Village Code § 131-6. Permit required.

A. Openings. No person, firm, association or corporation shall alter, disturb, open, grade, dig or excavate the surface or soil of any street, highway, roadbed, pavement, or public ground in the Village for any purpose, or tunnel under the roadbed of any street, in whole or in part, for any purpose except upon compliance with the provisions set forth in this article and upon receipt of a written permit from the Village of Cobleskill Planning, Environment and Codes Office; nor shall any person, firm, association or corporation do so on private ground in the Village using equipment powered by a source other than human strength except upon compliance with the provisions set forth in this local law and upon receipt of a written permit from the Village of Cobleskill Planning, Environment and Codes Office.

B. Sidewalk, curb and driveway construction. No person shall construct, remove, replace or repair a sidewalk, curb or driveway within the limits of any public street, highway or other public property without first obtaining a written permit from the Village of Cobleskill Planning, Environment and Codes Office.

C. Water and sewer and utilities. No person shall dig, trench, or make any connection into a sanitary sewer, stormwater drain or water main which forms a part of the sewer, drainage or water distribution system of the Village without first obtaining a written permit for such opening from the Village of Cobleskill Planning, Environment and Codes Office; nor shall any person dig or trench for the purpose of repairing or burying any underground utility, whether controlled by the Village or some other entity, within the public right-of-way without first obtaining a written permit from the Village of Cobleskill Planning, Environment and Codes Office.
