in a stop work order and possible fines.

Affidavit of Exemption to Show Specific Proof of Workers' Compensation Insurance Coverage for a 1, 2, 3 or 4 Family, Owner-occupied Residence (no commercial)

Under penalty of perjury. I certify that I am the owner of the 1,2, 3 or 4 family, owner-occupied residence (including condominiums) listed on the building permit that I am applying for, and I am not required to show specific proof of workers' compensation insurance coverage for such residence because (please check the appropriate box):

- I am performing all the work for which the building permit was issued.**

- I am not hiring, paying or compensating in any way, the individual(s) that (are) performing all the work for which the building permit was issued or helping me perform such work.**

- I have a homeowners insurance policy that is currently in effect and covers the property listed on the attached building permit AND am hiring or paying individuals a total of less than 40 hours per week (aggregate hours for all paid individuals on the jobsite) for which the building permit was issued.**

I also agree to either.

◆ acquire appropriate workers' compensation coverage and provide appropriate proof of that coverage on forms approved by the Chair of the NYS Workers' Compensation Board to the government entity issuing the building permit if I need to hire or pay individuals a total of 40 hours or more per week (aggregate hours for all paid individuals on the jobsite) for work indicated on the building permit; OR

◆ have the general contractor, performing the work on the 1, 2, 3 or 4 family, owner-occupied residence (including condominiums) listed on the building permit that I am applying for, provide appropriate proof of workers' compensation coverage or proof of exemption from that coverage on forms approved by the Chair of the NYS Workers' Compensation Board to the government entity issuing the building permit if the project takes a total of 40 hours or more per week (aggregate hours for all paid individuals on the jobsite) for work indicated on the building permit
